**SAFE ENVIRONMENT  
CORNER: Did you know?**

Did you know...taking away internet access because a child has made a mistake online rarely solves the problem. Taking away access in our current environment would likely do far more harm than good. Beyond affecting a child's ability to complete distance-learning tasks, it would all but completely isolate them from friends and other family; a support system that is essential right now. If you must, **limit access** (shorter window for digital socializing, gaming, restricted use to certain public areas of the house, etc.) **rather than** removing it entirely.

**FREE ONLINE CONFERENCE:

### ***No matter your faith, you count!***

Now more than ever, it's imperative that we get an accurate count of each and every person residing in our country. The 2020 Census affects your voice in government, the funding your community receives and how your community plans for its future. Please complete your 2020 Census and encourage your friends and neighbors to do so, too. All information is securely protected and will not be shared. Make your voice heard. No matter your faith, you count! Respond now at [2020census.gov](http://2020census.gov) or call **1-844-330-2020**. Census completion assistance is also available locally through the North Country Library System at **315-782-5540**.

Please leave your kneeler down when leaving the church. This will tell us which pews to clean before the next mass. Volunteers needed after each mass to help spray the pews. Spray can be found in Dostie Hall.
