welcome

Saint Joseph Parish is a Catholic community of Christians in Avon Lake, Ohio who have come together under the guidance of the Holy Spirit to give witness to Jesus Christ. We are an active community of 1,900 families located on the beautiful waters of Lake Erie. Just as Jesus welcomes every person with open arms, we at Saint Joseph do the same. We have regular outreach, teen, youth and senior groups. Saint Joseph Parish encourages stewardship as a way of life through growth in faith, justice, love, and service to others. We welcome new members, people searching for a church, and visitors!

Our mission is to celebrate the Eucharist, to proclaim the Good News, to encourage stewardship as a way of life, to form missionary disciples, and to grow in faith, justice, love and service to others.

We Are One Family in Christ who encounters Jesus, accompanies one another, forms community, and is sent forth to live the Gospel.

Fr. Ron's Corner

Hopefully you have noticed our new inspirational and directional signage. I was inspired by the messaging that was present at Camp Damascus, a Catholic youth camp north of Columbus. I first visited a few years ago, while our 6th graders attended a faith and science experience as part of their day school retreat experience. St. Paul, the Apostle is their patron saint; his life and the scriptures he left us are the inspiration for Camp Damascus. I connected with their mission because I believe it ties so nicely to our parish priority plan of forming missionary disciples. We crafted the parish Vision and Action Plan as we celebrated our 70th Anniversary. We outlined our vision of Encounter, Accompaniment, Community and Sending by capturing ways we might enliven that vision here at St. Joseph Parish and School. We concluded the plan with this Vision Statement: "St. Joseph Parish and School is One Family in Christ who encounters Jesus, accompanies one another, forms community and is sent for to live the Gospel." As I have mentioned many times, Jesus himself is the crafter of the "discipleship maker" method. People encountered Him, He accompanied them in their faithful journey, which formed community to send the good news into the world – just like in today's Gospel.

We read in Luke 10: 1-12 "At that time the Lord appointed seventy-two others whom he sent ahead of him in pairs to every town and place he intended to visit. He said to them, "The harvest is abundant but the laborers are few; so ask the master of the harvest to send out laborers for his harvest. Go on your way; behold, I am sending you like lambs among wolves. Carry no money bag, no sack, no sandals; and greet no one along the way. Into whatever house you enter, first say, 'Peace to this household.' If a peaceful person lives there, your peace will rest on him; but if not, it will return to you." Just like the 72 we are sent.

I will be on retreat from July 5 to July 12 at the Jesuit Retreat Center in Parma. The format of the retreat is an Ignatian 8 day retreat, which is silent with a daily hourly meeting to provide "direction." The director is not doing the directing, that is the work of the Holy Spirit. The Director helps the retreatant discern the movements of the Holy Spirit in his or her retreat experience. St. Ignatius recommends 8 days so that one's mind can quiet, God's presence can be felt, and growth in one's relationship with the Lord can occur. Please keep me in your prayers while I am on retreat.

Next weekend, we will be hosting Fr. Matthew. He is from the Diocese of Yaounde in Camaroon (Africa). They have a diocesan program where they use these raised funds to support the local villages, especially in regards to providing clean water and supporting the mothers and orphans. Will be taking a 2nd collection to help support his ministry. Can people donate on line? How will that be made available etc. I know you will greet him with our usual St. Joseph Parish and School hospitality.

Thank you for all the many ways you serve the poor. Our CRS bag snack bag collection was a big success and our outreach to those in need in Lorain county continues each week.

Enjoy your celebrating our nations Independence.

May you know God's Blessing and how much I love being your pastor.

Fr. Ron

Rite of Christian Initiation of Adults (RCIA)

Are you or someone you love interested in becoming Catholic? The Rite of Christian Initiation of Adults (RCIA) is the process by which those who are unbaptized or baptized in another Christian denomination come into the Roman Catholic Church. Maybe you have been married to a Catholic for many years and are ready to seriously explore whether Catholicism is for you. Maybe someone you know has been asking you questions about your Catholic faith. Now is the perfect time to learn more for yourself or invite those you love to take the next step! If you would like to learn more about this process and are ready to dive in, or would like more information about the RCIA program or the Catholic faith, please contact Phil Lewandowski at phil@stjosephavonlake.org or (440) 653-5638.

ST. JOSEPH MEN'S FELLOWSHIP

How can a person tell whether his or her action is good or bad? A person is capable of distinguishing good actions from bad ones because he possesses reason and a conscience, which enables him to make clear judgments. (CCC 1749-1754, 1757-1758). What I do must be good.

St. Joseph ProLife Ministry

Following the Supreme Court’s Decision on Roe vs. Wade, the St. Joseph ProLife Ministry would like to recognize its prior Leaders: Betty Weimer, Ginger Cramer, Carmella DeCrane, and many others who have devoted themselves to promoting education and defending life from conception to natural death. The news of unplanned pregnancies can be scary, and the Catholic Church offers many resources for mothers who might be terrified and are afraid of what is to come. The St. Joseph Pro-Life ministry is dedicated to helping women in need obtain access to resources during pregnancy, birth, and after birth. The goal of St. Joseph ProLife Ministry is to promote a culture of respect for life through support and education. The abortion battle is not over. You can do your part to protect human life. Please continue to PRAY and VOTE for Life.

Glory be to God, for He gave us the gift of our children

PSR Registration: Come to the Parish Office during the week any time between 8:30am – 4pm to register for the 2022-23 PSR year.

SITE DIRECTOR NEEDED

The site director will be paid \$15 per game. If you are interested in serving as site director at all, please contact Katie Serevitch at katiedy2@yahoo.com. If we are unable to secure a site director, we will be unable to host home games.

The site director must be at least 21 years old and they'll have to complete Virtus training and a 1 1/2 hour site director training.

The site director is responsible for all operations of a CYO Athletic Contest (basketball or volleyball) this includes, among other things:

- Hang CYO Game Signage prior to game
- Manage the Scorekeepers
- Checking Parish Center before and at end of the day.
- Input Score Report Form with signatures
- Manage any conflicts with coaches, spectators and game officials.

A fundraiser is being held on Tuesday, July 12 from 5-8 pm at John Christ Winery on walker road to raise funds for a committee that has been established to help pass a city municipal income tax increase that will be on the ballot this upcoming November. As many of you know, the current firehouse was built in 1978 when the city's population was 13,020. The fire staffing was 21 members, and we had 610 calls that year. Currently, our city's population has grown to over 25,269 and the fire department has grown to 36 members. Their run volume last year was 3,045 calls!

The police station and courts were built in 2001 and were added on to the than already established firehouse. The police have already outgrown their building and are also in need of more space and a renovation to their facility. This has been many years in the making and is finally in the works. We would love your support in this process, whether that be joining us at the fundraiser or volunteering to help out with our committee as it progresses. If you are interested or would like more information, please contact Nick Gamellia at gamellia.2@osu.edu.

Use a Composter

"As stewards of God's creation, we are called to make the earth a beautiful garden for the human family. When we destroy our forests, ravage our soil and pollute our seas, we betray that noble calling."

18 January 2015 speech by Pope Francis to young people in the Philippines

Garbage does not readily decompose or enrich the soil inside landfills because modern landfills are airtight, sealing out the oxygen that is needed by bacteria. With a composter you can turn your food and yard waste into black gold that will feed your vegetable and flower gardens. Using a composter also reduces methane emissions produced by landfills. If you are concerned about attracting critters, many styles of compost containers are designed to discourage unwanted pests. You can purchase indoor composters and worm farms if you do not have a place for outdoor composting. There is even a Japanese method of composting in a cardboard box that you can keep in your living room. There are numerous online sources of information on how to compost. For example, see <https://www.nytimes.com/2020/05/06/climate/nyt-climate-newsletter-composting-coronavirus.html>. You might also discover that your friends have compost piles and welcome clean contributions.

Healthy soil sustains life.
