New Air Purification System

Assumption Church and the Friars are committed to making our worship as safe as possible. That's why we have purchased an Air purification system from HealthWay. HealthWay's founder and CEO Vincent Lobdell grew up in Pulaski, NY. He's made it his company's mission to reimagine the world as a better, safer place. His journey of searching, developing, and perfecting air purification systems started in 1981. He used and tested just about every technology from UV to HEPA and then, in 2010 through a United States Military Grant, he developed HealthWay's very own patented DFS Technology. Today, DFS Technology is recognized as an industry-leading technology and is used around the world. Bringing clean air to more people and creating a healthier indoor environment to life has always been his passion.

The revolutionary DFS technology traps microorganisms such as bacteria, mold, and viruses while preventing microbial growth inside the system. DFS technology is tested and proven to remove from the air a proxy virus for SARS-CoV-2 (RNA virus MS2)1: The results of this data show 99.987% elimination in 10 minutes of the surrogate which is .03 micron in size. The test also showed that there was 100% elimination in 45 minutes and again 100% at 24 hours indicating no reintroduction of the proxy virus. Obviously there are no guarantees when it comes to viruses. But along with the sanitizing of all the surfaces in church before weekend liturgies, and our wearing masks at mass, and most importantly more and more of us being vaccinated; we will beat this pandemic!

Welcome to The Franciscan Church of The Assumption!

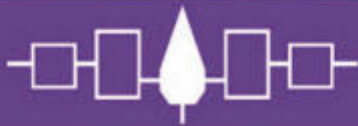

OUR VISION

The Franciscan Church of the Assumption is a community that cares for all of God's creation and where all are welcomed and honored; singles and families, rich and poor, young and old, devout and searching, those differently abled, LGBTQ+, immigrants and refugees. We are a vibrant, inclusive, and loving community that seeks to be financially sustainable, supported by a diverse base of volunteers who together with the friars and sisters serve the physical, mental and spiritual needs of those thirsting for meaning and purpose in Syracuse and beyond.

OUR MISSION

To heal wounds, to bind what is broken,
to bring home those who are lost.

- Legend of the Three Companions of Saint Francis -

The Franciscan Friars Conventual and Assumption Church respectfully acknowledge and celebrate the traditional owners of the lands throughout Central New York and pay their respect to the members of the Onondaga Nation and Haudenosaunee Confederacy of past, present and future generations.
