Baptism of the Lord

*I*t happened in those days that Jesus came from Nazareth of Galilee and was baptized in the Jordan by John. On coming up out of the water he saw the heavens being torn open and the Spirit, like a dove, descending upon him. And a voice came from the heavens, "You are my beloved Son; with you I am well pleased." - Mk 1:9-11

MASS INTENTIONS for 2021 ARE AVAILABLE

Our Mass Scheduling Policy states that individuals may schedule up to four masses for the year (with only one of those being on a weekend or Holy Day). However, since we have Mass intentions open during the next few months, you can now schedule additional intentions. (This applies to masses from January through June only).

Please review our Sick List, first, to pray for them, and second, to ensure that your name is not on it if you are healthy again! Many times, we are asked to add someone to the sick list. Then once that person has returned to good health, we are not contacted to take them off the list. Please call the Parish Office (440-884-2319) if we need to add or take someone off the Sick/Prayer List. Thank you for your help!

From the Pastor's Desk

I need to share with you an important memorandum issued by the Diocese just after Christmas. On Dec. 27th priests, deacons and parishes received a memorandum from Bishop Malesic concerning "Catholic Familyland" in Bloomingdale, OH. "Catholic Familyland", within the Diocese of Steubenville, offers Catholic families a place to vacation and to grow in their faith at the same time. It is run by the Apostolate for Family Consecration. Bishop Monforton of the Diocese of Steubenville has recently issued a statement about the Apostolate for Family Consecration and their non-compliance with diocesan youth protection policies. In addition, the Archdiocese of New York revoked the Apostolate's status of a private association of the faithful which had been granted by the Archdiocese for the Apostolate for Family Consecration. It is hoped that this issue can be resolved since many have benefited from the Apostolate and time spent at "Catholic Familyland". However, until a resolution is found, clergy of the Diocese of Cleveland are not permitted to serve in any capacity at the functions of the Apostolate. Further, promoting and supporting the Apostolate for Family Consecration is to cease and parishioners are discouraged from attending camp at "Catholic Familyland" because of their non-compliance with diocesan youth protection regulations. The Diocese of Cleveland cannot sponsor nor support groups or individuals that do not comply with child protection policies established by the U.S. Catholic Conference of Bishops and each respective diocese..... **Don't forget that the month of January is "Respect Life Month"**. Be sure during this month (and really year round) to pray for and take action for an end to abortion and a deeper respect for the gift of life.

.... Fr. Mark Peyton

In the past weeks the parish received a donation of \$300.00 in memory of **Irene Koney** and a **Special Donation** of \$500.00. These donations are appreciated greatly! They help the parish to meet its financial responsibilities, to continue to repair and improve our buildings and grounds and to minister to people. It is appreciated when memorial donations for SFDS are asked in a person's obituary, when a person remembers the parish in one's will or when one makes a special donation.

BAPTISM OF THE LORD

Everyday Stewardship: When God Whispers

“You don’t need to shout. My hearing works just fine.”

Are you a parent that has used that one on your kids? I’m not sure at what age they realize that the volume of their voice doesn’t correlate to the likelihood of receiving a favorable reply — it might be sometime in the teenage years, when the talking slows down altogether.

But I’ve got to admit, it would be nice if God always gave us a loud and dramatic sign when He wanted something — the booming voice and the torn-open heavens (“This is my beloved Son!”) really get the message across. Sometimes I find myself envious of the Apostles, who were able to witness such things in person.

The fact of the matter is, in the year 2021, God is more likely to speak in a whisper than in a shout. The prophet Isaiah forewarns that Christ himself will not be a noise-maker — for all his preaching, he will not cry out or shout to bring forth justice to the nations. His way is altogether different than that.

We are not the Apostles, and we do not have the privilege of seeing the Holy Spirit descend on Christ like a dove. But here’s the good news: God doesn’t need to shout. Our spiritual hearing works just fine. We just have to be listening.

Let’s wake up each morning ready to hear God’s whispers throughout the day. Let’s make a conscious effort to invite those whispers into our hearts, where they can become a catalyst for grace in this world.

Liturgy Update

GOSPEL MEDITATION

The Baptism of the Lord

We need history. We need it in order to understand ourselves, personally and collectively. The pieces of our histories may not have always been the most positive, honest, exemplary, dignified, proud and best moments of our lives, but they are ours. We have to acknowledge, remember, accept, and often heal them. We cannot forget them or pretend that they never existed. As horrible as the atrocities of events like Auschwitz, brutal injustices committed throughout the human journey, or personal painful experiences in our own stories, we need to remember. These times when humanity in general or people in particular have lost their way are times that need to be reconciled and redeemed.

If we lose the memories, we will make the same mistakes again. The human soul needs a strong sense of affirmation, direction, and clear purpose. Without these essentials, we will easily run amuck and repeat the sins of our past. God’s voice throughout history has spoken precisely about this! We are reminded through the voices and example of many prophets and witnesses not to make the same mistakes again, come back to center, discover the purpose given to us by God, maintain a sense of proper direction, seek healing for wounds and be reconciled to our Creator.

Baptism is so incredibly important for the salvation of humankind, not only eternally but here and now. Our existence depends upon it. It gives us the affirmation we need from God by gifting us with the same intimate relationship Jesus had with the Father. We are blessed with the direction and clear purpose we need in order to be productive stewards and faithful Christians. Baptism calls us to remember, accept, and deal with the sins and inequities of our past regardless of how hurtful and serious. We consciously choose to turn away from them and put on the new life of Christ. To do this well, we must look hard and long at our sins and failings, listen to what they are saying and learn from them. If we ignore the past, collectively or personally, or pretend that it never happened, we will never grow. We will surely die.

People need to hear the message, lived and spoken, delivered by the baptized members of the Body of Christ. It is an essential message of hope that is layered with visions of justice, peace, reconciliation, redemption, blessing, and healing. It is a message that helps us remember what has gone before, the graces and the sins, and bring ourselves by God’s help where we need to be. We are called to do much more than sit home behind our closed doors. We have a message to deliver. Are we ready to do so?

...*Sr. Annette*

“This year, while we hope for new beginnings and new cures, let us not neglect care,”

“Together with a vaccine for our bodies, we need a vaccine for our hearts. That vaccine is care. This will be a good year if we take care of others, as Our Lady does with us.”

~ Pope Francis

St. Francis de Sales Prayer Group

Since we don’t know when we will be allowed to meet again, please remember in your prayers every day, the sick listed in the parish bulletin and the names of all those in our Prayer Box. We still continue to get requests. Thanks for your patience. There is a lot to pray for.

Varsity Coats For Needy Folks has for the last seven years collected "*slightly used large men's coats*" to distribute to the homeless camps in the Cuyahoga County area. The camps which originally numbered 75 have grown to more than 125. Given the number of evictions taking place we are expecting the camps to grow. Many are veterans suffering from PTSD who for one reason or another find themselves on the street. As all of us know, Cleveland winters can be very brutal with the wind, snow and cold temperatures. Living outside without the proper clothing is a challenge, even to the heartiest of people. Sometimes, a **warm coat** can mean the difference between life and death. If you have a used warm coat which you no longer have a need for, please consider donating to the homeless. Our group co-ordinates with the North East Ohio coalition for the Homeless (NEOCH). The vans go out to the camps every other day and your coat will help someone survive the winter months. We are also in need of **hoodies, as well as socks, knit hats and gloves**. God Bless you and thank you! (*Donations can be dropped off at the Parish Office. 440-884-2319*)
