50th Anniversary Prayer

Almighty God, you have blessed the People of Pope John XXIII Church with a spirit of community, faith, hope and love. We thank you for all those who have ministered to our parish, as well as the founders who were guided by our Patron Saint.
As we grow in our linkage with Christ the King and the Liverpool Community, may we continue to embrace the message of the Gospels and Vatican II. We pray through the intercession of our Patron Saint, Pope John XXIII, for continued guidance and blessings as we celebrate our 50th Anniversary. We ask this through Christ our Lord. Amen.

Per New York State - Masks are REQUIRED in all public spaces

POPE JOHN SERVICE PROJECT FOR JANUARY

Throughout January the Pope John Service Project will be to collect donations for the Samaritan Center—an interfaith program working to fight hunger in CNY by serving meals to anyone in need 7 days a week.

There are white lunch bags located at the entrances. Each bag will list non-perishable items. "GRAB A BAG" then fill and return the bag with those items.

For those not grabbing a bag, the Samaritan Center can use the following items: *Granola/Breakfast Bars, Individual Snack Packs, Cookies, Fruit Cups, Juice*

You can still contribute to the Pope John Food Pantry, but all white bags returned to the church will go to the Samaritan Center during the month of January.

Thank you so very much for your continuous support!

A Note from Father Zach:

I would like to take a moment and address a pastoral question that has been brought up to the Liturgy Committee. The question is that after the "Lamb of God" what is the proper position? Is it to kneel or stand? This is a great question and needs to be addressed with prayer, compassion, and charity. This is a great opportunity to look at the wider needs of our community within the Pastoral Care Area of Liverpool and the Diocese. It may seem like a simple question but it isn't. We need to keep in mind the customs that parishes have grown up with while also respecting the general instruction that has been in place on a national and Diocesan level. The standard of Dioceses within United States is that we should kneel after the Lamb of God if the people are able, they may stand if for reasons of health, lack of space, large number of people or for another reasonable cause that is determined by the local Diocesan Bishop.

This simple question is a great moment to understand that in the future, the Liverpool area will most likely be two or one churches as one parish. Also, as we look at ourselves, we are part of the greater Catholic Church of Syracuse and the world. Yes, we need to recognize our individual differences, but we also need to see ourselves as one. When we see ourselves as one, we truly become a community that is part of the greater whole of the Catholic Church. It is something that is beyond just kneeling or standing, it is about identity and how do we envision ourselves in the future.

I have written Bishop Lucia and asked for clarification and have reached out to our neighboring pastors about being in collaboration with one another. May we be patient with one another and understand this is a moment of growth in our faith but also helps us travel into the reality of the future. All questions and concerns are vital and can help us find the middle road.

God Bless, Father Zach
