Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. **Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.** Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish. ©LPi

A LETTER FROM OUR PASTOR, FATHER JOE

January 3, 2022

Parishioners,

On the first of October 2018, I began my term as pastor of Our Lady of Mt Carmel. It was not easy to fill the shoes of Fr Richard. There were many challenges and some mistakes made. But after 3 years I am grateful for the opportunity.

My plan was always to complete the traditional 6-year term of a pastor. Most of our religious priests get the opportunity to do this.

Everything changed for us with the shocking deaths of Fr Richard and Fr Rock. The Order must reevaluate our work in the United States and how we can promote vocations. If we don't have religious, we will not be able to staff our parishes in the future.

The provincial asked me to become the director of formation for the Mercedarians in the US. I got a master's degree in formation while I was in seminary. With all this in mind, I didn't think that I could say no to helping to prepare young men to serve as Mercedarians. It's just too critical now to insure our future in the United States.

Among the many changes that will be happening in the places we serve; Mt Carmel will be getting a new pastor. This all will be happening very quickly, January 17th 2022. Fr James Chia, O. de M. will become the new pastor of our parish. Fr Chia is familiar to many of you since he is the parochial vicar at St Rocco's. He has also spent time here at OLMC of the past few years.

Fr Michael Donovan, O. de M. and I will be opening a new house at Holy Family Parish in downtown Columbus, OH. www.holyfamilycolumbus.org. Fr Michael will be the pastor and I will serve as the director of formation for our postulants. The parish is close to Ohio State University. Our students will attend the Josephinum Pontifical Seminary www.pcj.edu.

This continues a very difficult past few months for all of us. It is not easy for me to leave so soon. Two months ago, I would have never expected to be moving. But, losing two of the leaders of the vicariate necessitates that we all be open to doing what is best for our future.

I have confidence that Fr Chia, O. de M. will be a good pastor and continue the service you have come to expect from the Mercedarians. I will miss you all. Thanks for your support over the past 3 years.

Sincerely,

Fr Joseph

Save the date!
