Safe Environment Training

Has your Safe Environment certification expired or is it about to expire? Do you volunteer for a ministry and still need to attend a Safe Environment training session? There are many initial certification and re-certification sessions being held throughout the Diocese each month! To view a schedule of upcoming training sessions or to register for a session, go to syrdio.org and select Safe Environment from the main menu. Choose Training for Adults and select either Initial Training or Re-certification, whichever you require. Then, follow the prompts.

There will be a Safe Environment Re-Certification Training held at St. Mary’s on Wednesday, July 17th at 6:30pm in the Gathering Space.

The diocesan Child and Youth Protection Policy requires Safe Environment training for all clergy, members of religious orders, parish and diocesan employees, and all volunteers whose ministry or role continues to place them in regular contact with children, young people or vulnerable adults. Re-certification is required every 5 years.

Questions? Contact Joelle Zarnowski, our Safe Environment Coordinator at 315-635-5762, ext. 102. Thanks for doing what you can to keep ALL of God’s children and vulnerable adults safe!

Important changes to the Diocesan Safe Environment Policy:

Effective February 1, 2019, any parish, school, or agency volunteer whose ministry or role places them in regular contact with children, youth, and/or vulnerable adults, must attend a Safe Environment re-certification training and pass another criminal background check by the expiration of their last train date.

Any volunteer who has lapsed on or prior to December 31, 2018, will have a grace period to satisfy the re-certification training requirements until June 30, 2019.

Volunteers who do not satisfy the re-certification Safe Environment requirement by the expiration of their last training date will receive a letter from the Office of Safe Environment that their Safe Environment credentials will be suspended indefinitely until the completion of the Safe Environment re-credentialing process.

The parish office will begin sending letters to volunteers at least 3 months prior to their expiration date to notify them of their need to re-certify. If you are no longer active in ministry, please contact the parish office to notify them of your change in status. They will contact the Diocese to have your information updated as well.

What is a CSA? Community Supported Agriculture

CSAs are a way for farms and the community to mutually support one another. By subscribing to the Brady Farm CSA, you help to sustain the farm and our local businesses, you receive regular farm-fresh produce, and you save money. Subscriptions are called "Shares" because members share the benefits and risks, and are given a voice in what is grown at the farm. CSAs help to get income to farms when costs are high in the spring.

The Brady Farm CSA Season is underway, but you can still sign up to receive a CSA share and pick it up here at St. Mary’s on Wednesdays! By purchasing a Brady Farm CSA share, you will be receiving quality, locally grown produce while supporting our sister community!!

For more information, or to sign up, visit www.bradyfarm.org/csa

**Gospel Reflection**

**ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE**  
July 7, 2019  
14th Sunday in Ordinary Time

This Sunday, Jesus reminds us that "the harvest is abundant but the laborers are few." As Catholic disciples, we are the laborers that the Master is sending. All around us are opportunities to share the love and mercy of Jesus Christ - our homes, our workplaces, our neighborhoods, even our faith communities! Lest we feel unequipped for the task, Jesus gives us some advice.

"Carry no money bag, no sack, no sandals." We might not have a theology degree or training in public speaking, but that doesn't mean we can't share the Gospel. The power of God is at work in simplicity. The disciples went forth with nothing as a reminder to trust in the Providence of God. Say a little prayer that God will speak through you and has a need for your gifts, just as you are.

"Do not move about from one house to another." So much of the life of Jesus was about relationships. He modeled this attitude by journeying with his disciples. Here he makes the same recommendation to them, to remain with the same family for their entire stay in the town. Break bread with others. Invite them to coffee or a game night in your home. Sharing your faith isn’t just about saying the right thing, but loving well over time.

"The dust of your town that clings to our feet, even that we shake off." Sometimes we want to help someone, but for whatever reason, they don't receive it well. Sometimes people aren't interested in our efforts to invite them deeper into faith. When rejection happens, don't carry it with you. Don't let it over-burden your heart. Rejoice that you share in the mission of Christ, and keep on loving the next person he places in your path!
