My Dear Parishioners,

Let me take this opportunity to wish all of you a most Merry Christmas Season and many Blessings in the New Year. This year Christmas comes with the prospect of a more “normal” experience. Though we must still be cautious, perhaps our “bubble” is a little bit bigger and we will be seeing more of our relatives and friends! Sadly, some families will be without a member of the family this year due to illness or death. This stark reality reminds us even more that we need a Savior, and Christmas is the time we celebrate that God in his love has sent that Savior, Jesus Christ our Lord! As the Gospel of John relates, “God so loved the world that he sent His only Son, so that all who believe in Him may have eternal life!” (John 3:16) This mystery of the Incarnation, the becoming flesh of the Son of God, is a reminder to us that our world and our humanity are redeemed. This includes the difficult parts! It is a reminder that the things of this earth and of our human lives are essential to our path of holiness. I have been reminded of this during the past year through the many experiences of Baptisms and Funerals, First Communions and Anointings of the Sick, Confirmations, Weddings, Reconciliations, and the daily struggles and joys of the people of St. Hilary. Many of these experiences have become even more powerful in the midst of the pandemic, as they have reminded us that love, mercy, and faith have the last word! God has touched us with His grace in all of these moments. If we are paying attention, we have seen all around us the presence of Christ!

I have been especially touched, once again, by the generosity of our parishioners on behalf of those who are in need, especially our annual giving tree and the work of the St. Vincent de Paul Society. Thanks to all of you who have contributed in any way to ministries that reach out to the poor. As Christians, we believe that those who are vulnerable in our community are particular reminders to us of Christ’s presence among us.

A big thank you to all who help our parish to celebrate this festive season, especially those who decorate the church, sing in the choirs, play instruments, serve as lectors, Eucharistic ministers, ushers, greeters, or in any ministry that helps us to pray well! I am truly grateful! Also, a big thank you to the staff of St. Hilary Parish and School, who have continued to heroically minister in the name of Jesus day in and day out during this difficult year! They are such a blessing. Let them know!

In conclusion, I would also like to thank all of you who sent me, Fr. Cameron, and the Parish Staff your Christmas greetings, gifts, and mounds of cookies and chocolate. We certainly do appreciate your prayerful support and generosity not only at Christmastime but throughout the year. In closing, I invite you to also remember in your prayers all those for whom Christmas will be marked by illness, the recent loss of loved ones, or family members away on military assignment. May they know the peace of the Christ Child who is the Father’s assurance of His love for us all!

Peace, Joy, and Love to all this Christmas Season

*Fr. Steve Brunovsky*

## Faith Formation

### Gospel Reflection

Sometimes you can't phone it in. Love, that is. Sometimes love requires presence. I have a friend, a priest, who says that his ordination class took as their focus the scripture that says "Unless a grain of wheat falls to the ground and dies, it stays just a grain of wheat." And so when his phone rings in the middle of the night, he realizes "This is one of the dying times"...and goes.

I have another friend whose sister was in a nursing home until she passed way. My friend visited her every day. And she remarked that, no matter how good the nursing home is, the staff needs to know that you are watching ...daily.

I have another friend whose job required some long days at work. He declined another evening commitment because, "The children are young and need a lot of attention and I need to be home sharing their care with my wife." Present.

I know what you're thinking. Pat, you have some great friends (and I do!), but what does this have to do with Christmas?

And that brings me to one of my favorite "church" words, "Emmanuel". We only hear it around this time of the year. Emmanuel, "God-with-us". Love expressed as presence. God chose not to phone it in, but to share the human condition in Jesus. Born under less than ideal conditions, living an ordinary family life. Being present in a way we could understand. So we would know we are loved.

And beside being grateful, what does that mean for us? I suggest that when we are present, when we listen to someone who needs to share a struggle, we make God present for them. When we care for someone who is sick or young or frail or lonely, we make God present for them. Love takes flesh and blood in us again.

And, through us, Christmas happens again...and again...and again...
