welcome

Saint Joseph Parish is a Catholic community of Christians in Avon Lake, Ohio who have come together under the guidance of the Holy Spirit to give witness to Jesus Christ. We are an active community of 1,900 families located on the beautiful waters of Lake Erie. Just as Jesus welcomes every person with open arms, we at Saint Joseph do the same. We have regular outreach, teen, youth and senior groups. Saint Joseph Parish encourages stewardship as a way of life through growth in faith, justice, love, and service to others. We welcome new members, people searching for a church, and visitors!

Our mission is to celebrate the Eucharist, to proclaim the Good News, to encourage stewardship as a way of life, to form missionary disciples, and to grow in faith, justice, love and service to others.

We Are One Family in Christ who encounters Jesus, accompanies one another, forms community, and is sent forth to live the Gospel.

Join The Flame of Love Prayer Circle!

What is it? It is Jesus Himself. It is a Devotion of Grace and Mary's Plan for Evangelization. What does devotion to the Flame of Love do? The effect of this devotion will make parishes, families, and the lives so full of Jesus by the power of grace, that Satan's influence on our families and communities is broken. Once freed from the blinding influence of Satan, our families and communities are much more open to the gospel and the way of salvation.

Where did it come from? Though many saints from Augustine to John of the Cross refer to the Flame of Love, the devotion is relatively new. In the early 1960's in Communist Hungary, Jesus and Mary introduced this devotion to a widowed mother of six and a Secular Carmelite named Elizabeth Kidemann.

Is it Church approved? Yes. The local ordinary, His Eminence Cardinal Peter Erdo, Primate of Hungary, established the Flame of Love Movement as a Private Association of the Faithful with Juridic Personality. The last phrase is important. Private Associations are not necessarily approved but any Association with Juridic Personality must be approved by competent ecclesiastical authority. So though the Movement was established in Budapest, the approval is for the Universal Church.

Visit www.flameoflove.us for more details. The first meeting will be Monday, August 8, and we will meet the second Monday of each month at 10 AM in the Saint Joseph Conference Room. Just bring your rosary. Information will be supplied.

Glory be to God, for He gave us the gift of our children

Congratulations to Kayla Haskins for earning a spot in the Top 25 for Shining Star Cleveland! Kayla Haskins is a Junior at Avon Lake High School and will be an aide for our PSR program this coming year. Shining Star CLE is a unique solo-singing competition giving Northeast Ohio high school students the chance to compete for college scholarships. Shining Star CLE is a benefit for memory care programs at Menorah Park, a non-profit organization and leader in senior healthcare. It is a unique solo-singing competition that gives high school students in NE Ohio the chance win college scholarships. Congratulations Kayla, and best of luck to you as you continue this journey!

According to the American Stroke Association, 80% of strokes are preventable yet stroke is the No. 5 cause of death and a leading cause of disability in the U.S. Everyone needs to learn the warning signs because during a stroke, time is of the essence. On average, every

minute that a stroke goes untreated 1.9 million brain cells die. Go to www.stroke.org to learn more.

Life Line Screening will be at Christ Evangelical Lutheran Church in Avon Lake on Monday, August 29, 2022, offering residents safe, painless, non-invasive preventive health screenings that do not require you to disrobe. These screenings are typically not a part of a routine physical. To be proactive about your health for yourself and your family, register for these health screenings today.

A package of five screenings to identify risk for stroke, heart disease and other chronic conditions will be offered:

- Carotid artery ultrasound to identify plaque buildup in the carotid arteries, a major risk factor for stroke. 80% of strokes are preventable, 75% have no warning signs!
- Abdominal aortic aneurysm ultrasound to identify presence of an enlargement in the largest blood vessel in the body. It often grows slowly, without symptoms. It can be life-threatening if it bursts.
- An EKG to identify the presence of atrial fibrillation, which can lead to blood clots, stroke and heart failure!
- Ultrasound of the lower legs to look for plaque buildup known as peripheral arterial disease. PAD is a blockage of the vessels that carry blood from the heart to the legs.
- Ultrasound of the shin bone to identify risk for osteoporosis. Many people have no symptoms until they have a bone fracture.

These 5 screenings are offered for only \$149, take 60-90 minutes to complete and do not require you to disrobe. To learn more and to schedule your appointment call **1-888-653-6441**, text the word **circle** to **797979** or visit Life Line Screening's website at <https://llsa.social/HS>. When you are proactive with your health, you have a chance for more tomorrows.
