**KIDS CORNER**

**READ THE GOSPEL AND COMPLETE A PUZZLE!**

**SHARING THE GOSPEL**

Mary had great faith in God. She also knew that God could do anything. So when the wedding servers ran out of wine, she knew Jesus could help. She said, "Do whatever Jesus tells you to do." That's the smartest thing any of us can do.

**PRAYER**

Dear God, help me to do everything you say. I know you can do anything.

**Find the two identical jars.**

**HOLY NAME SOCIETY NEWS**

On Sunday February 13<sup>th</sup>, the Holy Name Society would normally hold its annual breakfast. The original intent of the breakfast was and still is to bring parishioners and others in the community together during a "bleak" time of year to enjoy each others company, have a few laughs, and raise funds for charitable activities. Those goals have been met with thousands of dollars raised from the breakfast and raffle supporting parish and charitable needs.

Unfortunately, this year the Society must again forgo the breakfast because of the virus. However to meet its desire to continue supporting charitable activities, the annual raffle will be held with the drawing on February 13<sup>th</sup> at a "coffee hour" following the 9:00AM Mass.

**Can you help?**

This weekend the men of the parish (and women if they would like) are asked to take a book(s) of raffle tickets to sell and return at the coffee hour on February 13th or before. A member of the Society will be in back of church after Mass distributing the tickets. Realizing that because of the lock downs and lack of social gatherings, selling tickets will be more difficult so any effort you make will be greatly appreciated.

**IT TAKES ALL KINDS**

"If every flower wanted to be a rose," wrote St. Therese of Lisieux, "spring would lose its loveliness."

Who is God asking you to be today? There is an obvious answer that springs to mind right out of the gate. God wants me to be a good person (a good father, a good husband) today; today, God wants me to be a saint.

But this answer fails to get to the heart of the question. We are all striving today to serve the same Spirit, but we are given different gifts to do so. The one who has the gift of knowledge may fail if today he decides he wants to be a healer. The one who has the gift of "varieties of tongues" might falter in the expression of wisdom.

Think about the wedding at Cana and the players in the scene: the servers, the guests, the bride and groom. They all have a unique role to play, and though it is to the servers that Mary gives the instruction, "Do whatever he tells you," her words apply to all.

Today, are we called to be the servers — do we wait on God's instruction and carry it out, no matter how foolish or impossible it may seem to our human ears? Are we asked to be the disciples, to bear witness to a miracle and to give our testimony? Are we called to imitate the Blessed Mother herself and give encouragement to follow God's word?

Let us examine our gifts and listen in the silence of our hearts to the direction of the Spirit. Then and only then, let us do whatever He tells us.

—Tracy Earl Welliver, MTS
