## Parish Project

The A/C unit in the rectory is no longer functioning. Energy Management Specialist EMS has given us a quote of this project which will have to be completed by next spring: **\$10,800.00**

**Goal**  
\$10, 800.00  
- 1,000  
**Still Need**  
\$9,800.00

Thank you as always for your generosity.

## CONFESSIONS

Christmas Eve, Friday  
December 24th we will have  
several priests available  
from 1:30 pm-3:30 pm.

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. **Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.** Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish. ©LPi

We welcome all visitors to our parish. If you are interested in becoming a member of our OLMC family, please fill out this form and place it in the collection basket or return it to the rectory.
