✍️ **FROM FATHER FRANK's DESK** ✍️

Forgiveness! Poor Peter, sometimes you never ask Jesus a question unless you are prepare for the answer. How hard it is to forgive. Forgiveness reminds me of how we are to love our neighbor as we love our self. For me the two are linked and it begins with ourselves. If we can't love our self, if we can't forgive our self how much more will the challenge be to love myself how much more will it be to forgive myself. This image to the right speaks volumes. It's all about freedom. Letting go, putting ourselves aside and letting God work in and through us. We are never truly free unless we allow God to free us and allow Christ words transform us.
