Faith Formation

Many thanks to the families who brought their children to faith formation this year. Despite obvious challenges, the Good Lord finds ways to permeate through. We were grateful to share the faith with your children!

We would also like to thank our Catechetical leaders, Teale and Mary for sharing your time and talents with all of us! With your guidance, we have a thriving faith formation program here.

A huge THANK YOU to all of our volunteer faith formation catechists. We very much appreciate your desire to share the Catholic faith with the youth of St. Mark's. Because of you our parish is spiritually richer! Recall Notice

The Maker of all human beings (GOD) is recalling all units manufactured, regardless of make or year, due to a serious defect in the primary and central component of the heart.

This is due to a malfunction in the original prototype unit's code named, Adam and Eve, resulting in the reproduction of the same defect in all subsequent units.

This defect has been identified as "Subsequently Internal Non-morality," commonly known as S.I.N.

Some of the symptoms include:

- 1. Loss of direction 2. Foul vocal emissions 3. Amnesia of origin 4. Lack of peace and joy 5. Selfish or violent behavior 6. Depression or confusion 7. Fearfulness 8. Idolatry 9. Rebellion

The Manufacturer, who is neither liable nor at fault for this defect, is providing factory-authorized repair and service free of charge to correct this defect.

The Repair Technician, JESUS, has most generously offered to bear the entire burden of the staggering cost of these repairs. No additional fees.

The number to call for repair is: P-R-A-Y-E-R. Once connected, please upload your burden of SIN through the REPENTANCE procedure.

Next, download ATONEMENT from the Repair Technician, Jesus, into the heart component. No matter how big or small the SIN defect is, Jesus will replace it with:

- Love - Joy - Peace - Patience - Kindness Goodness - Faithfulness - Gentleness— Self control

Please see the operating manual, the B.I.B.L.E. (Basic Instructions Before Leaving Earth) for further details on the use of these fixes.
