### Bishop LaValley Ordains Two Priests and Three Deacons

On Saturday, August 1, Bishop LaValley ordained five men to Holy Orders. The diocese has two new priests, Reverend Jude Nnadibughaga and Reverend Severinus Torwoe. Father Jude will continue serving the Catholic Community of St. Peter, St. Hedwig and St. Mary in Lowville. Father Severinus recently began serving at St. Peter's Parish in Massena. Our two new transitional deacons, Reverend Mister Matthew Conger and Reverend Mister John Kennedy Ojuok, will return to Christ the King Seminary to complete their studies toward priesthood. Deacon Donald Wilder is a permanent deacon, serving as Chaplain at the Watertown Correctional Facility and the Cape Vincent Correctional Facility. He also serves St. Patrick's, St. Anthony's and Holy Family parishes in Watertown. Please join us in joyful prayers for these generous men.

Ask of Jesus Whatever you desire, offer him your actions for the heart of Jesus is the gate through which we go to God and God comes to us. *Jules Chevalier, Le Sacre-Coer. P-26.*

### FROM THE DESK OF FATHER FRANK

#### Building Your House :

An elderly carpenter was ready to retire. He told his employer-contractor of his plans to leave the house-building business to live a more leisurely life with his wife and enjoy his extended family. He would miss the paycheck each week. But he wanted to retire. They could get by.

The contractor was sorry to see his good worker go & asked if he could build just one more house as a personal favor. The carpenter said yes but over time it was easy to see that his heart was not in his work. He resorted to shoddy workmanship and used inferior materials. It was an unfortunate way to end a dedicated career.

When the carpenter finished his work, his employer came to inspect the house. Then he handed the front-door key to the carpenter and said, "This is your house... my gift to you."

The carpenter was shocked!

What a shame! If he had only known he was building his own house, he would have done it all so differently.

So it is with us. We build our lives, a day at a time, often putting less than our best into the building. Then, with a shock, we realize we have to live in the house we have built. If we could do it over, we would do it much differently.

But, you cannot go back. You are the carpenter and every day you hammer a nail, place a board or erect a wall. Someone once said, "Life is a do-it-yourself project."

Your attitude and the choices you make today helps build the house you will live in tomorrow. Therefore, build wisely!

Our 4:30pm Mass of Anticipation will be Live Streamed on our Face book page!
