***Pope Francis will close the worldwide celebration of the Week of Prayer for Christian Unity on 25 January with Evening Prayer at the Basilica of St. Paul Outside the Walls.***

The Week of Prayer for Christian Unity is being marked this year under the theme: "We saw the star in the East, and we came to worship Him."

***Journey of the Magi***

The Week of Prayer—held annually on 18-25 January—involves Churches and Christian confessions across the globe.

The theme for 2022 was chosen by the Middle East Council of Churches, in conjunction with the Pontifical Council for Promoting Christian Unity, to evoke the experience of the Three Kings, or Magi. During the week, all Christians are invited to reflect each day on a specific theme, as part of the overall theme.

"We observed His star in the East" is the title of the first day, while the second will be guided by the theme, "Where is the child who has been born king of the Jews?"

"When king Herod heard this he was disturbed, and all Jerusalem with him" is the focus of the third day.

The fourth will revolve around "And you, Bethlehem... are by no means least".

On the fifth day, the phrase that accompanies the reflection is entitled: "Ahead of them, went the star that they had seen at its rising".

For the sixth, the theme is "They saw the child with Mary his mother, and they knelt down and paid Him homage".

On the seventh day, we are invited to pray about the gifts of the Magi: "Then, opening their treasure chests, they offered him gifts of gold, frankincense, and myrrh".

Finally, the eighth and final day is focused on: "They left for their own country by another road".

### 150th Anniversary Celebration Planning

Dear St. Stanislaus Parishioners, as you know, our 150th anniversary is in 2023 and we have been busy with pre-planning. In coordination with Fr. Eric, we have developed an outline of events/activities for the year-long celebration. Our PPC members have been assigned to facilitate the coordination of teams for various events/activities and will soon be contacting some of you to ask for your help. If you have any questions or are ready to help, please contact me or any of our PPC members.

## Plant Your Works in the Word

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

But we often fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate "listening attentively." Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

But are we mindful — truly?

The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in."

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.

*"My thoughts go out to the peoples of the Tonga Islands who in recent days were affected by the eruption of an underwater volcano, which caused considerable material damage. I am spiritually close to all those who are sorely-trying, and I implore from God relief in their suffering. I invite everyone to join me in prayer for these our brothers and sisters."*

## Is it Right to Sue?

**Question:** Is it right to sue someone? Isn't it a way of getting revenge?

**Answer:** Revenge is inflicting harm for harm's sake, the idea of an eye for an eye, a tooth for a tooth, and then some. There is often a fine line between justice and mercy, between compensation and forgiveness. Unfortunately, things can happen to us that cause harm, suffering, and damage, regardless of people's intentions. When someone is hurt, especially in such a way that special care or treatment is required, the cost of that care needs to be paid.

In a perfect world, those with special needs, handicaps, or disabilities would find the help and care they need, including those who are injured or hurt. But justice is not always forthcoming, and people are not always fair. So, using the legal system to right a wrong is sometimes the only option.

In some cases, it is the only way that people can get the help they need and deserve. However, frivolous lawsuits, or 'fishing for money' is not only unfair, but immoral as well. The law is there to protect people and making use of it when necessary is a good thing.

### VISIT BY BISHOP MALESIC POSTPONED

The scheduled February 6th, 2022 visit by our Bishop has been postponed for now due to the most recent

rampage of the omicron covid outbreak. If and when this is rescheduled you will be informed. Our parish had been chosen as the district site for this occasion to give the new Bishop a chance to meet with a number of parishes.
