No Greater Love a five-part Bible study program

Beginning for 5 weeks
Monday March 2nd 6:30pm and Tuesday March 3rd 9:15am
St. Lawrence Deacon Hall

We often hear about Jesus’ Passion and death in the Gospels, the Rosary, the Mass, the Stations of the Cross, and many other devotions. Because we hear about Christ’s Passion so often, it’s easy for us to lose sight of its profound significance. But imagine if you had never heard these stories before. Imagine experiencing them for the very first time, and realizing that Jesus is a real person who really suffered and died for you and for me so that we can have eternal life. We will be offering a Bible Study at our St. Lawrence that will help you to experience Christ’s Passion and Death as you never have before.

In No Greater Love: A Biblical Walk Through Christ’s Passion, we are going to walk step-by-step with Jesus on his journey from his Agony in the Garden to his Crucifixion on Calvary. Along the way, we will unpack the biblical background to these events, the prophecies, and most especially, the ways Jesus is inviting us to walk more closely with him today.

(please place in weekend collection).
Hello everyone, my name is Sarah Marron. I have been a parishioner here at Saint Lawrence Church for seventeen years. You might recognize me as an altar server at the 11:00 masses on Sundays. As a senior in high school, I am looking to make a difference in my community and in the world before I head off to college. For this reason, I am working with a non-profit organization called InterVol of Rochester to prevent viable, unused medical supplies that normally would be thrown away from adding to the plastic waste crisis our world is currently facing.

I will be holding a drive to collect these medical supplies for InterVol, where they will then be shipped to needy countries across the world. The drive will take place on Sunday, March 8th from 9am -- 1pm in Deacon Hall Room 3, where you can drop off medical supplies. A full list of accepted medical supplies is in the bulletin.

Thank you for supporting this important endeavor to help get medical supplies to those across the globe who desperately need them and to prevent more landfill waste. If you have any questions, please feel free to email me with questions. My email address is in the bulletin as well as the list of supplies you can donate.
My name is Sarah Marron and I am a senior at Our Lady of Mercy School. I will be collecting donations of medical supplies for my senior project. Please drop off items from the list below on **Sunday March 8th from 9-1** in Deacon Hall. Thank you for supporting this important cause that prevents medical supplies from ending up in landfills and brings them to those in need. If you have any questions, feel free to contact me at: **sm12795@student.mercyhs.com**

**OPEN YOUR HEART AND HOME**

to a Catholic exchange student from Spain or Germany

for the coming 2020-2021 school year

Volunteer host families (with or without children) as well as single parents are needed to provide food, a bed and a loving home for the coming school year starting in late August. EMF students have medical insurance, spending money for their personal expenses and expect to share their host family’s daily life including household responsibilities. They speak English, are well-screened and eager to experience life in America. Their stay here is sponsored and supervised by EMF (Educational Merit Foundation), a non-profit, educational exchange organization. For more information on EMF students, please call Marie-Claude Dijoud now at 1-800-467-8363 or visit our web site at [www.emfusa.org](http://www.emfusa.org)
