### MULL-ING THINGS OVER

Today, June 19, 2022, is the Feast of the Body and Blood of Jesus (formally known as Corpus Christi). It also begins the three-year plan for the Revival of the Eucharist. On this day, the Feast of Corpus Christi, Roman Catholics throughout the world are asked to begin a time of renewal – a time when they can re-ground themselves in the mystery of “God-With-Us.” It is the universal quest of the Church driven by our Holy Father, Pope Francis, to help people remind themselves what a genuine gift the Holy Eucharist is to the Church and to each believing person. This first year is dedicated to parishes and dioceses. On this local level, we are to work in a variety of ways to restore our faith and belief in the Real Presence of Jesus in the Holy Eucharist. It is not a symbol of Jesus, the Eucharist is Jesus present among us. In the second year, it is America’s turn. Each country has been asked to commemorate the Eucharist in a way that the entire country stands witness to the importance of the Eucharist and the need to worship Jesus – Body, Soul and Divinity in the Eucharist. The third year is the Pope’s turn. On a universal level, the Pope will hold a Synod in Rome gathering representative Bishops from around the world, to meet, to promote the Holy Eucharist and to express our international gratitude to Jesus for giving Himself to us in this important sacrament.

What happened and why do we need this revival? There is a whole variety of reasons why we have lost our spark at the awesomeness of the Holy Eucharist. Our world has changed, the focus of many of our lives has become very secular. The numbers of Roman Catholics attending Church has dropped. The reverence we formerly had for Jesus in the Eucharist has lessened. Our attention has turned to many other things (and people). When the pandemic hit, and churches were closed, many became used to not going to Church. It has taken awhile to come back to our pre-pandemic numbers. Even before the pandemic, our numbers were falling. It has been a real challenge to keep people interested in the Church and her sacraments. Our technological world has called our attention to iPad, computers, notebooks, and other means of social communication. We no longer need to intermingle with people for conversation, education, and communication. It can be done across the airwaves! We can pray and communicate with God in the privacy of our own homes. We don’t have to go out into the weather and sometimes struggle to get to Church – we have brought the Church into our living rooms. We can “see” Jesus on T.V.

Along with these changes, we have become very busy. We have jobs, we have responsibilities, we have families, we have school and school work, but we also have social responsibilities, the kids are in sports, there are music lessons, dance lessons, after school work, and extracurricular activities. We used to have at least Sunday mornings when nothing was scheduled. Those days, however are gone. Practices, games, rehearsals, and try-outs happen regularly on Sundays. In many ways, our Sunday morning services or religious ed classes are in competition with many other things going on. It can be a battle as to what one will do on Sunday. Mass oftentimes is on the losing end. What can happen is that often when we are away from something, it becomes less of a priority, we don’t go even if we have time and we put something else in the time slot. Then, it becomes “impossible” to get to Church. Before you know it, we are in the crisis our Bishops recognize today.

The Revival of the Eucharist is our leader’s response to help us get back to prayer – together – in a Church – on Sunday (or Saturday night). It is the encouragement and opportunity for our Bishops to remind us that Eucharist is the very heart of our faith and should not be forgotten, ignored or “pushed to the back burner.” If we lose our relationship with God, we lose the promise of eternal life with God. In His wisdom, Jesus chose to leave the world the sacraments so that He might be woven into the activities of our lives. He chose this mysterious and sacred way of assuring contact with his sisters and brothers of the faith. By nourishing us and strengthening us, He can be a part of who we are and what we do. Worship of God should not be an added burden in life, it should be a joy and wonder which helps us touch the reality of life with God even while we live in this world. It is a gift for us to help us want to be a friend of Jesus not his slave. Eucharist calls us to pray as a community so that we might live as a community in the confines of our world. Living in such a way, we become responsible for one another, supportive of one another, and the brother and sister of which Jesus often spoke. To do this, we need to commit time to one another, we need to gather in the same place as one another, we must realize that it is not only our giving but also our receiving that is so enriching, and we are called to understand that we become holy when we are together.

## HAPPY FATHERS' DAY

Happy Fathers' Day to all our men who have accepted God's vocation to give life, nurture life, and love the children you have brought into the world. It is the day in the United States when we pause and honor our Dads – living or deceased. We don't say "thank you" enough – today is the day. We don't always let our fathers know how important they are to us – today is the day. We don't often hug Dad or tell him of our love – today is the day! Congratulations to all Fathers, may St. Joseph be your guide, may God continue to give you paternal grace, and may you be grateful for the children you have gifted to the world. God bless you!

## Mission Statement

We profess our belief that Christ sent His Spirit to bestow gifts on His followers according to their part in carrying out His mission. We are committed to be visible signs to each other, and to our community, of Christ's Presence among us: proclaiming and evangelizing the Gospel, witnessing to God's love according to the Roman Catholic Church's teaching; ministering to the needs of all; and, fostering the spiritual life and growth among parishioners.

## MULL-ING THINGS OVER Continued

Please take some time to think about your relationship with God through the Eucharist. Wonder about how you might deepen that relationship. Encourage family members to be church-going members. Find the peace for which you are searching in Church and not simply in your personal prayer and charitable works. We will be offering a variety of opportunities in the coming year, be open and join us for some of them – you might be surprised as to what you discover!

## FAREWELL TO MARIE MILLIGAN

Next Sunday, June 26<sup>th</sup>, a reception will be held outside for Marie Milligan who is retiring as our Social Ministry Director. Following the 10:30 a.m. Mass, refreshments will be available outside St. Stephen's Rectory on the front lawn. You will be able to greet Marie and thank her for her service to our parish in the 32 years she has worked with us. Please feel welcome to join us, and enjoy the camaraderie, food and beautiful weather; and, bid Marie farewell with blessings. In case of inclement weather, the reception will be held in the rectory.

## Protecting the Earth, Our Common Home: Please Call the Governor

We did it! The environmental protection bill which our Diocesan Public Policy Committee endorsed this year passed both houses of the New York State legislature! This legislation would put a moratorium on new permits for an industry called proof-of-work cryptocurrency mining. This process uses enormous amounts of electricity generated by burning fossil fuels and also discharges heated water into streams. It is contributing to climate change and environmental destruction. Thanks to everyone who called legislators to ask for support. Now there's one more call to make, to Governor Hochul, to ask her to sign the bill, which is Assembly bill 7389C/Senate bill 6486D. Please call her at **518-474-8390** and keep speaking out for God's creation.

**Prayer Line - call 789-0930 between 9:00 a.m. and 2:00 p.m. and many will pray.**

## Welcome New Members

## ADORATION CHAPEL

"The Church and the world have a great need for Eucharistic worship. Jesus awaits us in this Sacrament of love. Let us not refuse the time to go to meet Him in adoration, in contemplation full of faith, and open to making amends for the serious offenses and crimes of the world. Let our adoration never cease!" (John Paul II, *Dominicae cenae*, 3)

If anyone would be interested in joining this tremendous ministry of prayer please contact Dorothy Kalina (789-8099) or Mary Ann Lawson (789-7629).

We had a lovely and lively Band Concert last night directed by Band Teacher, Bill Straub. It was nice to gather in the church and listen to our students play the music that they have practiced and perfected this school year. Isabella Humphrey and James Hay received certificates for the many years they each spent in the school band.

## Convocado por la Palabra

Cada domingo estamos reunidos al escuchar la Palabra de Dios. La invitación es para celebrar una Cena y compartir un pedazo de pan y una copa de vino. Jesús mismo nos invita desde hace muchos años al decir: “Tomen y coman, este es mi Cuerpo” y “comen y beban, esta es mi Sangre.”

Es el sacerdote quien repite esas palabras durante nuestra celebración Eucarística extendiendo la invitación a toda la asamblea—a la comunidad. Nosotros recibimos la invitación de comer y beber juntos. El comer y el beber son unidos a la fraternidad. Cuando estamos invitados a la casa de alguien para comer en su mesa, entendemos que es un signo de amistad y de fraternidad. Significa cercanía, acogida, fraternidad y amistad.

Eso de comer y beber juntos es algo social. Reunidos en fraternidad comemos el pan cotidiano ganado por el trabajo y los sudores, de la fatiga, pero a la vez es el pan del amor y que nos hace subsistir.

En la cena bebemos vino que se relaciona a la alegría de la celebración. Vemos que en celebraciones festivas hay un brindis. Sí, hay festividad en nuestra celebración los domingos y el uso de pan y vino indica una cena, pero no es una cena cualquiera. Es el banquete del Señor ofrecido a nosotros para alimentarnos feliz y espiritualmente. El Señor Jesucristo se nos ofrece a nosotros. Este es mi cuerpo; esta es mi sangre. Recibimos un alimento espiritual que nos fortalece. Es el cuerpo entregado y el vino es su Sangre derramada. Así podemos entender que Jesús está entregando su vida; no está protegiéndola. Día tras día Jesús está entregando su vida a nosotros. En vez de quitar la vida, el trabajo o el sustento de otros, Jesús está entregando la vida a otras.

Cuando comulgamos estamos diciendo “Amén” al Cuerpo entregado y la Sangre derramada. Es como si estuviéramos diciendo, “Yo comulgo con Él y con lo que Él hace.” Así Jesús nos pide un cambio de vida: para vivir más como Él vivió. Comulgamos con la persona de Jesús.

Intenten de pensar más en todo eso cuando se acercan a Jesús para comulgar. Jesucristo quiere entregarse a ti para ayudarte conocerlo mejor y para que puedas ayudar a otras personas mejor.

*Hermana Kay*
