OCTOBER 10, 2021

Dear Parishioners and Visitors,

I hope this note finds you well. This week we mark a change in our music ministry at Our Lady of Hope. Mr. Steven Medicis, who has been the Music Director at OLOH for about ten years, has resigned and has been hired to provide music at Transfiguration Church on Teall Ave in Syracuse for the celebration of the Extraordinary (Latin/Tridentine) Form of the Mass, something that Steven is an expert in and so will be able to truly use his talents to supplement. I want to thank Steven for his service to OLOH and wish him well in this new endeavor.

We welcome to OLOH Mr. Tom Andino, who will be taking Steven's place at present. Over the next few months, Tom hopes to get a feel for the parish and hopes that he will be a good fit for the parish, as well as this new ministry being a good fit for him. Tom has long roots in the parish. He worshipped here as a young man and was part of the choir of St. James many years ago. In many ways his early experiences at St. James fed his interest and love for liturgical music and he has fond memories here. He is currently the Music Director at St. Michael-St. Peter's as well as Director of Campus Ministry at LeMoyne College in Syracuse. He begins at Our Lady of Hope this weekend and will continue in his role as Music Director St. Michael's. Welcome Tom.

With regard to music at OLOH, Tom will be announcing a time and date in the not-so-distant future when anyone who has been part of the choir, has interest in singing, would like to offer thoughts, suggestions, and ideas for music, or would simply like to meet him personally, can come together for a meet-and-greet/listening session. Stay tuned for that.

I hope you all have a great week. Stay healthy, and God bless,

--Father Michael

A FAMILY PERSPECTIVE

Having possessions is an illusion. In today's gospel, Jesus told the young man to give up his need to control and put his trust in God. He could not let go! In families, our need to control destroys relationships. We can lead, teach and encourage, but we cannot control anyone but ourselves.

Decisions can take you out of God's will but never out of His reach.

SOME WORDS OF WISDOM

- Living would be easier if men showed as much patience at home as they do when they're fishing.
- Temper is what gets most of us into trouble. Pride is what keeps us there.
- Quite often when a man thinks his mind is getting broader, it's only his conscience stretching.
- Men are like fish. Neither would get into trouble if they kept their mouths shut.
