## A MESSAGE FROM OUR BOARD MEMBERS

**IRSC President**  
**Ed Bishop**

**Executive Director**  
**Janet M. Laws**

### *From the Desks of the Director and the Board President*

"It is our attitude at the beginning of a difficult task, which more than anything else, will affect its successful outcome." *William James*

This could be seen clearly as the Center opened to a fuller schedule. Volunteers made themselves available to help. Concern for the health and safety of all our members, staff, and visitors continues to be a matter of importance to us.

We have seen an increase in Covid cases not only in our area but throughout the country. Because of this, we may have to return to the mask requirements. As of now masks are optional if you are vaccinated. Unvaccinated people **MUST** wear masks while in the building. Do this not only for yourself but for those around you. The health and safety for all our members, staff and those that come into the IRSC is a priority. We will continue to monitor the situation and keep you updated as we receive new information. Your understanding and cooperation in this matter are greatly appreciated.

Be aware that the mask mandates may be reinstated if the Covid numbers increase. We will follow the guidelines if it is. Our programs and events will **NOT** be affected.

Many of our major fundraisers had been cancelled earlier this year because of Covid. We have been able to resume some of these. Our monthly bingo on the first Thursday of each month is back! Our annual Crab Feast was held in September. Even in these difficult times it was a successful fundraiser. We are looking forward to our wonderful Christmas Bazaar on November 13.

The last two months of the calendar year will be busy for all of us. Holidays, festivals and bazaars fill the calendar. The weather and landscapes are changing. It is a wonderful time to get out and walk and enjoy the changes.

### **IRSC Treasurer, Steve Riley**

At the end of August 2021, the finances for the IRSC were aligned with the established budget for this Fiscal Year, resulting in a positive revenue through August. On the other hand, with the reopening of the Center, operational expenses (building, maintenance, utilities, etc.) continue to increase.

State grants, membership dues, the reimplementation of facility rentals and public bingo and a very generous outside contribution all significantly contributed to our ability to reopen on a positive note. Over the coming months, as reopening continues, growth in these areas should continue to provide a favorable outlook.
