Dear Parishioners and Visitors,

I hope you each of you is doing well. I want to thank you all for the warm welcome I have received since my arrival here just three weekends ago. While it will take me some time to learn your names, the warmth of your welcome was very heartening, and the enthusiasm and love you have for your parishes is evident. I look forward to many wonderful days ahead.

As I write this column I am aware of trying to communicate in a direct way to parishioners of both Our Lady of Hope and St. Michael/St. Peter's, but I also hope that my message is of value even to those of either parish. Greater familiarity of what is happening in each place helps to create a greater sense of family. And family is what "parish" is all about. After all, you all call me "Father." And just like blended families—more common today than ever—a parent who has ties to multiple households wants nothing more than for the members of those separate families to love and respect each other, feel comfortable in each other's company, and be genuinely happy to celebrate certain events and important times together.

So as we forge ahead, and as I get more acclimated to this new schedule, new surroundings, new faces and staff, I urge us to see the challenges ahead a real opportunities to expand our notion of parish, grow the Christian family in our area, and make more robust and vibrant the Body of Christ, which each of us is part of, regardless of where we call home.

God bless you and have a great week,

Fr. Michael

GROTTO BRICK ORDERS - LAST CALL!!!

We will be sending in grotto brick orders very soon. If you want to honor a loved one with a brick, please call the rectory and an order blank will be sent to you. Bricks are \$150 and \$300.

AROUND OUR PARISH...**A FAMILY PERSPECTIVE**

In today's gospel, Jesus warns, "what comes from within can defile" a person. Families need to worry about "outside influences" but also about "inside influences." The values our children carry for a lifetime are learned at home. Habits of the Hearth are the most powerful influences on a child. That is the good news! That can also be the bad news!
