Welcome to May! We come once again to a month traditionally dedicated to the honor of Mary, the Mother of God. In our hemisphere, this is the month when so much life really begins to burst out, after a long winter. God began to break the very long "winter" of sin and death through the motherhood of Mary, which was the first soft breeze of a springtime of new life. In other words, spring can remind us of the great gift we receive, our Savior in this world, through the Blessed Mother, Mary. As we continue to make progress toward a "post-pandemic world" - and that cannot come quickly enough for most of us! - let us bring our cares and concerns to the Mother of God. She knows, she cares, and she - along with her husband St. Joseph - will draw us near to our Savior in all our needs. ~ Fr. Mark

Flags to be Flown at Cemeteries
