Dear Friends,

Happy New Year!

Today we celebrate Epiphany, when we recall the story of the magi coming to worship the infant Jesus in Bethlehem. In some cultures the Feast of Epiphany is the main celebration of the birth of Christ because it shows that Christ came to save all people.

Famously the magi brought him gifts. That raises the question of "what gift do I give to Christ?" God seeks not gold, frankincense or myrrh from us, but the gift of ourselves. That can be the basis of a good New Year's resolution in which we resolve on one way we plan to share God's love with others. An example of that could be volunteering to work on a Habitat for Humanity house, or any other volunteer opportunity that benefits others. Another gift of yourself could be resolving to reach out to people who are lonely or going through a hard time and letting them know you care. The beginning of a new year is a good time to consider how I can share the love and forgiveness I receive from God with others.

*May you and your family have a blessed New Year,
Fr. Gary Tyman*

REQUESTING MASS INTENTION STREAMLINED

The practice of requesting a Mass to be offered for loved ones, living or deceased, is a beautiful and meaningful part of our Catholic tradition. Our cluster attempts to honor all requests to the best of our ability and in accordance with the Code of Canon Law for the universal Catholic Church. Mass Intention Request Envelopes can now be found near the door to each Cluster Office. To request a Mass, complete the envelope in its entirety. A \$10 stipend is suggested for each Mass intention, although not required. If a donation is desired, please place in the envelope and seal. Completed Mass Intention envelopes can be placed in the collection basket, given to Church personnel or placed in the Church office. There is an example of the envelope below. Generally, Mass intentions will be published in the cluster bulletin and announced at each Mass. Any questions can be directed to Elizabeth Staffieri, Cluster Administrative Assistant.

Environmental Committee

E-waste (electronics waste) is one of the fastest growing solid waste streams in the world. The amount of waste generated is exceeding recycling rates by a factor of five, and the gap is growing. Electronics contain many reusable metals and elements that otherwise would be mined from virgin sources. Improper disposal can also create health and local ecology hazards.

Christmas is sure to bring new electronic devices into your house to replace outdated ones, and result in old, discarded Christmas lights. Monroe County Eco-Park accepts all manner of electronic waste, including Christmas tree lights. Retail stores such as BestBuy, Staples, etc. and local recycling centers also accept electronics through recycling and trade-in programs.

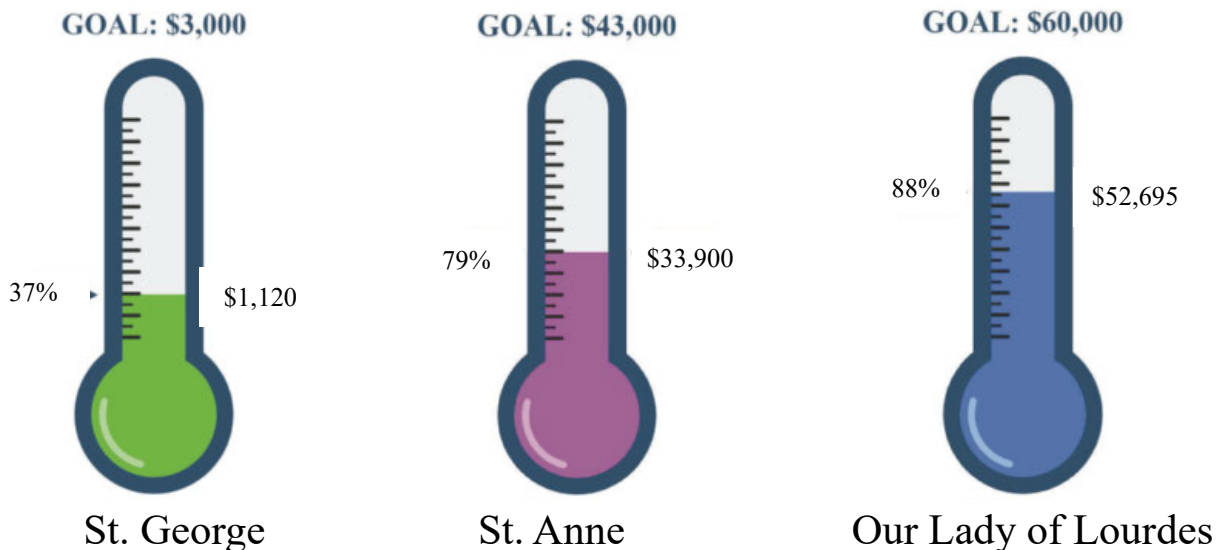

For more information on e-waste recycling, and Eco-Park drop off hours and what's accepted, visit: <https://www.monroecounty.gov/ecopark-electronics>

Devotion of the Month

The Month of the Immaculate Conception

The month of December is dedicated to the Immaculate Conception of the Blessed Virgin Mary. Chosen before time to be the Mother of God Incarnate, Jesus Christ, God created Mary perfect and full of grace, preserving her from the stain of Original Sin.

Mary

Immaculate is the most beautiful fruit of the work of redemption accomplished by her Son, thereby making her the perfect model of holiness for all Christians.
