welcome

Saint Joseph Parish is a Catholic community of Christians in Avon Lake, Ohio who have come together under the guidance of the Holy Spirit to give witness to Jesus Christ. We are an active community of 1,900 families located on the beautiful waters of Lake Erie. Just as Jesus welcomes every person with open arms, we at Saint Joseph do the same. We have regular outreach, teen, youth and senior groups. Saint Joseph Parish encourages stewardship as a way of life through growth in faith, justice, love, and service to others. We welcome new members, people searching for a church, and visitors!

Our mission is to celebrate the Eucharist, to proclaim the Good News, to encourage stewardship as a way of life, to form missionary disciples, and to grow in faith, justice, love and service to others.

We Are One Family in Christ who encounters Jesus, accompanies one another, forms community, and is sent forth to live the Gospel.

For all Sacramental Information, please contact the Parish Office at 440-933-3152.

BAPTISMS:

Fr. Ron's Corner

Information about our visiting priest this weekend, Fr. Matthew:

Summary of our mission work with the Poor

The diocese of Yaoundé created the program called, "*The Poor Too Are God's Children*," with the aim of creating opportunities for women, kids, orphans, handicapped, the poor and the marginalized who are often forgotten. This program desires to supply things like water, education, shelter, medication and food to thousands of people especially kids who suffer from lack of these basic necessities and at times die as a direct result of the lack of clean water. "I will like to share the story of *Ndi* and *Essomba* which will give you an idea of what young people are exposed to on daily basis in Cameroon.

Essomba Stephanie was a promising young girl who wanted to become an engineer. She was at the top of her class in the elementary school she attended in her small village near Akono. Every morning before school she had to wake up at 5am, and she had to walk approximately 3miles to fetch water in the nearby river for her parents and for herself to take a shower. She also had to walk 5 miles to school. But after losing both parents at age 10, she dropped out of school because of hunger.

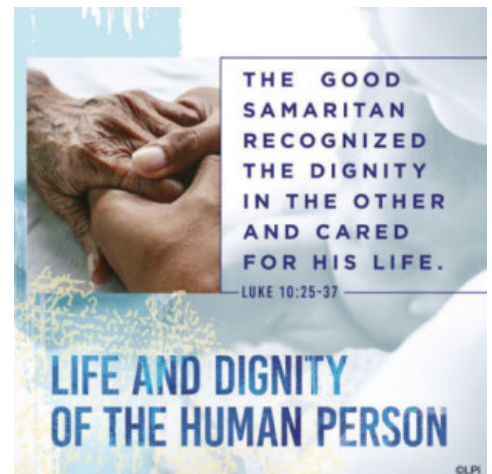

Ndi was 7 years old when her father died from HIV/AIDS. Unable to provide for Ndi and her two siblings by herself, the mother withdrew her from school and "leased" her as domestic labor to a wealthy family. Instead of school, the 7year-old started working as housemaid for food and a salary to help her siblings. Sadly, the fate of Essouma and Ndi are very common not only in Akono but across Africa." we want to realize the following projects this blessed year 2022.

Water projects: We want to supply clean water to 5 villages of about 4,000 to 10,000 people by drilling wells that will supply clean drinkable and disease free water. It will cost us about \$50 000 to supply clean water that will save the lives of approximately 4,000 to 12,000 people. Most people who fall sick in Cameroon suffer from water related diseases such as cholera, and typhoid amongst others. We are very conscious of the fact that every glass of water given to children is a potential killer and we want to stop that by drilling wells. We are aware that you do receive many applications MCP but we also know that you will choose to preserve the lives of many babies who might potentially die if nothing is done by people of good will and faith.

Education; Build Catholic Schools: One of the most effective ways of putting an end to poverty and discrimination is to educate young people. We are very conscious of the fact that giving education at a relatively low cost to young people and especially women who are often left aside will guarantee a brighter future for them. Education is also an effective way of evangelizing young people and most of our Catholic schools have a huge presence of Muslims, Presbyterians and we use Catholic schools as a stool to convert Muslims and Presbyterians to Catholicism.

Evangelization /Formation of future Priests and catechists: We have many converts into the Catholic Church. We focus on the training of catechists, who in turn are the basic teachers for the catechumen candidates, and confirmation programs in parishes and mission churches. The Catechists made up about 60% of our evangelization personnel. As much as we form Catechists we also form young men to the priesthood and the formation of priests is very expensive. We do not want to deprive the poor the opportunity to also meet Christ and to be transformed by His graces. This is how the proceeds of missions is used; 40% on evangelization (Formation of priests and catechists), 20% construction of schools, 30% on drilling of wells, 10% for the tuition of the Orphans we sponsor.

A second collection will be taken up to help support the mission and ministry that Father Matthew has shared with us today.

TUITION ASSISTANCE

Saint Joseph Parish School

FAITH. EXCELLENCE. SERVICE

What is Tuition Assistance?

- The Tuition Assistance Fund at Saint Joseph Parish provides funding for students who desire a Catholic education at our school and are in need of financial support.
- This program is need based, and families apply for assistance first through the Diocese of Cleveland. Requests are then passed along to our parish for further consideration from our Tuition Assistance Fund.
- A new application for assistance must be completed each year by the family.
- The kindness and generosity of parishioners is instrumental in making Catholic education a reality for families that otherwise would not be possible.

How can you help?

- Please consider a donation toward the fund by using the collection envelope found in your monthly packet or by contributing online at www.stjosephavonlake.org and clicking the "give now" button and selecting the School Tuition Assistance Fund.
- Since its inception in 2007, the Tuition Assistance Fund has distributed over **\$475,000** to support students.
- Support that is awarded is determined from the application, the number of families applying, and the amount of funds available for distribution.

Rite of Christian Initiation of Adults (RCIA)

Are you or someone you love interested in becoming Catholic? The Rite of Christian Initiation of Adults (RCIA) is the process by which those who are unbaptized or baptized in another Christian denomination come into the Roman Catholic Church. Maybe you have been married to a Catholic for many years and are ready to seriously explore whether Catholicism is for you. Maybe someone you know has been asking you questions about your Catholic faith. Now is the perfect time to learn more for yourself or invite those you love to take the next step! If you would like to learn more about this process and are ready to dive in, or would like more information about the RCIA program or the Catholic faith, please contact Phil Lewandowski at phil@stjosephavonlake.org or (440) 653-5638.

Spirit of Hope Prayer Group meets by phone and/or computer (audio only) on Thursdays from 7:15 to 8:15 pm. We study one of the readings for the upcoming Sunday in context in the Bible, and discuss how to apply it to our lives. The hour includes fellowship and prayers for each other, our parish, our nation and the world. We'd love to have you join our family! For instructions how to connect, call Ceci McKay at 440-933-3128. Due to everyone's busy schedules we would meet monthly for the summer months, beginning immediately. Our next three meetings will be held on the fourth Thursday of the month as follows: July 28 & August 25. Hope to connect with you on the 28th!

SOCIAL JUSTICE MINISTRY CORNER

Use a Composter

"As stewards of God's creation, we are called to make the earth a beautiful garden for the human family. When we destroy our forests, ravage our soil and pollute our seas, we betray that noble calling."

18 January 2015 speech by Pope Francis to young people in the Philippines

Garbage does not readily decompose or enrich the soil inside landfills because modern landfills are airtight, sealing out the oxygen that is needed by bacteria. With a composter you can turn your food and yard waste into black gold that will feed your vegetable and flower gardens. Using a composter also reduces methane emissions produced by landfills. If you are concerned about attracting critters, many styles of compost containers are designed to discourage unwanted pests. You can purchase indoor composters and worm farms if you do not have a place for outdoor composting. There is even a Japanese method of composting in a cardboard box that you can keep in your living room. There are numerous online sources of information on how to compost. For example, see <https://www.nytimes.com/2020/05/06/climate/nyt-climate-newsletter-composting-coronavirus.html>. You might also discover that your friends have compost piles and welcome clean contributions.

Healthy soil sustains life.
