SUNDAY AFTER THEOPHANY

Christ the Teacher - Pantocrator of Hagia Sophia

The True Light of Revelation to the Gentiles

The Evangelist commemorates in this passage [today's Gospel] the prophet's words: "Beyond the Jordan, Galilee of the Gentiles: the people who sat in darkness have seen a great light." In what darkness? Certainly in the profound error of ignorance. What great light did they see? The light concerning which it is written: "He was the true light that illumines everyone who comes into this world." This was the light about which the just man Simeon in the Gospel declared, "A light of revelation to the Gentiles and a glory for your people Israel." That light had arisen according to what David had announced, saying a light has arisen in the darkness to the upright of heart." Also, Isaiah demonstrated that light about to come for the enlightenment of the

Church when he said, "Arise, shine; for your light has come, and the glory of the Lord has risen upon you." Concerning that light also Daniel noted, "It reveals the profound and hidden things, knowing those things which are in darkness and the light is with it," that is, the Son with the Father, for even as the Father is light, so too is the Son light. And David also speaks in the psalm: "In your light shall we see light," for the Father is seen in the Son, as the Lord tells us in the Gospel: "Who sees me, sees the Father." From the true light, indeed, the true light proceeded, and from the invisible the visible. "He is the image of the invisible God," as the apostle notes.

Seeking Hope During the Pandemic

—Some turn to little-known St. Corona—

The Catholic Church has thousands of saints, including those being named today. Corona was an early Christian martyr allegedly killed by Romans for consoling a Christian man who was being tortured, then professing her own faith.

She allegedly had a vision of two crowns descending from the sky, one for herself and one for her fellow Christian. Hence the name Corona, which means "crown" in Latin. The coronavirus, meanwhile gets its name from the crown-like spikes on its surface.

Corona's remains are buried in northern Italy, the epicenter of Europe's worst outbreak of the disease. For believers, that is more than coincidence. They also find it remarkable that a cathedral in southern Germany just happens to be taking a St. Corona shrine out of storage and preparing it for exhibition this year. The shrine, which contains relics from the saint, was scheduled for exhibition long before the virus appeared.

Michael Naughton, director of the Center for Catholic Studies at the University of St. Thomas, finds the situation intriguing. "It seems almost an extraordinary happenstance that a virus goes from China to northern Italy, where St. Corona is buried. She was not the saint of pandemics, but now we're making her a saint of pandemics. I don't think there's any problem with that. Saints are historical, but they also respond to the times in which we're in. While St. Corona's history has little to do with protecting against disease, she provides an inspiring example of how to behave when faced with life-or-death situations. She offered consolation to a suffering man."

Prayer to St. Corona During the "Corona" Pandemic

Almighty and Ever-Living God, through the intercession of Saint Corona look down upon us in Your rich mercy and compassion, as we are confronted enumerable evils about by the corona virus pandemic.

Through the prayerful intercession of the martyr, holy Corona, we come to You with confidence that through her supplications You will destroy all traces of the un-holy "corona" pandemic from the face of the earth that presently assails us.

May the prayers of Saint Corona before Your Heavenly Throne, protect all those who are most vulnerable to this dreaded global plague; the elderly and those of any age who are already compromised by serious conditions.

In addition, we call upon the heavenly protection of all first-responders, who include: emergency vehicle personnel, healthcare professionals, police and firefighters, coroners and countless volunteers, whose selfless dedication leave them extraordinarily vulnerable to succumbing to this very same disease.

Heal those who are sick, comfort the suffering, bring back those who have gone astray, and above all, increase our faith, O Lord.

Give us the grace to follow You and, like the martyr St. Corona, who gave her life for love of You, to take up our crosses daily without fear or hesitation.

Lord Jesus Christ, Son of the living God, have mercy on us and on the whole world. St. Corona, patroness of epidemic victims, pray for us. Amen.

Blessed Repose, Eternal Memoryl

Michael Prischak was buried this past week at the age of 94. For the past few years he has been on our monthly Communion visitation list while living at home with assistance. He was a valuable volunteer during his active years working fish fries, being part of the Men's Club and using his skills to leave a lasting mark at St. Joe's. (For example, he crafted the Troijca stand...for the three-branch candle held during the Gospel.) Parish sympathies are extended to Linda dauahter (John) Greifenstein, grandchildren Sarah (Paul) Kazimer, Josh Greifenstein and great grandchildren Jude and Charlotte.

We also buried this week George Marko who has been living in Florida. He, too, was 94. Parish sympathies are extended to his relatives in the parish.

In blessed repose grant rest O Lord to the souls of Your departed Servants Michael and George and may their memories be eternal! Vichnaja Pamjat!

Congratulations!

We congratulate Jim and Kathy Krasnicki who on Saturday will be celebrating their 50th wedding anniversary! They were married at St.

What is the Rosary and Why Do We Pray it?

The Rosary is a Scripture based prayer that leads us to Jesus through Mary.

The word rosary means garland of roses, which has been interpreted into the rosary of today—a string of beads. Mother Mary, also known as the Lady of the Rosary, urged everyone to pray the rosary to help people grow in their faith, convert sinners, and bring about world peace.

The Rosary begins with the Apostles' Creed, which summarizes the great mysteries of the Catholic faith. The Our Father, which introduces each mystery is from the Gospels. The first part of the Hail Mary is the angel's words announcing Christ's birth and Elizabeth's greeting to Mary. St. Pius V officially added the second part of the Hail Mary. The Mysteries of the Rosary center on the events of Christ's life. There are four sets of Mysteries: Joyful, Sorrowful, Glorious and (added by Saint John Paul in 2002) the Luminous.

The rosary has 59 beads, a crucifix, and a medal, with certain prayers for each of these different pieces. The prayers of the rosary can be divided into three categories—Introductory Prayers, The Decades, and Closing Prayers. With the prayers of the rosary, we ask Mary to pray for us and to guide us by the example of her son, Jesus.

When you meditate on these mysteries and establish the rosary as a spiritual habit in your life an amazing thing happens: Jesus' peace becomes your peace, his hope becomes your hope, and his healing becomes your healing as his life transforms your life.
