2021-2022 Cold Relief Assistance Massachusetts Department of Housing

MA FUEL ASSISTANCE GUIDELINES:

Household Size	Gross Annual Income
1	\$40,951
2	\$53,551
3	\$66,151

Energy Saving Tips: • Caulk and weather-strip doors and windows that leak air. When home, turn down the heat to 68° F or as low as comfortable. When you are asleep or away from home, turn thermostat back 7° to 10° for eight hours and save as much as 10% a year on your heating and cooling bills. Consider getting a programmable thermostat. Turn down the temperature of your hot water heater to 120°. Have your oil-fired heating system serviced annually or your gas-fired heating system serviced every three years. Clean or replace furnace filters every other month. Keep the fireplace flue damper closed unless a fire is burning. Check that warm air registers, baseboard heaters and radiators are not blocked by furniture or drapes. Close your curtains and shades at night; open them during the day.

If you have questions about the above program or your health insurance, please reach out by calling social services at the Senior Center at 781-834-5581.

AFFORDABILITY CONNECTIVITY PROGRAM

Would you like to save \$30.00 a month off your broadband bill?? Would you like free cell phone service?? The possibility of a discounted laptop or a free tablet?? A program through the federal government called The Affordability Connectivity Program may be able to help you! If you qualify for federal public housing, the lifeline program, Mass Health or SNAP benefits, you may qualify! There is also income based eligibility. This program replaces the Emergency Broadband Benefit and changes it to a permanent program. For more info, contact Judy or Ken in Social Services at 781-834-5581.

MEDICAL SUPPLIES AND EQUIPMENT

The Senior Center has a supply of adult incontinence products available as well as medical supplies and durable medical equipment. Please call the Center at 781-834-5581 or stop by the front desk and ask for Judy or Kristen.

DIRECTORS CORNER

What a difference a month makes! The weather is becoming milder and the daylight is longer for everyone to enjoy. As you may have noticed from our front cover, the Senior Center has a new look. We are enjoying our new entryway and have just received a temporary occupancy for the second floor. Everyone must enter through this main entrance so that you can sign in. We are still working on refining our front door set up to optimize entering and exiting and we thank you for your patience with this.

Our indoor exercise equipment has arrived and we are working on a plan to help orient people to the many workout options that we have. Another new program is the café which opened on March 16th and will be serving breakfast and lunch items skillfully made by Food Service Manager, Jim Lowell. We should have most of our new furnishings at the beginning of April for all of you to enjoy! Our spring Lifelong Learning kicks off on April 25th so think about signing up and learning a new skill and or new topic such as in our Great Decisions group or maybe a history class. Finally, we do not have a date for our grand opening celebration yet but will advertise it in the May newsletter.

Look forward to seeing all of you at our newly improved and expanded Senior Center,
Carol Hamilton

RESERVE YOUR "RAISED GARDEN PLOT"

Sign up begins Monday, May 2, first come, first serve. Any Marshfield senior citizen is eligible to grow vegetables or annual flowers (NO perennial plants) in one of the raised beds located near the back door of the Senior Center. The only person who can harvest fruits, vegetables or flowers from the raised beds is the person who planted and cultivated them. The soil is enriched with organically certified compost and the gardens are very fertile. You must weed and water your space. Water is available from a nearby outlet and hose. The location gets full sunshine. With the use of trellises it is possible to grow crops like beans over a small plot of land. Planting can begin during the month of May once you are assigned a plot. The beds will close at the end of October when the outside water supply is turned off. **If you are interested in planting in these raised beds in 2022, please sign-up at the front desk.** Each participant will receive an assigned area by Gwen Frazier who will contact each person on the list. The plot will consist of half a bed only (8 available spots). You will also be responsible for cleaning and clearing up the bed at the end of the growing season. Thank you to Gwen for helping coordinate this project.

THE GIVING TREE—Great News!! The Giving Tree has been installed and looks terrific! The official unveiling will be at the Senior Center Open House in the Spring and will reflect those leaves displaying family names, businesses or organizations, a message in memory of a departed loved one or a message recognizing a thoughtful friend or family member. However, if you want to drop by and Senior Center and take a peek, please do so.

Donations for engraved leaves are currently being accepted and range from \$100 for a Green, \$250 for Bronze, \$500 for Silver and \$1000 for Gold. Each leaf has space for up to four lines of 20 characters engraved. The Giving Tree is the most memorable and lasting way to pay tribute to a business, an individual or their memory. For information on how you can add a leaf to the Giving Tree, take an application placed beside the Giving Tree, visit our website at www.marshfieldcoabooster.org or call the Coordinator, Liza Corbett, at 617-699-7927.

Thanks to BetterWOMAN, I'm winning the battle for Bladder Control.

Frequent nighttime trips to the bathroom, embarrassing leaks and the inconvenience of constantly searching for rest rooms in public—for years, I struggled with bladder control problems. After trying expensive medications with horrible side effects, ineffective exercises and uncomfortable liners and pads, I was ready to resign myself to a life of bladder leaks, isolation and depression. But then I tried **BetterWOMAN**®.

When I first saw the ad for BetterWOMAN, I was skeptical. So many products claim they can set you free from leaks, frequency and worry, only to deliver disappointment. When I finally tried BetterWOMAN, I found that after 2-3 months it actually works! It changed my life. Even my friends have noticed that I'm a new person. And because it's all natural, I can enjoy the results without the worry of dangerous side effects. Thanks to BetterWOMAN, I finally fought bladder control problems and I won!
