Dear Cathedral Parishioners and Attendees,

This is a simple, straightforward, and somewhat urgent reminder about the Catholic Ministries Appeal (the CMA). At the time of this writing (November 4th) we are only 33% of the way toward our assessed goal of $87,000.

The official Diocesan letters went out a little later than I expected, but it is still disconcerting to see that the Cathedral parish percentage currently sits noticeably below the percentages reached by other similar parishes. **Stated simply, for the first time that I remember, we are lagging behind the majority of parishes in the Diocese.**

By any reasonable metric, I believe that we are "above average!"

In your kindness, please be generous and prompt in making your CMA contributions.

In the hearts of Jesus and Mary,
Fr. Peter Van Lieshout
