

# The Church of Our Lady of the Sacred Heart

320 W. Lynde Street, Watertown, NY 13601

January 2, 2022

As we prepare for the celebration of the Feast of the Epiphany, let's take a moment to pray before the manger to let the vulnerability of God soften and disarm our hearts and awaken our hope for the possibility of creating a better world.

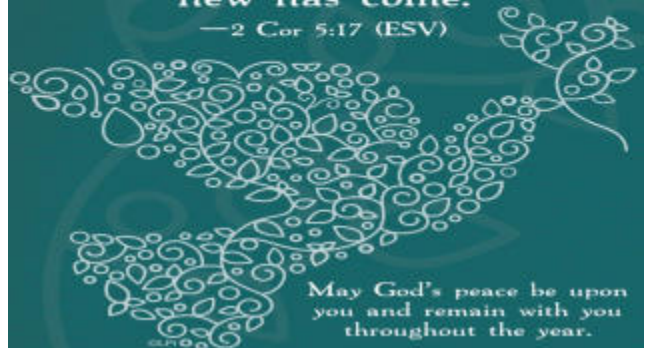

## Hope

**Care of Creation**  
[rcdony.org/aboutdiocese/laudato-si.html](http://rcdony.org/aboutdiocese/laudato-si.html)

Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come.

—2 Cor 5:17 (ESV)

May God's peace be upon you and remain with you throughout the year.

# The Church of Our Lady of the Sacred Heart

We are a family of faith gathered in **Mission Statement** the name of Christ the Lord, united in the grace of the Holy Spirit and celebrating our heavenly Father's love. Nourished by the Sacraments and prayer, we commit to reaching out to everyone, especially to those most in need.

## Looking to The Stars

The weather now is getting all the colder, yet do we ever stop and look to the night sky when it's really cold out and it's at night, I'm betting not so much. The Christmas season arrived on the scene just over a week ago and also for all of us who live in the northern hemisphere our morning simultaneously begin to grow too. We gain a bit more sunlight every day.

The magi they were able to notice the signs of the world and cosmos around them, "And behold, the star that they had seen at its rising preceded them, until it came and stopped over the place where the child was. They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage." Are we able to notice what is happening all around us? Are we able to notice what is most important in the simple moment of our days?
