Faith Formation

From the Pastor

There appears to be a pretty damning picture of the rich in our Gospel today. However, it’s important to note that Jesus was speaking to people who were poor by our standards. This parable had a lesson for them as well. If we care about one another, we will share what we have with those who have less. This means we will share our time and our resources with others. If we do not then we are selfish. Greed and selfishness are really two sides of the same coin.

Notice that the rich man did not beat Lazarus. There is no mention that the rich man caused Lazarus to be destitute. What the parable does say is that the rich man did nothing for Lazarus. The rich man was not sent to Hades because he had money, dressed well or ate well in this life. The rich man was sent to Hades because he did not help Lazarus. That should get all of our attention, no matter how much money we may have.

~Fr. Chris

Dayton Deanery Mass of Healing and Hope

Wednesday, October 2 at 7pm

This appeared in last bulletin incorrectly. The Mass is October 2 (not in November)

Emmanuel Catholic Church (149 Franklin St in Dayton)

The Dayton Deanery invites Catholics from around the Dayton area to come together to pray for healing and hope for our community as we continue to respond as people of faith to the tragedies that affected our lives this summer.

The Mass will be held at Emmanuel, the first Catholic church in Dayton, on October 2, which is the Feast of the Guardian Angels.

The Journey of Faith

Last week’s readings gave us an example of the direct action of those who make money their idol; today we hear about the complacent, who do not bother to see or care about those in need. The thrust of the parable is not about someone being rich but about our discipleship and how we use God’s many gifts to elevate those in need.

In Paul’s letter to Timothy we hear, “pursue righteousness, devotion, faith, love, patience, and gentleness.” On Monday, Rosh Hashanah 5780 begins the Jewish calendar and the high holy days; on Wednesday, October 2 at 7 pm at Emmanuel Parish, 149 Franklin St., Dayton, 45402, all from Dayton are invited to a Mass of Healing and Hope where we will pray for strength and courage to tackle the ongoing needs of the community.

Julie Burt, RCIA Coordinator / Adult Faith Formation 298-1122 x216 or jburt@stalbertthegreat.net

The Two Feet of Love in Action

Next Sunday, October 6 at noon (following 11am Mass) in the Chapel.

In honor of the end of the Season of Creation there will be a panel discussion on local efforts and responses to needs in our Dayton community based on the “Two Feet” of social Justice, direct services and addressing unjust structures. All are welcome Contact Julie Burt for questions.

Catholic Social Teaching in Action

The Laudato Si Banner is now hanging in the Gathering Space. The Archdiocese provided the banner after St Albert the Great completed all requirements to be designated a Laudato Si Parish. Thank you to everyone who helped our parish be recognized. The Season of Creation began September 1, 2019 and continues until the Feast Day of St Francis of Assisi, October 4, 2019.

On February 14, 2019, Pope Francis addressed participants at the IV Meeting of the Indigenous Peoples’ Forum stating “indigenous peoples are a living appeal for hope. They remind us that human beings have a shared responsibility in the care of the “common home.” And if certain decisions taken thus far have ruined it, it is never too late to learn the lesson and adopt a new lifestyle. It is about adopting a way to move forward which, leaving behind superficial approaches and harmful or exploitative habits, overcome atrocious individualism, convulsive consumerism and cold selfishness. The earth suffers and the native peoples are familiar with the dialogue with the earth; they know what it means to listen to the earth, to see the earth, to touch the earth. They know the art of living well, in harmony with the earth. As Pope Francis stated it is never too late to commit to a change. Consider a change from using disposables to using reusables such as carrying your own coffee mug, using reusable bags at all stores, replacing paper napkins with cloth napkins, and many other ideas at this website:  [https://richlyrooted.com/2014/04/switch-from-disposable-to-reusable.html](https://richlyrooted.com/2014/04/switch-from-disposable-to-reusable.html)
