A Message from Our Bishop

January 23, 2022

Dear Sisters and Brothers in Christ:

One might ask: “Is there a declared war on the pre-born?” It is unlikely that there ever existed a war with one side totally and completely incapable of any form of self-defense whatsoever. That is the dilemma of the preborn today. Our nation will never be a “shining city on a hill,” as President Ronald Reagan once said, as long as the bottom of that hill is littered with the corpses of tens of millions of its innocent pre-born babies.

My sisters and brothers, we now live in a society that speaks persuasively about protecting the environment and rescuing species on the brink of extinction. But then it promotes and funds the mass killing of unborn children and contemplates the killing of the sick and elderly in the name of their “dignity.” A persevering effort is needed to present to God our united will to put an end to the carnage resulting from abortion.

Today, people of faith are facing a multitude of threats to religious liberty. Bringing our religious beliefs to bear on public policy is not just a privilege, but a right. Regardless of what some of our political leaders say, Believers can't be silent in public life and be faithful to Jesus Christ at the same time. ***Equality begins in the womb!***

The Church of Ogdensburg continues to hear the silent scream of the baby in the womb and seeks to defend and protect the right to life of every child. Colleen and John Miner, Directors of our Respect Life Office, coordinate the steps we take in promoting and protecting the dignity of every human life.

Every year at this time, we are given the opportunity to support the effort this local Church makes in promoting the Culture of Life. *Gabriel Project, Elizabeth Ministries, Rachel's Vineyard*, as well as organizations such as the Legion of Mary, Birthright, the Knights of Columbus and Catholic Daughters, in addition to our own Respect Life Office, are just a few of those who support life at all stages. In “normal” (i.e., non-pandemic) years, this collection also supports the Youth Buses for Life for participants at the March for Life in Washington, D.C. Other grants support educational programs, Catholic radio in the Adirondacks and various Pro-Life programs.

Thank you for your prayers and generous support of the 2022 Respect Life Collection and for all your efforts to build a Culture of Life by changing hearts and minds.

Faithfully yours in Christ,

Most Reverend Terry R. LaValley
Bishop of Ogdensburg

3RD SUNDAY IN ORDINARY TIME

[Readings: Neh 8:2-4a, 5-6, 8-10/1 Cor 12:12-30 or 12:12-14, 27/Lk 1:1-4; 4:14-21](#)

Today, this scripture passage is fulfilled in your hearing. Jesus is the fulfillment of the OT scriptures. He is the one who brings glad tidings to the poor, proclaims liberty to captives and recovery of sight to the blind, lets the oppressed go free and proclaims an acceptable year to the Lord. This year, and every year, we celebrate another acceptable year to the Lord. We are baptized in Christ, incorporated in his body the Church. How do we live this scripture? How do we bring glad tidings to the poor? How has Jesus set us free to announce the Good News? Tell your story and share the Good News!

Who needs Jesus?

Many today say that they don't have a need for Jesus. They go to work, have homes, put food on their tables, raise families without His help. In fact, daily activities go on but the world can't really make sense without Him.

Truth. The truth is in Christ, *"in whom are hid all the treasures of wisdom and knowledge"* (Colossians 2:3). We cannot understand the truth without Him. To make sense of the world, we need Jesus to lead us.

Life. The life we have will eventually end. To keep living, we need Jesus. *"I am the way, and the truth, and the life; no one comes to the Father, but by me"* (John 14:6). Eternal life comes through Him.

Death. None of us escapes death. Yet, in the Resurrection, Jesus defeated death for us. It didn't hold Him and He offers the gift of life to each of us if we live in Him.

Sin. Even the holiest of us sins. Without Jesus, what becomes of us? He *"gave himself as a ransom for all"* (1 Timothy 2:6). If we don't accept His price, our sins come back to us for eternity.

Fall in love with God

From the moment God created you, he has been deeply in love with you. He made you deliberately so he could love you.

"Before I formed you in the womb I knew you"
(Jeremiah 1:5).

He waits for you like a parent anticipates the return of a beloved child. Don't let Him wait long.

"But God, who is rich in mercy, because of the great love he had for us, even when we were dead in our transgressions, brought us to life with Christ"
(Ephesians 2:4-5).

DID YOU KNOW...

Thoughts To Remember: Life is Short

My last thought to share with you is for me to keep in mind that **The Journey Is Short. Overlook Insignificant Annoyances.** It is best captured in the following story from an anonymous author...

The Journey Is Short

An elderly woman got on a bus and sat down. At the next stop, a strong, grumpy young woman climbed up and sat down sharply beside the old woman, hitting her with her numerous bags.

When she saw that the elderly woman remained silent, the young woman asked her why she had not complained when she hit her with her bags.

The elderly woman replied with a smile: "There is no need to be rude or discuss something so insignificant, as my trip next to you is so short because I am going to get off at the next stop."

This answer deserves to be written in gold letters: **"There is no need to discuss something so insignificant, because our journey together is too short."**

Each of us must understand that our time in this world is so short, that darkening with struggles, useless arguments, jealousy, not forgiving others, discontent and an attitude of constant discovery is a ridiculous waste of time and energy.

Did someone break your heart? Stay calm. The trip is too short.

Did someone betray you, intimidate, cheat or humiliate you? Relax. Excuse. The trip is too short.

Did someone insult you without reason? Stay calm. Ignore it. The trip is too short.

Did a neighbor comment on the chat that you didn't like? Stay calm. Ignore him. Forgive that. The trip is too short.

Whatever the problem someone has brought us, remember that our journey together is too short.

No one knows the length of that trip. Nobody knows when it will arrive at its stop. Our trip together is too short.

We will appreciate friends and family.

Let us be respectful, kind and forgive, we will be filled with gratitude and joy, after all our trip together is very short.

Share your smile...our trip is VERY short.

*"A person's wisdom yields patience;
it is to one's glory to overlook an offense."*
Proverbs 19:11
