Faith Moment Reflection - Fourth Sunday

In today's gospel, Mark teaches us about openness and trust in the Word of God. We hear about Jesus teaching in the synagogue, speaking not as the scribes of the day might, but as one with authority. When a man possessed by a spirit convulsed in front of him, Jesus commanded the demon to leave. Clearly His words had the power to invoke change. The people were amazed, saying "With authority he commands even the unclean spirits and they obey him." It was the words that Jesus spoke that were like nothing else the people had ever heard before. His fame began to spread quickly from that point. The Word of God has the power to change our lives. God wants to free us from the negative influences in our lives that sap our time, energies and thoughts. He wants to empower us to do what is good and constructive. We only need to be open and trust in Jesus and his teachings.

Blessing of Throats

The **Feast of St. Blasé**, Bishop and Martyr is this Thursday Feb 3rd. The traditional **Blessing of Throats** will take place after all masses this weekend - Jan. 29th and Jan 30th.

St. Blaise is the Patron Saint of all who have problems (or illnesses) concerning the throat area. Two blessed candles are tied together and touch the person's neck as the blessing is pronounced. God indeed, cares or every part of our bodies. He is our Creator!

LOOK UP:

The substitute teacher was struggling to open a lock on the Sunday school supply cabinet. She'd been told the combination but couldn't quite remember it. Finally she went to the pastor's study and asked for help.

When the minister began to twist the dial, he paused after the first couple of numbers and stared blankly. Finally he looked heavenward and his lips moved silently, then he looked back at the lock, turned to the final numbers, and clicked open the hasp.

The teacher was amazed. "I'm in awe of your faith Father."

"It's really nothing," he said. "The numbers are on a piece of tape on the ceiling."
