## Gospel Meditation

*Encourage Deeper Understanding of Scripture*

**August 8, 2021**

**19th Sunday in Ordinary Time**

The lens through which we view life makes a difference. It also determines who we choose to learn from and what we allow to shape our thoughts and feelings. For many, life is simply what it appears to be, a given that either through evolution or some other means just came to be. There is no apparent rhyme or reason to things and things can be dissected and understood only in terms of what they empirically present. To the person using this lens, a tree is a tree and a flower is a flower. Their composition and existence can be understood only to the extent that current human knowledge allows. Through this lens, what gives life purpose and meaning? This lens has an essentially unknown beginning and definite end. Once those are accepted, the middle becomes some kind of pursuit of happiness, with values and principles being things that are self-created and found acceptable.

But there is a Divine lens that also exists and deserves mention. It is found when one stumbles upon faith and begins to see things differently. This lens is of God and reveals a Divine Energy and Life that flows through and in all things. Faith then shows us that all that lives come from this one Source of Love. This is the only true lens that can give human beings the purpose and meaning they desperately need. From this perspective, all of life is much more than what is immediately apparent! It now tells and reveals a story about God generous, creative, and unconditional love! The unfolding of the human story is the unfolding of God's story. What meaning our lives have when they are viewed as a part of God's love affair with humanity! We are indeed special.

The lens of our faith asks us to learn from Jesus Christ. Jesus, as the real Bread of Life, shows us our eternal destiny and completes and frames our lives. It is only in allowing ourselves to be taught by Jesus, that faith, hope, and love take on much greater importance. All the relationships in our lives are now structured and ordered using God's primary commandment of love. Jesus, then, is not just some man who lived at some point in history. Jesus is the incarnate Son of God who shows us the way, the truth, and the life. Using this lens changes things up a great deal. Looking at the creation that surrounds you and the special unique people you love, what is God trying to teach you about His love for you and the eternal life He wants you to have?

Have a Blessed Week,  
-Father O'

**19th Sunday in Ordinary Time**

My Dear Friends in Christ,

I would like to take this opportunity to thank all of you who participated in the open forum Town Hall Meetings earlier this month. Your enthusiastic contributions to the meetings were invaluable! Thanks, too, to members of the staff who stepped up to assist in preparing for the meetings so that they ran smoothly!

The presentation of the subcommittee at the meetings has been filmed; the link will be available on the parish website from July 31<sup>st</sup> through Labor Day for anyone who was not able to join the meeting but is interested in the content of the presentation. It is about 30 min. long. Anyone who wishes to add additional comments may do so via the following email address, [info@ihmsjw.org](mailto:info@ihmsjw.org).

Please pray for God's guidance as the Parish Council continues to prayerfully discern decisions that are in the best interest of Epiphany Parish according to God's plan. We hope to come to a final decision sometime in mid-fall. Let us go forth with truth on our minds, gratitude on our lips, and hope in our hearts as we move forward to where our God is inviting us to go.

Sincerely Yours in Christ,  
Fr. O.

**Thank you for your support!**

The R.C.I.A. is a process of spiritual conversion and growth, over time, in one's relationship with God and the church.

Are you searching for "something more?" Are you seeking answers to life's deepest questions? Are you wanting to belong? Then, the R.C.I.A. might just be for you.

It is a faith journey where adults are fully welcomed into the Catholic Church. If you're interested in exploring a close relationship with Jesus Christ; inquiring about the Catholic Church; becoming Catholic; and being fully initiated into the Catholic Church through the celebration of the sacraments of Baptism, Confirmation and Eucharist. Come learn about the unconditional love of our Creator and Redeemer.

For further information please call Mike Tubbert at 315-569-5960 or email him at [rcia@ihmsjw.org](mailto:rcia@ihmsjw.org).
