THE MOST HOLY TRINITY

FIRST READING

This is why you must now know, and fix in your heart, that the LORD is God in the heavens above and on earth below, and that there is no other. (Dt 4:39)

PSALM

Blessed the people the Lord has chosen to be his own. . (Ps 33)

SECOND READING

Those who are led by the Spirit of God are sons of God. For you did not receive a spirit of slavery to fall back into fear, but you receive a Spirit of adoption, through whom we cry, "Abba, Father!" (Rom 8:14-15)

"And behold, I am with you always, until the end of the age." (Mt 28:16)

WHY WE DO WHAT WE DO

Anointing of the Sick

Question:

If it isn't only for people who are dying, when should someone receive the Sacrament of Anointing of the Sick?

Answer:

One of the unfortunate realities in the Church today is that so few people understand the meaning and value of the Sacrament of the Anointing of the Sick, largely because so many people still mistakenly think of this sacrament as "Last Rites" or "Extreme Unction."

In his life and ministry, Jesus healed the sick. In this sacrament, the Church continues the healing mission of Jesus and, in hope, prays that God will grant healing to the person who is suffering. But even if there is no physical healing, the sacrament offers spiritual healing through the Holy Spirit's gifts of peace and courage. And so, anyone who is living with serious illness (including emotional or psychological illness) and the elderly are encouraged to celebrate this sacrament when it is needed.

The ritual for Anointing of the Sick does also include special prayers and blessings for those who are facing death, including viaticum (communion given to the dying, trusting that the Lord Jesus will be their companion along the way, as they make their final journey).

St. Mary Magdalene de Pazzi
1566—1607

Catherine de Pazzi was born into a rich, powerful Italian family. She could have had anything she wanted, including a wealthy husband to care for her. Yet she turned away from this life to pray by herself.

When Catherine pronounced her vows as a member of a Carmalite community, she chose the name Mary Magdalene because she knew what a beautiful friend to Jesus Mary Magdalene was, and how he chose Mary to deliver the news that he had risen from the dead.

Sister Mary Magdalene was a woman of very deep prayer, experiencing at times a state of ecstasy in which she received a special union with Gid. Individuals who experience these states are referred to as “mystics.”

She became a leader in her community, especially when it came to working with the young sisters. Her deep prayer life was a great example to them.

Although her experiences of prayer brought her joy, they also brought pain both spiritual and physical. She went through five years of spiritual dryness, and her health was far from good. She died at the young age of 41.
