## Gospel Reflection

### Reflecting on the Scriptures

Today those of us celebrating a Scrutiny with our Elect who plan to be baptized at Easter will hear the gospel of the Samaritan woman at the well from John's gospel. The rest of us will hear from the gospel of Luke, the story of the barren fig tree. In solidarity with our Elect, let us take this time to focus on our own baptism, which we can do as we reflect on each of those gospel stories. But first a history lesson.

After World War II, theologians around the world struggled to make sense of the Holocaust. Most of the those who gathered Jews into railroad cars and took them to the death camps to be exterminated were themselves baptized Christians. How could baptism into Jesus fail to motivate those soldiers to resist such evil?

And now, the gospels for today. I suggest they both tell us that our relationship to Jesus it's not simply a private affair. It is supposed to bear fruit.

The Samaritan woman at the well, after her conversation with Jesus acts on what she has heard. John tells us that after the disciples returned, "The woman left her water jar and went off into the town. She said to the people: "Come and see someone who told me everything I ever did! Could this not be the Messiah?' And they set out from the town to meet him.... Many Samaritans from the town believed in him on the strength of the woman's word of testimony." Her experience of Jesus moved her to action.

In the gospel from Luke, the poor barren fig tree was in danger of being cut down until the gardener begged for a brief reprieve: Please let it live one more year while I fertilize it. If it still doesn't bear fruit, then cut it down, he suggested.

Most of us who will hear these gospels today are baptized into Christ Jesus. Let us ask ourselves some hard questions. If I can hear about civilians being targeted by bomb-carrying drones and do nothing... If I learn about individuals who have had their livelihood imperiled without due process and do nothing...If I know about life-saving food and medicine rotting in warehouses while poor people die outside those doors and do nothing...then, my baptized brothers and sisters, what fruit has my baptism born in me?

## St. Hilary Pastoral Council Nominations due April 1

Nominations are being accepted for St. Hilary Parish Pastoral Council (PPC). There are two seats opening this year! PPC functions as an advisory board and representation of the parishioner population to Fr. Steve. Serving on Parish Council is a wonderful way to grow in faith, learn about the ministries available at St. Hilary, and an opportunity to shape the future vision and goals of our parish.

In addition to serving as a conduit between Parish Council and our many ministries, the scope of Council's discussion includes:

- Identifying* the needs of the parish,
- Planning* how to meet those needs,
- Setting goals* for the parish and ways to meet those goals, and
- Evaluating* our progress in light of those goals.

Council meetings are held 10 times a year on the fourth Tuesday, 7-9 p.m. Members normally serve a three-year term and may serve no more than two consecutive terms. To qualify as a Parish Council candidate, nominees must meet the following requirements: (1) Must be an active and registered parishioner of St. Hilary Parish, (2) Must be 18 years or older, (3) Must be in full communion with the Church, (4) Able to work collaboratively with others, (5) Only one household member can be on Parish Council at one time.

The deadline for nominations is **April 1, 2025**. All nominees are invited to attend the April 22, 2025 Parish Council meeting to observe the council in action. New members will be selected through a process of discernment during the May meeting. New Council members will then be invited to attend the June 24 meeting where they will be commissioned for their term which will begin with the August meeting.

Nominations for Parish Council should be submitted to Father Steve at [sbrunovsky@sthilarychurch.org](mailto:sbrunovsky@sthilarychurch.org). Parishioners are encouraged to nominate themselves or others. Please provide (1) full name, (2) phone number, and (3) email address of the nominee.

\*\*Applications are available to download on our website at [sthilarychurch.org/parishcouncil](http://sthilarychurch.org/parishcouncil) or hard copies are available in the Parish Office.

## Help ensure the legacy of our Catholic Faith!

During Lent, we are called to sacrifice. The St. Hilary Parish Foundation offers an easy way to help with this through its commitment to the long-term viability of St. Hilary Church and St. Hilary School. While the weekly offertory funds the basic operating expenses of the parish, the Foundation underwrites capital improvements and unforeseen expenses for the church and school, and supports programs and amenities that enrich the parish community. The greatest calling of the Foundation is that of ensuring the legacy of our Catholic faith. You can support this virtuous calling through your charitable giving to the Foundation in a donation of any amount. Getting started is as easy as 1, 2, 3! 1. Plan for a general donation to an unrestricted fund or a family-named fund, or specify your donation according to your passion among one of the Foundation's many fund areas. 2. Contact St. Hilary Parish Foundation Executive Director Diane Sarkis at 330-608-4787 or scan this code. 3. Be fulfilled knowing that you have helped to ensure the legacy of our Catholic faith!

## St. Hilary Creation Care Ministry

As spring brings forth renewed life we invite you to observe and enjoy the native plants rejuvenating in the garden bed outside the gathering area windows (adjacent to Faith Lutheran). This is the beginning of the parish's St. Kateri Habitat - a living, sacred space highlighting the harmonious co-existence of faith and ecological stewardship. In North America, native plants (a key component to St. Kateri habitats) are species that were present in a location prior to the arrival of European settlers. Straight native species refers to a native species that evolved without cultivation or hybridization. "Varietals" or "nativars" are found naturally in the wild, but with a specific mutation that makes them desirable to select and propagate. A "Cultivar" is a native species not occurring naturally in the wild. They are created by hybridized breeding or vegetative cloning/propagating. Often cultivar seeds are sterile or will revert back to one of the parents. All native plants are better than non-natives in supporting local ecology, but straight natives are most ideal. Consider adding some native plants to the landscape around you. There are several native plant nurseries in the area. Plants in the St. Kateri Habitat were procured from Avonlea Gardens in Chardon, OH and Scioto Gardens in Delaware, OH., but other nurseries in the area have a selection of native species. The Summit Metroparks is hosting a Native Plant Festival May 17 at Munroe Falls Metro Park with much more information and vendors on site.

### Help Grow Our Angel Scholarship Fund! It's Easy, Fast & Free!

Getting your taxes done? Why not also help grow our Angel Scholarship Fund, which is key to keeping tuition affordable?! It's easy, fast and doesn't cost a penny from your pocket! Simply redirect your Ohio income taxes to help our students! The amount you contribute (up to \$750 for individual filers and \$1,500 for joint filers) will be credited toward your Ohio income tax liability. These are dollars you have to pay anyway, so why not redirect them to help keep tuition affordable at St. Hilary School?! You can even set up monthly contributions! It's not too late to contribute for 2024! Contributions made before April 15 may be credited toward either your 2024 or 2025 Ohio income tax return and will be available to award to students for the 2025-2026 school year. And, if you opt for a 2024 tax credit, you can contribute again and receive another tax credit for 2025! TELL YOUR OHIO FAMILY AND FRIENDS - THEY CAN HELP, TOO! The tuition your reduce could be your own!

Kris Stoehr from North High School shares how your donation this Holy Thursday impacts the many teens children in our local area who are risk of hunger. The Pantry receives \$500/month from Blessed Trinity to purchase food from the Food Bank. Kris shared: "North High School is located in the North Hill Community of Akron with a current enrollment of 945 students. Many of our students live below the poverty level and food scarcity is a major problem. The North High Food Pantry provides food and hygiene products for all students. In January we served 289 high school students and 35 preschool students. We are so grateful for your willingness to help the students at North High School."

Follow along over the next few weeks to learn more about these food pantry programs. Please know that everyone is a volunteer and that everything you give will go directly to serve the hungry. God Bless you during this Lenten Season.
