Announcements...

YOUR PRAYERS ARE REQUESTED at all Masses celebrated this week for an end to persecution, our church, for vocation to the religious life, for an end to abortion, for the needs of the Parish, for our sick at home, in nursing homes and in the hospitals, for American Armed forces and Veterans, for world peace, an end to terrorism, and an end to the coronavirus pandemic.

A FAMILY PERSPECTIVE— In today's gospel Jesus asked Simon to start by "going a short distance." Later he asked Simon to "go into deeper water." The first step toward reconciliation is usually a "short distance" which gives us the courage to go further "into deeper water." Reconciliation starts with the first short step!

IS GOD CALLING YOU? Jesus said to Simon: "Put out into deep water and lower your nets for a catch." and then, "Do not be afraid; from now on you will be catching men." This short phrase to Simon is an invitation to leave everything behind and follow Christ. If you feel God is calling you to the priesthood, please call Father Jason Hage (315) 470-1468, or write: vocations@syrдио.org

CONGRATULATIONS to our children who received the Sacrament of Reconciliation for the first time during a Penance Service prepared especially for them and their families on Saturday, February 5th. A special word of thanks to their catechists, Seminarian Pawel Zmija, and to their parents.. Let us remember in prayer the children, their parents, Fr. Baranski, and one another, as we reflect on the great gift of God's love and forgiveness received in this sacrament. The children celebrating the sacrament are:

Why Register? Often people attend Mass at a parish for months or sometimes years, but never officially register as a parishioner. Registering at the Basilica of the Sacred Heart of Jesus is the expression of your commitment to being part of our parish community. Being a registered parishioner also makes the process much simpler when it is time for receiving sacraments, registering for religious education, sponsoring a sacrament recipient and even planning funerals.

Top Reasons to Register at a Parish

- A sense of belonging and identity in a parish community.
- It is a commitment to practice your faith.
- Registration enables the parish pastor and staff to get to know you better, to welcome you a to minister to you.
- Registration helps you stay connected with your parish and helps your parish stay connected with you. Providing your contact information is important so that parishes provide you timely updates via direct mail, phone, etc. Also, if use offertory envelopes or online giving, you will also receive a year-end statement of your donations for income tax purposes.

Once you are registered, please notify the parish office of any changes in address or phone number.

If interested in joining our parish, please pick up a census form in the racks in the vestibule or call the parish Office at 315-422-2343, and we will mail you a form.

**GOSPEL MEDITATION - ENCOURAGE
DEEPER UNDERSTANDING OF SCRIPTURE**

**February 6, 2022
5th Sunday in Ordinary Time**

“Depart from me, Lord, for I am a sinful man,” these words, uttered by Simon Peter, can be found on any one of our lips. What real significance do I have in the big picture of God’s Divine plan? Even though we try our best to hide it, we all suffer from a lack of faith. We get tired, confused, and often lack any sincere desire to put anything into our relationship with God. It’s easier to simply reap whatever benefits the world has to offer and call it a day. Floating along on the superficial currents of life doesn’t require much effort and seems to get us through the day. Confronting our own infidelity, apathy, weakness of spirit, and doubt in God’s providence, how can we even remotely be considered a worthy vessel of God’s presence or credible voice for His message?

This is the irony of faith. God doesn’t seek the perfect vessels. He likes the broken ones. There is something to be said about living honestly and sincerely, and wrestling with sin, imperfection, and weakness rather than skipping through the peripheries of life with pretention, arrogance, and mendacity. If we believe ourselves to be our own “god” and serve only ourselves, we close the door to ever being used by the real and only True God. But, if we at least acknowledge that there is One greater than ourselves, then even in our deepest poverty and lowliness, God can enter.

Lessons are best learned from those who suffer. Only someone who has been lonely and lost can attest to the beauty of both Divine and human friendship. Only those who have really lost their way know what happens when they are found. Only those who are afraid know what it is to be calmed by God. The Gospel is messy because life is messy. There are no black and white solutions to problems and challenges that are hazy and gray. When our hesitancy to encounter God gets replaced by friendship with God, we become more aware of our dignity and the fact that we are loved just as we are. We cannot be afraid to share our struggles, reservations, fears, and sinfulness with others. Our genuineness and sincerity will speak of the God who blesses us in our weakness.
