MULL-ING THINGS OVER

With Labor Day gone, many of us are now settling into a new schedule of activities. St. Francis-St. Stephen's School is fully open with in-person education being offered. We continue to follow the COVID guidelines – taking temperatures as each student arrives, wearing masks, keeping a limited number of students in each classroom where social-distancing can be maintained. We have hired a new maintenance person who will clean and sanitize the school each night. We will also maintain our school-only presence at the School Masses. We will, however, livestream those Masses as we did last year. We thank Dr. Lorraine Williams and her staff and faculty for providing such safe and nurturing atmosphere for learning.

Very soon, our Religious Education Program will begin. We will offer in-person classes on Sunday mornings and Tuesday evenings. We will again form the guidelines for arriving at classes and at dismissal. We will take temperatures and ask the students to wear masks during the class time. Our classrooms will be set up for proper distancing and they, too, will be cleaned and sanitized after each session. We thank Mary Olsen and Don Cass for working with their volunteer teachers and staff in overseeing this program. As we begin our Sacramental Programs, we will be offering counsel and guidelines for safe preparation and exciting insight into our sacramental life.

Our Parish Council and Committee meetings will resume this month. We ask all members to wear masks for those meetings. Many of them will take place in the Parish Center where we can be socially distant and yet see one another. Should COVID-19 numbers rise, we may have to return to virtual meetings or no meetings at all. We will keep in contact with you as to the place and times of our meetings. Each group will have the opportunity of deciding if they are comfortable with the place and style of meeting. One another's health and safety remain our priority in all group activities.

We will continue to monitor the parish activities which are scheduled throughout the year. We have received CDC guidelines plus guidance from the Ontario Department of Health. These help us determine if what we have planned and the manner in which it is to be conducted will lead to a safe and enjoyable activity. Our concern is to continue building our community while providing a safe place and style of celebrating. We do not plan on beginning Martha Ministry again this year. The need to cook and prepare a meal for a variety of people sitting in close quarters, checking vaccination cards, and making sure masks are worn by those for whom it is necessary involves a lot of work and can take away from the enjoyment of getting together in mutual support. Martha Ministry will return when it is safe for all concerned.

At least until Christmas, we will be wearing masks while we are at all sacramental celebrations. We have had a good percentage of our folks return to regular attendance, although recently, some have chosen to absent themselves again to protect themselves from the delta strain to continue to not spread the illness. We honor each person's choice and their willingness to help keep everyone safe. The bishop has asked us to not replace the Holy Water or Baptismal Water and only use it when properly called for in our ritual celebrations. Our Lectors, Ministers of Holy Communion and Ushers have been asked to wear masks while they are in Church. Again, we try to maintain the dignity of our celebrations while, at the same time, promoting safety and proper protective practice each time we gather together. Thank you for your cooperation in these difficult times.

As we prepare to celebrate the beautiful Autumn Season, take some time to appreciate the changing cycle of nature. Appreciate the colors, the cooler air, the beautiful Fall flowers and the Fall fruits and vegetables. As we continue to harvest the food of our gardens, we need to be grateful for the growing season and the hard work that went into producing these gardens. People are generously sharing the fruits of their labors and those who are beneficiaries are grateful. As we get into the Fall holidays, take a moment to appreciate the creativity with which people decorate their homes, celebrate the changing of seasons, and call our attention to the many beauties of God that surround us.

Don't let all the concern of the pandemic take away your ability to see beauty, appreciate it, and allow ourselves to be captivated by the times in which we live.

There is much to avoid at these times. But there is also much to embrace. We can remain healthy and strong even while protecting ourselves and our families. We can appreciate changing nature while maintaining distance and not spreading a disease. We can isolate but not miss the beauty of the world around us. Have a good week!

A Time to Remember

This weekend, we join our country in commemorating the twentieth anniversary of the attack on the Twin Towers in New York City. It is time to remember: the moment of the attack, the terror that surrounded the immediate activities of that day, the sadness so many felt when the number of dead kept climbing and climbing. The planes in New York, the plane at the Pentagon, and the plane that crashed in Pennsylvania each brings its own memory and sadness. Say a prayer today for those who died in these tragedies. Say a prayer for the families of those who died and who continue to mourn their passing. Say a prayer for peace. As we remember, we recall, too, the great spirit of patriotism that spread through our country. America was attacked and we stood together in the face of this attack. It did not destroy us but made our bond even stronger. May we never forget, may we be forever stronger, and may our friends today rest in peace!

Mission Statement

We profess our belief that Christ sent His Spirit to bestow gifts on His followers according to their part in carrying out His mission. We are committed to be visible signs to each other, and to our community, of Christ's Presence among us: proclaiming and evangelizing the Gospel, witnessing to God's love according to the Roman Catholic Church's teaching; ministering to the needs of all; and, fostering the spiritual life and growth among parishioners.

Stewardship Reflection

"Be doers of the word and not hearers only," (James 1:22)

It's easy to understand the definition of stewardship – living a grateful and generous life. The hard part is doing it! How do your actions reflect God's word? Do you share your time in prayer with God? Do you use your talent to help those in need? Are you generous with your financial resources? If not, what are you waiting for?

CATHOLIC MINISTRIES APPEAL

This year's Catholic Ministries Appeal (CMA) will begin at the end of this month (September). The overall CMA goal this year will remain at \$6,725,000. Parish goals have been re-calculated this year and the goal for Our Lady of Peace Parish this year is \$97,425. To recalculate the individual parish goals, the Diocese used the 2019 Mass attendance numbers, the 2020 Collections, and the number of Households in 2020. For the Income Factor, they used the 2019 American Community Survey (ACS) from the U.S. Census Bureau. The Income Factor has always been based on household zip codes, however, the methodology employed by the U.S. Census Bureau has been refined. As a result, several parishes have Income Factors that have risen more than usual. Our parish is one of these. The CMA continues until May 31, 2022. Our goal is reachable – but only with everyone's help. Please consider a gift to the diocese when the flyer arrives in the mail. No gift is too small and with everyone's help, we'll do our part this year!

DINNER-DANCE CANCELLED

The Parish Dinner-Dance, scheduled for Friday, October 8th, has been cancelled due to the increase in COVID-19 in our area. Given the fact that we have not returned to using our Parish Center for any social gatherings, the encouragement of safety precautions for opening school and Religious Ed classes, the use of masks at Mass and sacramental celebrations, it seemed we should be consistent in not sponsoring something that would gather a large group of people inside for an extended period of time. It seems that we should err on the side of caution and not help the spread of this illness. We will continue with the raffle which will be done on Facebook on Friday, October 8th. We thank all who have worked hard planning this dinner-dance and all who have generously contributed already. We apologize for any inconvenience caused by this decision.

Our Lady of Peace Cash Raffle Do you have your tickets yet?

Four ways to get them:

1. Pick up an envelope at the church doors
2. Turn in the order form you received in the mail
3. Go the Parish Office
4. Buy some from a friend

Please return your tickets by Sunday, October 3.

Thank you.

Break the Cycle of Poverty: Support the Catholic Campaign for Human Development

Next weekend, Sept. 18/19, we'll be taking up a collection for the **Catholic Campaign for Human Development**. CCHD addresses the root causes of poverty in America by supporting community-controlled, self-help organizations of low-income people. Here in our Diocese, four life-changing community organizations are being funded with major CCHD national grants! They include a farmworker organization, a workers' center, a land trust of low-income people becoming homeowners in inner city Rochester, and a refugee organization empowering their members to know their rights as tenants. Learn more about them in this short video -https://www.youtube.com/watch?v=ulWmFTJw_OI&t=11s

In addition, 25% of the funds we collect will remain in our diocese to fund smaller anti-poverty projects. By supporting this collection, you are standing with people on the margins and making positive social change.

ADORATION CHAPEL

"The Church and the world have a great need for Eucharistic worship. Jesus awaits us in this Sacrament of love. Let us not refuse the time to go to meet Him in adoration, in contemplation full of faith, and open to making amends for the serious offenses and crimes of the world. Let our adoration never cease!" (John Paul II, Dominicae cenae, 3)

If anyone would be interested in joining this tremendous ministry of prayer please contact Dorothy Kalina (789-8099) or Mary Ann Lawson (789-7629).

Worship Aid

We will be providing worship aids in the pews, until our new order of missals arrives for Advent.

To help keep printing costs and paper waste to a minimum, the pew copies will be a single sheet, densely printed, and we will print about half the number we would have previously.

For the tech – confident, we encourage you to use your silenced smart phone during Mass. You may wish to download the Breaking Bread 2021 eMissal app, available for both iPhone and Android, at a one-time cost of \$4.99.

Alternatively, you may use the QR code that will be at the church doors and in the bulletin; this will link you to a dedicated web page for our worship aids.

Any questions, please contact Chris Sauter-Milligan at the parish office.

Box Tops for SFSS School

The Box Tops for Education program now has a digital app that you can download.

The Box Tops mobile app uses state-of-the-art technology to scan your store receipt, find participating products and instantly add

Box Tops to our school's earnings online. While St. Francis-St. Stephen's still gladly accepts the old clip style box tops we are hoping for more participation with the new app. Box Tops are still worth 10¢ each for our school with either method of participation. Acostúmbrate continuamente a hacer muchos actos de amor, porque ellos encienden y derriten el alma.

--Santa Teresa de Ávila

Fe y Obras y Su Ministerio

Me acuerdo un tiempo, cuando yo vivía en Chile en el tiempo de la dictadura de Pinochet, yo estaba en la catedral por una celebración importante para la iglesia. Lo que fue difícil para mí fue ver a Augusto Pinochet en la catedral en una posición especial separado de la multitud de los otros católicos y participando en la Misa y recibiendo Comunión. Pasando por mi mente fue el gran número de personas que perdieron sus vidas bajo esa dictadura y los otros que fueron torturados, encarcelados o desaparecidos. ¿Basta dar culto y adoración a Dios y a la vez hacer atrocidades por el país? ¿Basta mostrar fe o creencia cuando está matando a seres humanos para conseguir poder personal?

Hoy en la carta de Santiago él hace la pregunta “¿De qué le sirve a uno decir que tiene fe, si no lo demuestra con obras?” El escribe que, si la fe no traduce en obras, está completamente muerta. ¡Wow! Eso es serio. La fe muere si no estamos viviéndola en acción. Mostramos nuestra fe por la manera que tratamos a otros seres humanos. Jesucristo nos pidió seguirlo diciendo que cada persona debe amar a Dios con su corazón, espíritu y mente y amar a otros como a sí mismo. ¿Cómo podemos traducir el amor en acción y en obras? ¿Otras personas pueden saber que somos cristianos, seguidores de Jesucristo por nuestras acciones? Algunas van a saber que sí, Fulano está ayudando a otra persona para conseguir comida en un tiempo difícil y otra persona ofrece llevar a una persona sin carro a una cita médica o él llama a otra persona que está enferma o escribe a un legislador para conseguir su apoyo para un proyecto de ley ante la legislatura que ayudaría a apoyar la vivienda para personas de bajos ingresos. Estos son ejemplos de obras y acciones de amor hacia otras personas. Todos nosotros podemos hacer obras buenas y así podemos vivir como cristianos y mostrar que somos seguidores de Jesús.

En nuestras comunidades parroquiales tenemos la posibilidad de ofrecer nuestro talento y tiempo para llevar adelante los ministerios. Dios llama a cada uno dentro de la comunidad (la Iglesia) para hacer algo para el bien del otro. No es el sacerdote o el diácono o la hermana que deben hacer todo. Fuimos bautizados dentro de una comunidad y somos responsables para la comunidad—la Iglesia en Penn Yan, Newark, Geneva y Waterloo. La salud de nuestra comunidad y los que viven a nuestro alrededor depende de cada uno de nosotros. ¿Quién ayuda a los sin casa, a los hambrientos, a los que tienen miedo por sus vidas, a los que desean saber más de Dios, a los que buscan apoyo del gobierno? ¿Quién se ofrece aprender más de su fe, de los sacramentos, de Jesucristo, de las Escrituras Sagradas, de la espiritualidad, y de lo que la Iglesia realmente quiere de nosotros? Así hay que recibir para poder compartir esto con otros. Nuestra comunidad no está creciendo, y es responsabilidad de cada uno ayudarla a crecer.

¿Ya está haciendo un ministerio litúrgico para nuestra Misa los domingos? ¿Quién desea ser parte de un equipo bautismal o matrimonial o de Rito de Iniciación Cristiana de Adultos? Por esos ministerios usted puede ayudar a otros conocer a Dios y crecer en su fe. Pero no puede dar lo que no tiene. ¿Dios realmente está en el centro de su vida?

Hermana Kay
