Roe vs Wade was a landmark decision of the U.S. Supreme Court concerning a pregnant woman's liberty to choose to have an abortion without excessive government restriction.

The Supreme Court issued a 7-2 decision that the Due Process Clause of the Fourteenth Amendment to the United States Constitution provides a "right to privacy" protecting a pregnant woman's right to choose whether to have an abortion.

# Faith Formation

4 | From Our Pastor and RCIA

## FROM OUR PASTOR

Jesus is baptized by John in today's Gospel. This may make us feel a little ill-at-ease. We would be far more comfortable if Jesus waded in the Jordan, tapped John on the shoulder and said "hey you go rest and I'll take over for a while".

**Fr. Chris Worland**

Even if Jesus is without sin, this could ruin his reputation. After all, Jesus did not need to repent. We are sometimes concerned with guilt by association, but Jesus does not seem overly concerned about all that. Jesus was baptized not because of any personal sin or problem; Jesus was baptized because humanity had sins and problems. Jesus was baptized so that He could be intimately tied to all of humanity.

In baptism we are intimately tied to Christ. However, in Baptism we are also tied to one another. We are tied to the healthy and the sick. We are tied to the brave and to the cowards. We are tied to the successful and to the ones who can't seem to get anything right. Jesus' baptism teach us a simple and profound truth of our faith. We are one Body in Christ. Jesus came to save all of us, not just those that see things the way we do.

Poverty in United States  
About 12% of the United States population, or 36,460,000 people, live below the poverty level. Poverty not only indicates a lack of monetary funds, but also a lack of basic needs, which may include such things as clean water, shelter, and food. (See US Department of Health and Human Services, Global Issues, UNICEF). To learn more about poverty in the US see [www.PovertyUSA.org](http://www.PovertyUSA.org). This website is an initiative of the Catholic Campaign for Human Development, the domestic anti-poverty program of the Catholic bishops in the US.

### RITE OF CHRISTIAN INITIATIONS OF ADULTS

#### **baptized for the Journey**

Today concludes the Christmas season! The manifestations (revelations) of Christ that we have celebrated throughout Christmas culminate in the Baptism of the Lord. Baptism is the first of the initiation sacraments but is also the sacrament of formation into the Christian life. Whether in the context of a family or a parish; this special encounter with God is a call to action. To go on that journey we are "clothed in Christ." All the readings but especially the Gospel has a certain "buzz" in this cycle C version we proclaim today. People were filled with expectation, and they were asking in their hearts. Toward the end of the Gospel, we are told "After all the people had been baptized and Jesus also had been baptized and was praying..." that heaven opened and the Holy Spirit descended and the voice gives its affirmation. Truly God reveals He is here for all of us even though he acknowledges the special relationship He has with his beloved Son. This passage should give us encouragement to move out into an uncertain world with the blessing of Trinity that can be felt through our physical senses.

Tomorrow we enter ordinary time before we move into Lent in March. During this formation period we will see how Jesus, and the apostles he chooses, come to a better understanding of who they are and what their call is about. We will see in our readings ambiguity and confusion along with nudging and training. Sound familiar? We need to stay awake, keep moving, and recalculate on the journey.

## LEGION OF MARY SERVICE

Gloria and Ennis Dodd, 937-331-8292

Service opportunities -- In this New Year, you're invited to serve with an experienced partner to make short communion calls to shut-ins or to visit the nursing home. We also prepare materials for the free Catholic information booth at the County Fair, as well as phone and email our praying members. To comply with nursing home rules, we mask at our meetings on Mondays, 6:30-8 p.m. at St. Albert's Spirit Center (behind the playground). For more information, Gloria Dodd 937-999-1263 (cell).

*"When Father Chris talked about 'A change of world view' sometimes we have to be open to do the things that Jesus wants us to do and then actually do them."*

*The priest went through what each person in the nativity would say in current times... Mary would say "be open", Joseph "believe", Shepherds "help each other."*

*"When you encounter Jesus it should change your life. The 3 wise men had their lives changes by baby Jesus."*

*"The three kings changed what they were traveling because God told them to. That means that even kings can bend down to a superior power. This will help me with my family to know that I am not always right. This will help me at school because I will trust teachers with helping me more often. This will help me with my friends to pick my battles and not get mad over every little thing."*

*"The Magi were called from far to see Christ which changed their world view. Like the Magi, we are called to see the world in a new way. We are called to see the world the way God sees it."*
