## FOR REFLECTION

---

### FOR CONTEMPLATION

At the National Prayer Breakfast in Washington, DC, on February 5, 1994, Mother Teresa called abortion “murder”. Here is what she said:

“I feel that the greatest destroyer of peace today is abortion, because Jesus said, “If you receive a little child, you receive me.” So, every abortion is a denial of receiving Jesus – it is the neglect of receiving Jesus. It is a war against the child, a direct killing of the innocent child, murder by the mother herself. And if we accept that a mother can kill even her own child, how can we tell other people not to kill one another? How do we persuade a woman not to have an abortion? As always, we must persuade her with love, and we remind ourselves that love means being willing to give until it hurts.

Jesus gave his life to love us. So, the mother who is thinking of abortion should be helped to love. By abortion, the mother does not learn to love, but kills even her own child to solve her problems. And, by abortion, that father is told that he does not have to take any responsibility at all for the child he has brought into the world. The father is likely to put other women into the same trouble. So, abortion just leads to more abortion. Any country that accepts abortion is not teaching its people to love, but to use violence to get what they want. This is why the greatest destroyer of love and peace is abortion.”

# St. Joseph

Faithful Protector of Mother and Child

The infant Christ “came into our world in a state of great vulnerability. He needed to be defended, protected, cared for and raised by Joseph” (PC 5). The humble and often hidden carpenter of Nazareth accompanied Mary in her pregnancy, assisted at the birth of the Messiah in a stable, presented Jesus in the Temple, fled with his family far from their homeland to protect them, and lovingly raised Jesus as his own son in the years to come.

While the angel of the Lord appeared to Mary to announce that she would bring forth the Savior of the world, it was revealed to Joseph in a series of dreams how God’s plans would be brought to fulfillment. As Pope Francis highlights, “God trusted Joseph, as did Mary, who found in him someone who would not only save her life, but would always provide for her and her child” (PC 5).

Dear St. Joseph,  
help us to  
imitate your  
faithful trust and  
courage.

Like every other human family, the Holy Family had to confront real and concrete challenges. Yet, “in every situation, Joseph declared his own ‘fiat’” (PC 3). His “yes” to the Lord meant that regardless of the hardship and personal sacrifice to himself, he consistently chose to put the needs of Mary and Jesus before his own. Joseph’s devotion helps reveal to us our own call to show special care for the lives of those whom God has entrusted to us.

During this Year of St. Joseph, each of us can find in him “an intercessor, a support and a guide in times of trouble” (PC, Intro). Joseph shows us how to say “yes” to life, despite our own fears, frailties, and weaknesses. For it is Joseph who was “chosen by God to guide the beginnings of the history of redemption. He was the true ‘miracle’ by which God saves the child and his mother” (PC 5).

May we, too, be miracles in the lives of those who are most in need, especially at the beginning and end of life. Dear St. Joseph, you who were “able to turn a problem into a possibility by trusting always in divine providence” (PC 5), help us to imitate your faithful trust and courage.
