ANNUAL MISSIONARY COOPERATION PLAN APPEAL

A representative of the Missionary sisters of the Holy Rosary will be with us this weekend. They are a strictly missionary group with no institutions in the United States or Canada, so therefore rely almost exclusively on the generosity of the people back home to support their sisters on mission.

There will be a **second collection this weekend which will include Catholic Education and the Annual Missionary Cooperation Plan Appeal.** Thank you so much for your generosity.

If we're destroying our environment and hurting animals and hurting one another and all that stuff, there's got to be a very powerful energy to fight that. We need more love in the world. We need more kindness, more compassion, more joy, more laughter. We should definitely want to contribute to that.
