## Gospel Reflection

Pity the priest who has to preach on today's gospel; it tempts us to take sides and that is a losing proposition. We know the story. Jesus comes to visit his friends at Bethany. Martha is busy in the kitchen with the tasks of hospitality. Her sister, Mary, however, has chosen to sit and listen to Jesus in the other room. Martha asks Jesus to send Mary to the kitchen to help. And Jesus, instead, supports Mary's decision. So at this point in the story, how do you feel about Martha? About Mary? In fact, how do you feel about Jesus?

First let's remember a couple of things. The Jews put great emphasis on hospitality. Jesus was not belittling Martha's work. Also, though Jesus had men and women disciples, theological study in the synagogue was reserved for men. Jesus' inclusion of women among his "students" was exceptional. So instead of choosing between Martha and Mary, I suggest we take a look at the difference between "doing" and "being."

For many years the family all gathered at our house on Christmas Eve for a gift exchange and meal. Though everyone contributed to the buffet, still I was the hostess. And the Martha in me was given full reign! I hovered at the buffet. Do we need more chicken wings? How is the dip holding up on the veggie tray? And on and on! At the end of the evening I had the satisfaction of knowing everyone had been well fed and given their presents. But what about presence? I had not had a significant conversation with anyone.

By the time Covid hit, the family had grown to include quite a crew! Clearly, having twenty people packed into our living room was ill-advised. So, instead, the family took turns over the holiday coming in small groups. A son and daughter-in-law, empty-nesters, stopped for a glass of wine and cheese and crackers one evening. A grandson with his newly minted driver's license drove his sister over for hot cocoa and Christmas cookies and I learned so much about their young lives. A daughter and her family, game players all, came for snacks and a rousing afternoon of Christmas trivia games.

This was presence. Being instead of doing. Our culture prizes doing, accomplishing tasks. And certainly work needs to be done. But Zoom is not the same thing as sitting across from another person and social media is even less intimate.

Pat Schnee

### What's Happening with the Citizens Bank Building?

Dear Parishioners, I want to give you a little update on the Citizens Bank Building, our neighbor to the West. As many of you know, the Citizens Bank has moved further west to the site of the former Core Life restaurant. The building at 2770 West Market Street is now totally vacant. The property which includes the building and ALL OF THE PARKING to the west of our church building is now potentially for lease to another entity. We have been in touch with the owner to express our interest in the property **so as to preserve our ability to use it for church parking**. The owner, which is a Real Estate Investment Company headquartered in San Diego California, is not interested in selling the property to anyone at this time due to a provision to protect investors in the REIT from any Capital Gains liability, and will therefore pursue a new lessee. We do not know how attractive the present building is to developers, and we suspect that any future deal will take time to materialize.

Having said that, the St Hilary Finance Council will continue to stay informed of future developments and will also continue to let the owner know of our interest in the property.

Sincerely, Fr Steve Brunovsky

### Birthday Kits for Helen Arnold School

Birthdays are a very big deal to most kids. A birthday is a celebration of the child and the joy and love they bring into this world. Each gift and card is a way of saying "Hey, I'm glad you are here!" In our community, there are many children who would love a birthday celebration but for various reasons, do not get one. We are going to be working with the Helen Arnold School in Akron to create birthday kits for the students to make their day special. We are asking for donations to assist in creating these kits. There will be a bin labeled "Birthday Kits" in the hallway by the church offices. Any questions, please contact Christina Cheyney at 330-867-1055 ext 217 or [ccheyney@sthilarychurch.org](mailto:ccheyney@sthilarychurch.org).

Below is a list of items we need:

- 9x13 disposable aluminum pans with lids
- boxed cake mix cans of frosting, sprinkles, candles,
- paper plates, napkins, plastic table cover,
- bags of balloons

### OPEN M Laundry Detergent Collection July 19 & 20

Open M is an ecumenical ministry in South Akron bringing faith, help, and hope to those living on limited resources and those looking for a way out of poverty. They have a Free Medical and Dental Clinic. Every month on the third weekend (July 19 and 20), laundry detergent (which cannot be bought with food stamps) is collected at St. Hilary for OPEN M. We are the only church that collects this much-needed product for the clients of OPEN M. Please be generous and help out by donating a bottle or pods of laundry detergent.

### Catechesis of the Good Shepherd For ALL Parish Children Ages 3-6

St. Hilary Parish offers a *Level I Atrium* once a week for children between the ages of 3 and 6 years old (pre-kindergarten age). Children must be potty-trained and able to follow simple instructions.

#### Thursdays 9:00-11:00 a.m. Spiritual Center Lower Level

Families will be given a CGS handbook at our initial meeting (October 2 at 9:00 am), including a complete calendar.

#### Do you want your preschooler to:

- Love listening to the Scriptures?
- Know Jesus talks to them at all times through their daily activities?
- Learn how to value quiet time with the Lord?
- Understand the Mass more fully?

The Catechesis of the Good Shepherd (CGS) Program is a Montessori based Catholic religious education program which nurtures the child's relationship with God, and educates the child in the faith. Dr. Maria Montessori's approach follows St. Thomas Aquinas' understanding that "all our knowledge has its origin in the senses." The "Atrium" is a place of prayer, prepared especially for children to contemplate the life of Jesus and the liturgy of the Church with the use of many sensorial materials, including infancy narrative figures, a raised surface map of the Land of Israel, and a model altar. This concrete method of presenting the faith is similar to the way the Church teaches us.
