## From Our Pastor

Dear Friends,

This is a big week each year as the annual March for Life happens in D.C., and our local March for Life happens right here in Maumee (Sunday beginning with prayer in the Church at 2:00, followed by a walk to the St. Joseph Cemetery) Unfortunately, we are unable to take our pilgrimage to D.C. as planned due to many

restrictions in the area, but I encourage everyone to make the effort to join our local March. As you likely know, there has been so much progress made in this effort and so much is now weighing on the upcoming Supreme Court decision. Please continue to pray for a transformation of culture that values all life, from the womb to natural death.

Don't forget about my presentation on the Holy Land this Tuesday, January 18 at 7:00pm in the Family Center. I hope to bring the Holy Land alive to those of you who have not been able to go over there on pilgrimage.

Finally, the Lower Level of the Church is nearing completion. It truly looks amazing and is going to be a space that is well-utilized for our parish. Once completed, we will offer tours after Masses so you can see it first-hand! I am grateful to all who have donated to make this dream and necessity a reality!

You will also notice in the bulletin that the parish debt continues to tick down at fairly rapid rates due to end of the year donations and the finance council's desire to pay it off as quickly as possible. The loan began at \$2.5 million and we will be under \$600,000 owed to the diocese in short order. I always want to be a good steward of what is entrusted to the parish. I have found it to be a balancing act to provide for the growth we are experiencing while also desiring to pay down our debt quickly. I am grateful to the finance council for their wisdom on this!

Have a an awesome week. Let's pray for one another.

In Christ, **Fr. Eric**

### SPAGHETTI DINNER UPDATE:
