Mission Statement

All Saints Parish is a community of diverse people, rooted in a heritage of faith, united by the Eucharist and the Word of God. Following Christ's example, we seek through a variety of ministries, to know, love and serve God and one another and to extend our prayer and stewardship to the missions in the spirit of all the saints.

GOSPEL MEDITATION

The Epiphany of the Lord

In his Apostolic Exhortation, The Joy of the Gospel, Pope Francis references a thought from Pope Benedict XVI: "Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction." Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, "Thanks solely to this encounter or renewed encounter with God's love, which blossoms into an enriching friendship, we are liberated from our narrowness and selfabsorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being."

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved.

The greatest gift we can place before the newborn Jesus is the gift of our life's work. What is He calling you to accomplish in your life? If God is calling you to a Church vocation, contact Fr. Dave Baker at 716-847-5535 or visit buffalovocations.org.

In the past years due to COVID, it has been a struggle for many people, God has a purpose behind every problem. He uses circumstances to develop our character. As we hold on during these unprecedented times, be assured that no matter the size of the problem we are facing or if the situation seems impossible to solve. If we keep our faith intact. God will help us overcome everything, He is always with us and unfolds great possibilities. Let this New Year be a year of hope and God's way of letting us know that there is still a chance for the better. If, when you think about the year that is ending, you find that your faith has grown, then you are on the right track. Do not stop doing good deeds and God will bless you abundantly in this 2022 Be assured of my prayers God is good Fr. Daniel py New Year

For many Christians in especially those in Spain and Latin America, the holiday season officially ends on the 12th day of Christmas known as the Feast of the Epiphany, or **Three Kings' Day**.

The holiday celebrates the biblical tale in which the Three Kings, or Three **Wise Men**, visit baby Jesus after his birth. According to the Gospel of Matthew, the men found the divine child by following a star across the desert for twelve days to Bethlehem.

The Kings, Melchior, Caspar, and Balthazar — representing Europe, Arabia, and Africa respectively — travelled by horse, camel, and elephant in order to present baby Jesus with three symbolic gifts: Gold, Frankincense, and Myrrh.

El Dia delos Reyes (Three Kings' Day) celebration comes in many shapes and sizes across the world. In Mexico, thousands gather every year to taste a mile-long "Rosca de Reyes" (Kings' Bread) while others simply make the holiday staple at home honoring the tradition to hide a baby Jesus figurine within the bread — the person whose slice has the figurine must prepare tamales for everyone on the Day of the Candles on Feb. 2. In other traditions, families leave a box of grass (or hay) and water for The Three King's camels to eat. Similar to the tradition of leaving out cookies and milk for Santa Claus. Camels are known for being a bit sloppy and leaving a trail of hay behind that children can often follow to their gifts.

Hispanic families will usually celebrate Three Kings Day with a scrumptious dinner that is topped off with the King's Bread (Rosca de Reyes) for dessert. Children also sometimes make crowns to wear at the table in honor of the kings.
