Gospel Reflection—October 3rd, 2021

The three words, “From the beginning...” in this week’s Gospel, are key words for our day and age. It is important for people of faith to recognize not only the supernatural gifts God has given us but also the natural gifts. The supernatural gifts are all those gifts given to us by the Cross of Christ -salvation and Heaven! But there is a whole other order of “gifts” that God gave us that we often take for granted. That’s the gift of nature.

Creation itself, the order of the Universe, our humanity and the natural design of God are all gifts. Science can do much to discover the secrets and mysteries of the natural world, but ultimately a full understanding of the natural world is mysterious. One aspect of the natural world is that “God made them male and female...” This design is part of the glorious wisdom of the Creator and must be understood and respected fully as gifts. The attributes of our personhood cannot be discarded or denied. Reflect today upon the ways that these natural gifts are challenged and undermined in our world today. Embrace who you are, and who God made you to be, and let that natural gift from God flourish in your life.
mycatholic.life

Lord, I thank You for Your countless gifts. Thank You for the gift of grace won by Your Cross, and thank You also for the gift of nature and for the way You made me. Help me to embrace my full identity in accord with Your design and, in that embrace, help me to continue to discover my very dignity. Jesus, I trust in You .

Mary, Mother of Our Savior Parish

ALTAR SOCIETY TO RESUME

As we are returning to some sort of normalcy, many of the ministries in our parish are starting back up again, requiring volunteers. One of these ministries is the ALTAR SOCIETY. It involves one month out of the year, usually one day a week. We work in teams of two, sometimes more.

To find out more details regarding this rewarding ministry, please contact: **JoAnne Hughes**

WORD SEARCH PUZZLE

The Gospel this weekend tells us the story of CREATION! But before God created the animals or the trees or the sun, everything was empty. There was nothing—nothing except for God, who has always been and will always be. Ever since creation, God has been working to tell His story to the world and to invite every person to know and love Him.

In the beginning, God created the heavens and the earth.

The Bible tells us God’s Spirit hovered over the waters. He was in control of everything that would happen. His story continues today! God spoke, and with His words He began to create the world. God said, “Let there be light,” and there was light. God separated the light from the darkness, and He saw that it was good God continued by creating the land and the oceans, plants—fruit trees and flowers and bushes. God created the sun, the moon, and the stars, animals on the land, fish in the sea, and birds in the air. **Then God created people in His image.** He used dirt from the ground to form a man. Then God breathed into the man, and he lived! Then God created a woman to be the man’s partner. He took a rib from the man and made a woman to be his wife. We know them as Adam and Eve.

God put Adam and Eve in the garden of Eden, a beautiful place where they could live and take care of the things God had created. In the garden, they enjoyed a perfect relationship with God and each other.

OUR STRUGGLE FOR COMMUNITY

Perfection is the enemy of the good and what we over-idealize will invariably disappoint and frustrate us. And that’s exactly our difficulty with community – with marriage, with family, with church, with friendship, with civic community. Simply put, we’re often unable to sustain community because we have false notions and false expectations as to what constitutes it. An overly romantic notion clouds our vision that we rarely even recognize real community when we see it. Christian community, as Christ defined it, is apostolic community, life together in the Holy Spirit, which is something quite other than what the romantic imagination spontaneously imagines. Here are some things that Christian community is **not**:

- Mutual compatibility, like-minded individuals gathering on the basis of liking each other.
 - Huddling together in fear or loneliness, lonely or scared people ganging up against a cold and hostile world.
 - People rallying around a common task or cause, people brought together because they share a common passion or ideal.
 - Family, understood in the romantic sense, people brought together through psycho-sexual attraction.
 - Family, understood in the biological sense, people bonded through blood.
 - A common roof, people brought together because they live in the same house, eat at the same table, or sleep in the same bed.
- None of these are bad and each in fact makes for a certain kind of community. However, none of them touches the essence of Christian community. What is that? Simply put, it is a gathering around the person of Christ in a way that displaces our selfishness so that we begin to live in a charity, joy, peace, patience, goodness, long-suffering, faith, constancy, mildness, and chastity that make it possible to precisely live with each other beyond differences, fears, and incompatibilities.
