Gospel Reflection

Reflecting on the scriptures

When I was growing up we learned about the food pyramid. That was just about the extent of our understanding of nutrition. Today it's very different. Food packaging includes the recommended daily allowance of important nutrients, how many calories in a serving, and exactly how many of those cookies constitute a serving. Spoiler alert... It might be fewer than you hoped! Whole aisles in the grocery store feature foods that are gluten free, sugar-free or low in sodium. So what's changed?

I suspect we have learned that the foods we consume have a direct bearing on our health. Some foods can have a damaging effect on our body over time. Other foods and a balanced diet can give us a healthier body, more energy, even help us fight off disease.

But if we just look, however admiringly, at the fruits and vegetables on our way to the chips, those fruits and vegetables aren't going to help us. We need to consume healthy food... to make it part of us.

In today's gospel Jesus says "For my flesh is true food, and my blood is true drink...One who feeds on me will have life because of me."

In order for this heavenly food to give us healthy souls we need to use it. We need to take it in and make it a part of our living...to be... like him...broken and shared to answer the hungers of the world.

To become what we eat.

Save the Date for Vacation Bible School! June 18-20, 2025

An evening summer faith camp that includes the whole family. Vacation Bible School provides a unique way for parents and children of the parish, ages 4 and up to those entering 4th grade, to learn about and celebrate their faith through Bible stories, snacks, music, games, and crafts. Anyone who loves children and enjoys involving them in these activities is invited to volunteer. We need both adult and student volunteers (5th grade or higher) to make VBS successful. This program will not run without a director, so if you are interested, please reach out this fall so we can setup mentorship opportunities for new leaders. Many of the area coordinators plan to be involved as support players but, without a Director or Co-Directors, the program will not be able to continue. The director(s) typically begin planning in January and have periodic monthly meetings to plan for summer St. Hilary uses the Cat Chat VBS curriculum (visit <https://catchat.ca/> to see the variety of themes/resources available to help carry out the role). VBS is a great way for families and parents to get involved at the parish and to meet others. Time Commitment: Varies depending upon volunteer duty. Babysitting is available for younger children of adult volunteers during camp evenings. Contact: Jeannie Hohlefelder, jhohlefelder@sthilarychurch.org or 330-867-1055 ext. 213.

It's Make-A-Will Month! Leave a legacy of faith

Did you know August is national "Make-a-Will" Month? Having an up-to-date will in place is a powerful way to plan for the future and protect the people and ministries you care about. In your will, you can choose to leave a legacy of faith through a bequest to the St. Hilary Parish Foundation. Contact your attorney, or visit the Legacy Society page at www.sthilaryfoundation.org to use FreeWill's free, fast self-help estate planning platform. For additional information about including the St. Hilary Parish Foundation in your estate planning, call Diane Sarkis, Development Director, at 330-608-4787.

Journey Together for Justice

A newly re-forming "Journey Together for Justice" committee has sent out a survey based on the above seven principles of Catholic Social Teaching. Its purpose is two-fold: to discover your understanding and interest in Catholic Social Teaching, and to invite a younger generation of Catholic Christians to get involved in doing God's work of justice in our world. For more information, please email Maureen Capellas at mcapellas@sthilarychurch.org. To complete the survey, visit sthilarychurch.org/cstsurvey/

They have a Free Medical and Dental Clinic. Volunteers with medical and dental backgrounds are needed. Volunteers are also needed for the food pantry and other areas at Open M. Please be generous and help out by donating a bottle or pods of laundry detergent.

Help us *Build the Future* for the Children of St. Hilary School of the Congo! Special Collection August 31 and September 1

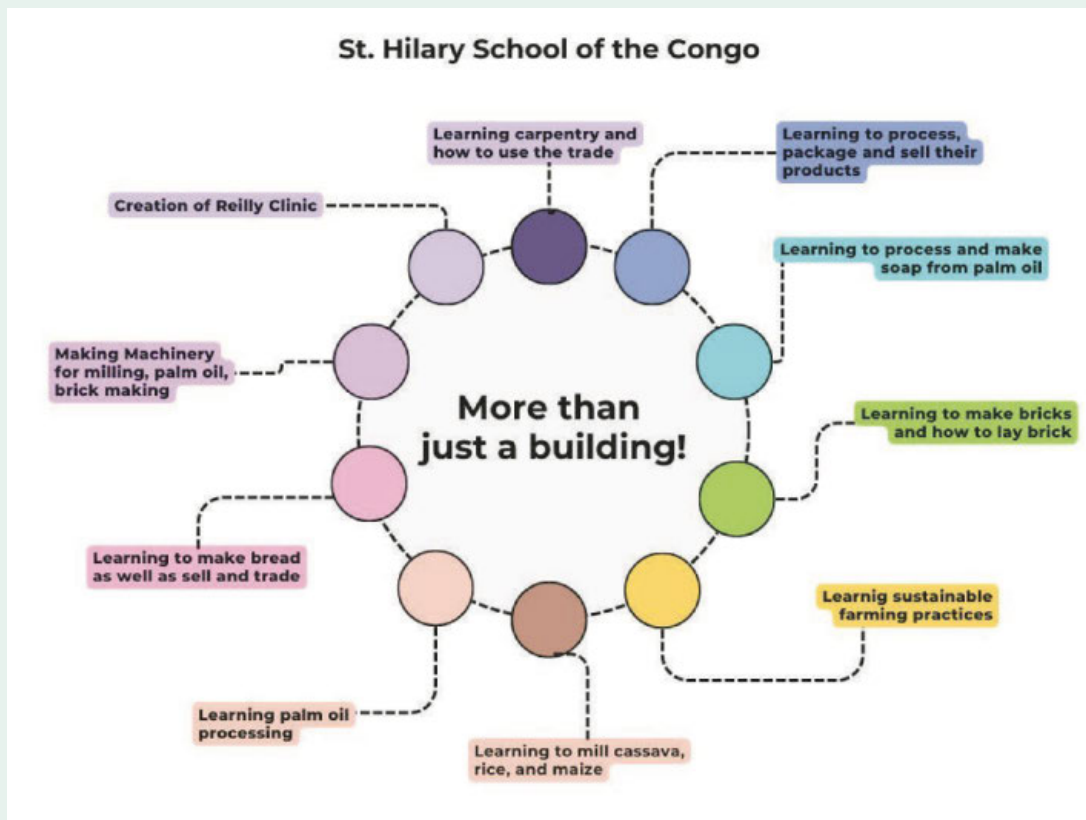

On the weekend of August 31 and September 1, we will again ask for your support with the Building the Future program in the Congo.

When you contribute, it will help to buy fabric for uniforms, books, hand and power tools, sewing machines, computers, and contribute to the sponsoring of grain mills, brick machines, family farm co-ops, workshops and equipment, and so much more.

Fr. Cameron told us last year, "Let us think about people in other communities, lands and races. Each person, no matter their material possessions or the place they happen to be placed, is of the utmost importance to God and therefore to us, too. We are called to be faces of God's love, to be His living, breathing body on earth!"

So many lives have been changed because of Fr. Steve, Mrs. Woodman, and the support of our generous St. Hilary parishioners who said YES to the building of St. Hilary School of the Congo. Please know that everything you donate will go directly to help the Congolese in the Tshela territory of the Democratic Republic of the Congo.

Please follow along here in the bulletin during the month of August to learn about what has been accomplished over the past four years and about this special collection. Please visit our website at sthilarychurch.org/congo to learn more as well. We are so very grateful for your continued support. Because of you, we have begun to change the future for the children of Tshela and their families.
