Prayer to St. Thomas the Apostle

Almighty and everliving God, who strengthened your apostle Thomas with sure and certain faith in your Son's resurrection: Grant us so perfectly and without doubt to believe in Jesus Christ, our Lord and our God, that our faith may never be found wanting in your sight; through him who lives and reigns with you and the Holy Spirit, one God, now and forever.

Mass Intentions

Mass requests are being accepted for all of our churches as well as UPMC Presbyterian Hospital. Please send your Mass requests with payment to the St. Max parish office or place in the collection basket with the envelope marked "Mass Request." Please be sure to include a phone number so that we can contact you.

Happy Father's Day to all of the dads out there!

Today is your special day. May you always follow the example of St. Joseph, the father of Jesus. May God bless you on your special day, so that you have the grace and strength to do for your family to be a loving father who cares for the family and home. And, for those of us whose fathers have passed, may God welcome them into the fullness of His life.

Vacation Bible School - All children age 4-Grade 5 from St. Thomas the Apostle Parish and their friends are invited to join us June 19-23 from 9:00 AM until Noon at St. Therese.

Book Club - We will be meeting for Book Club on **Wednesday, June 21** at 12:30 pm in the Rectory Meeting Room below the St. Therese Rectory. We will be discussing *The Valley of Light* by Terry Kay. If you enjoy reading, we would love to have you join us. We read a variety of different books and the discussions are very informal.

St. Thomas the Apostle Parish Update

BUILDING PROJECTS UPDATE: We shared with you several weeks ago a list of projects that are going on throughout the parish. Here's a brief update on the progress along with other projects that are in process

HOLY TRINITY LIGHTING: The upgrade of the lighting in Holy Trinity Church is complete. In addition to the fact that the new lighting has improved the overall environment in the church with brighter, whiter light, the parish will be saving electric cost. The old light bulbs consumed between 250 and 400 watts of power each. The new lights consume just 45 watts. This is a substantial savings.

HOLY TRINITY AIR CONDITIONING: The air conditioning at Holy Trinity has been giving us trouble for about 2 years. We're in the process of evaluating the feasibility of having the air conditioning fixed. This is not a black and white decision. If we choose to spend money to repair the system, we would like to be reasonably comfortable that the money is well spent. There will be more to come as we learn more.

ST. JOSEPH BELL TOWER: Both bell towers on St. Joseph church need re-shingling. The estimates to have all the shingles replaced on both bell towers were all over \$100,000! This is because the entire front of the church would have to be scaffolded to reach all areas of both roofs. The rear of left bell tower roof is really the only one that is in immediate need of replacement, so we contracted with a roofer to use a man lift to replace the left and rear shingles of the left bell tower. The cost of this work will be approximately \$10,000. The parish is renting the lift. This work was to begin on June 13th.

PARISH CCD CENTER: Work is well underway at St. Max for the new CCD Center. The lighting has been upgraded to LED in all the classrooms and hallway. Most of the old windows have been removed and some of the new windows have been installed. Classroom painting is in progress. We look forward to welcoming the students for religious education this September.

ST. THERESE STAINED GLASS WINDOW: One of the stained-glass windows on the Main St. side of St. Therese Church was collapsing. Hunt Stained Glass removed the damaged section of window and took it back to their shop for restoration. The repair cost is yet to be determined.

ST. THERESE SOUND SYSTEM: We've received many complaints about the sound system at St. Therese. The complaints range from not being able to hear in the back to not being able to understand. The last update to the speakers was about 20 years ago and the technology has changed a lot. As a result, we have contracted with our sound system company to replace the speakers in the church. The new system will consist of 6 sets of speakers mounted closer to the congregation. The cost will be \$38,000.

ST. AGNES SANCTUARY FLOOR: The ceramic tile for the sanctuary floor at St. Agnes Church is in the church and ready for installation. The crew that is doing the CCD Center project is the same crew that will be installing the new floor tile. The CCD Center must be done first because there is a deadline of September for completion. The sanctuary floor will be complete as soon as our crew is available.

STS. MAX AND THERESE PARKING LOTS: We're obtaining bids for paving work on both St. Max and St. Therese parking lots. Asphalt is very expensive. In the meantime, patching has been done to the lots at both locations.

Many of the projects above are being done using our own personnel. We are blessed to have the talent on staff to handle such big projects. While doing things with in-house labor could take longer, the end result is the same as hiring professionals. We're doing our very best to be good stewards of your contributions as we continue to maintain and enhance our buildings.

ST RITA SCHOOL: We received permission from the Diocese to market St. Rita School and Convent for sale. We plan to offer both buildings as a group for \$250,000. In the meantime, please know that there is no intention to close St. Rita Church. The sale of the school and convent is one step in reducing the number of buildings the parish owns, which in turn reduces our operating costs.

A Father's Day Prayer

God,
Bless all the fathers in the
world. Father, we ask that You
guide them to be good role
models and loving to their
children. We also ask that You
help them to be a father like
You are. Give them grace and
patience to handle situations
in a loving way.

Amen

Prayer for the Sick through the intercession of St. Peregrine

Graciously hear the prayers which we offer to You, O God. We present our petitions through St. Peregrine, Your beloved servant and patron of those suffering from cancer and other life-threatening diseases. Grant that the sick may receive help in all their needs through the intercession of St. Peregrine, whose life was so pleasing to You.

Hear us in the name of Christ, Our Lord. Amen.

St. Peregrine
Pray for us!

Pope Francis Prayer for Protection from Coronavirus

O Mary, you shine continuously on our journey as a sign of salvation and hope. We hope entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen. We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas - we who are put to the test - and deliver us from every danger, O glorious and blessed Virgin.

Prayer to St. Michael

St. Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray, and do you, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls. Amen.
