

SAINT MARY

OUR LADY OF THE SNOWS

A Journey in Faith — To Love and Serve the Lord

FOUNDED 1890

THIRD SUNDAY IN ORDINARY TIME • January 23, 2022

My dear Brothers and Sisters,

IN THE TIME of Jesus, there were two places of worship in Israel: the Temple and the synagogue. There was only one Temple; it was located in Jerusalem. But there were hundreds of synagogues. The Temple was a place of sacrifice. There, Jews offered to God such things as lambs and doves. The synagogue was a place of instruction. There, Jews listened to God's Word and tried to apply it to their lives. The synagogue service and the temple service have their counterparts in our Mass. The first half of the Mass is like the synagogue service. It's called the liturgy of the Word and deals with reading Scripture and applying it to our lives - just as Jesus did for the people of Nazareth. The last half of the Mass is like the temple service. It's called the Liturgy of the Eucharist and deals with offering sacrifice - just as Jesus did at the Last Supper.

OUR MAIN ACTIVITY during the Liturgy of the Word is listening to Scripture. The key here is listening. Years ago, there was a Broadway play called: *The Royal Hunt of the Sun*. It was about Spain's conquest of the Indians in Peru in the 16th century. In one scene someone gave the Indian chief a Bible and told him, "This is God's Word. He speaks to us through it". The chief took the Bible cautiously. He studied it carefully and gently raised it to his ear. He listened and listened but he heard nothing. The dramatic scene makes us ask ourselves, "well how do we listen to God's Word?"

THE ANSWER IS that we listen to it in three ways. We listen with the ear of the mind. We listen with the ear of the heart. We listen with the ear of the soul. First, the mind. How do we listen with the ear of the mind? We do this by trying to understand God's Word. We do more. We try to make God's Word come alive for us. For example, St. Ignatius of Loyola did this by closing his eyes and imagining that he was present in the synagogue of Nazareth, listening to Jesus. He'd imagine the emotion that certainly choked the voice of Jesus when He said, "The Spirit of the Lord is upon Me." And He'd imagine the excitement that certainly electrified the congregation when Jesus said, "Today this scripture passage is fulfilled in your hearing." And so, listening with the mind means not only understanding God's Word but also making it come alive.

THE SECOND WAY we should listen to God's Word is with the ear of the heart. This means we take God's Word to heart. We try to see how it applies to our own life situation. Years ago, Charlie Pitts owned the construction company that built the Toronto Subway in Canada. The more Charlie's business grew, the more his personal and family life suffered. One day things got so bad that Charlie turned to the Bible for help. As he read it one sentence suddenly leaped off the page. It was these words of Jesus: "what profit is there for one to gain the whole world yet lose or forfeit himself?" (Lk 9:25). These words spoke right to Charlie. They said to him, "Charlie this is what's happening to you!" And so, listening with the heart means taking God's Word to heart and seeing how it applies to our own situation.

THE FINAL WAY we should listen to God's Word is with the ear of the soul. This means besides taking God's Word to heart, we also talk to God about it. We do more, we do what Charlie Pitts did. He prayed over his situation and discussed it with his wife, he sold his company before it destroyed him. He went on to buy and manage a hotel and golf resort. And the income from this enterprise was donated to spread the word of the Gospel. We ask God to help us take the necessary steps to make our lives conform with His Word. This step, then, in listening to God's Word is talking it over with God to see what He may want to say to us about it. Of course, we don't expect God to answer us in words. He usually speaks to us in a spiritual way in the depths of our soul. He doesn't always speak to us immediately, during the time of prayer. Often God does this outside the time of prayer, in the course of our daily life. For example, we may begin to experience a growing desire to do something about our situation. We may begin to get ideas on how to deal with our situation. We may begin to feel a subtle pull towards one of these ideas. All of these spiritual movements may be God speaking to us in a wordless way in the depth of our soul. May God bless you and your families.

~Fr. Tomy

Please keep Fr. Tomy in your prayers, he was able to leave for India on Wednesday, January 19th. We wish him a wonderful time with his family and friends back home. Fr. will return back on Wednesday, February 2nd.

LITURGICAL CALENDAR AT A GLANCE

© Jean Denton flock.pastoralcenter.com

“The Spirit of the Lord is upon me ... he has anointed me to bring glad tidings to the poor.”

Sheepish Question:

With my eyes fixed on Jesus, where does his Spirit lead me this week?

Thoughtful Moments

The rhythm of our faith

To help us learn about God and his family, the Church crafted the liturgical year. By observing the seasons of our faith, we follow the rhythm that God has created for us. *"A time to weep, and a time to laugh; a time to mourn, and a time to dance"* (Ecclesiastes 3:4).

As God forgives

When we pray the "Our Father," we say, "Forgive us our trespasses as we forgive those who trespass against us." True forgiveness is hard but God wants us to forgive the way He forgives us. We can't obtain true forgiveness unless we give it.

Celebrate parenthood

Parents deserve lots of praise but don't often get it. Someday your children may look back and appreciate you. While they are young, remember that every kiss, hug and smile you get is a celebration of how important you are every day, all year long.

Share what you love about our Catholic Faith

As parents, we want our children to be Catholic because we know the Church provides the surest way to a strong and loving relationship with God. To help children find Catholic joy, share what you love about our Catholic Faith.

"My grandmother prayed the Rosary every day of her life," said Lisa.

"When I was old enough, she gave me one and taught me how to pray it. The prayers remind me of everything we believe as Catholics. The Rosary has helped me through many tough times in my life and I pray it often with my own children."

"We moved a lot when I was young,"

said Art. "Moving was hard but no matter where we lived, the Mass felt like home. Jesus was always there waiting for me. Now I love taking my children to Mass because I want it to be their home, too."

"I don't know what I would do without

Confession," said Brooke. "It's not easy admitting the things I do wrong. I'm

embarrassed that I commit the same sins repeatedly. Still, no matter

how often I go, it is such a thrill to hear the words of absolution and know that Jesus really does forgive me. Now, we take our children and celebrate God's mercy together."

Why Do Catholics Do That?

What do we believe about Heaven?

We don't really know what Heaven looks like. *"What no eye has seen, nor ear heard, nor the heart of man conceived, what God has prepared for those who love him,"* (1 Corinthians 2:9). Heaven is the fulfillment of our

deepest desire of union with God. We know that God has prepared a place for us in His home. All who enter must be in His friendship. Nothing should keep us from our place in the house of our Lord.

WEEKLY JUSTICE CHALLENGE

This is the last week of National Poverty Awareness Month. Poverty in the U.S. affects over 37 million people. The largest age group affected is children.

Your challenge this week is to increase your own awareness of childhood poverty. Go online and find statistics on the national, state, and local levels. Read why there are so many children living in poverty in our country. Share what you learn with others so they become more aware as well. Then find one concrete action you can take this week to help a child suffering from poverty in your local community.

KNIGHT NEWS

MY BROTHER KNIGHTS: I always feel at this time of the year there is not much to report in the way of Council activities. Well, nothing could be further from the truth. We continue to hold our Zoom rosary every Wednesday night at 9pm. Every Friday in the Church we have Holy Hour. The Novena for Life has been on going from January 13-22. The Fifth Sunday mass and rosary is scheduled for the 10am Mass on January 30th. But one of the most important things to remember is that January is the Right to Life month. We are getting so close to abolishment of abortion in this country. The best thing we can do is pray the rosary for success in the repeal of laws that support abortion in this country. Make the daily rosary a part of your life.

FROM FULTON J. Sheen: "God will not supply every want; but he will supply every need. The trouble is that we want what we do not need."

Enjoy Sunday with your family.

WE ARE CALLED TO BE CHRIST LIKE

On the Feast of the Baptism of Jesus, we were blessed to have Fr John Budde, our former Pastor, celebrate Mass here at St. Mary.

IN HIS HOMILY, I could not help but connect his words to our St. Mary Parish. He began with saying that 'we knew that Jesus was the Son of Mary. However, when He was baptized by St John in the River Jordan, a voice from heaven declared: "You are My Beloved Son. With You, I am well pleased." At that moment, God identified Jesus as **HIS BELOVED SON**. John told the people that he baptized with water, but the One Who is coming will baptize with Fire and the Holy Spirit. In Baptism, we are called to be Christ Like. We are called to reach out and touch lives----- and we are meant to be for the good of others. God gives each one of us certain gifts that helps us to be Christ Like; forgiving, charitable, good listeners, helpers and workers in His Church, to name a few. We identify with Christ through the water of Baptism-----to go forth and do good. We can make a difference to people and even effect the world in which we live. God gives us courage and joy to teach others ---and we are called to attract them to Christ. We share the Gospel message by what we say and do."

HERE AT ST. Mary's, we only need to look around and observe all the gifts being offered----- and open to us by the many people that God has put into our lives. We have Bible studies, collections for food and Christmas gifts, Easter Baskets, Baby shower gifts, clothing and now even for small animal and pet food. Quilts are made for those that are ill, Communion is taken to the homebound, phone calls to parishioners, letters to newcomers and the lonely or ill. Funeral Luncheon Workers, Prayer people, Sacristans, Catechists, Eucharistic Ministers and Lectors. There are just too many ministries to mention.

OUR TEENS AND their leaders who offer assistance to parishioners are a real blessing. We are all unique in what God has chosen us to do. Something wonderful is always going on at St. Mary's. Just look around and see all in our Christ Like Parish Family. Perhaps you might like to offer your gifts and join in with one of the many opportunities to serve others. You will be welcomed with open arms.

Thanks be to God for "placing" us here.

Until next week,
Love & Prayers,
Arlene Loehr

P.S. Be ye fishers of men. You catch them—God will clean them.

EVERYDAY STEWARDSHIP -
 RECOGNIZE GOD IN YOUR ORDINARY MOMENTS
Plant Your Works in the Word

ONE OF THE things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

BUT WE OFTEN fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate "listening attentively." Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

BUT ARE WE MINDFUL – TRULY?

THE BEST ANSWER is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in."

WE CAN NEVER forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

SO LET US pray today for mindfulness, that our every action will be grounded in the law of God – giving it true spirit and life.

NEXT WEEKEND'S LITURGY
4th Sunday in Ordinary Time
 Introduction

"Amen, I say to you, no prophet is accepted in his own native place."
 - Luke 4:24

WHO REALLY WANTS to be called upon to change, let alone promote it in others? The prophets surely didn't, and Jesus early on heard the reaction to His sermon among His own people. Today's readings remind us that our faith is grounded in God's word. That always involves the call to be and live differently. Just as God's love sustained others, we are equipped with spiritual gifts, especially love, to respond to that same call.

SCRIPTURE READINGS

Jer 1:4-5, 17-19 Jeremiah, called to prophecy, will face resistance.

Ps 71 I will sing of your salvation.

1 Cor 12:31–13:13 Love is the greatest of all gifts.

Lk 4:21-30 Jesus announces His ministry to those considered outsiders.

ST. VINCENT DEPAUL

IN THIS SUNDAY'S Gospel, Jesus reads the words of scripture: "The Spirit of the Lord is upon Me, because He has anointed Me to bring glad tidings to the poor."

In the month of January, through your gifts, the Society of St. Vincent de Paul was able to assist many area families, providing financial assistance for food, utility and rent, bills, etc. Thank You!

Please note that ALL MONIES donated to St. Mary St. Vincent de Paul remain in this area, and are used to assist local families in need.

Sanctity of Human Life Sunday 2022

On January 13, 1984, President Ronald Reagan issued a proclamation designating January 22 as the first National Sanctity of Human Life Day. (In 1973, January 22 was the day the U.S. Supreme Court legalized abortion-on-demand in all 50 states.)

Churches continue to recognize the third Sunday in January as Sanctity of Human Life Sunday. In 2022, that date falls on January 16, although some churches will mark it on the 23rd because it's closer to the anniversary. Either day is fine.

On Sanctity of Human Life Sunday, churches throughout the United States celebrate God's gift of life, commemorate the lives lost to abortion, and commit to protecting human life at every stage.

JANUARY 19-27, 2022

9 Days for Life is a novena for the protection of human life. Each day's intention is accompanied by a short reflection and suggested actions to help build a culture of life. Join today at www.9daysforlife.com!
