Inclement Weather Closings Meal-site Program

It is time to provide you with some important information regarding the Benjamin Church Senior Center closing or delayed due to inclement weather. The decision to close or delay is made by Senior Center's Director Maria Ursini. Safety is our primary consideration when making a determination on whether to open or close the Senior Center during challenging weather situations. Please understand that these very difficult decisions are made based on a number of factors including weather forecasts, as well as street, and parking lot conditions. Safety to our volunteers and staff are always our main priority. If inclement weather occurs and the Senior Center has to cancel its lunch programs this information will be listed on your local Television station and local radio stations. There will also be a post on our Facebook page.
