Several priests will be available to hear confessions. Let's take this moment during the Advent season to be reconciled to God, family and neighbors.

Advent & Christmas Prayer Guides

The Parish is providing a guide for your family's journey through Advent and the Christmas season. These guides, available in English and Spanish, invite us to renew our spirituality through scripture and reflection. A few booklets remain and are available at the side door of the Church.

REFLECT

First Reading:

Baruch offers the captive Israelites in Babylon a vision of hope in which their broken relationship with God will be fully restored. What aspects of your relationship with God are in need of restoration?

Second Reading:

Paul offers an opening prayer of joy for the believers in the city of Philippi. As the season of Advent continues, what brings joy to your life?

Gospel:

With Luke placing the preaching and activities of John the Baptist in its historical and political context, he communicates the idea that God is acting in real, human history. What do you see as the power of this assertion?

PLEASE PRAY FOR OUR MILITARY

As you gather with family and friends during the holiday season, please pray for the men and women in the military who are away from their loved ones as they serve our nation.

GOD'S PERSONAL ASSISTANTS

If you have ever planned a large-scale event, whether it's a musical performance or a religious conference, you may have dealt with someone's personal assistant. Possibly this person would be a representative of the keynote speaker or the master of ceremonies for the local bishop; perhaps it's even the staffer of a local politician or the lackey of a well-known musical act.

Personal assistants are masters of stewardship — overseeing things in their boss' absence. They prepare the way. This person's job is to get everything ready for the person in charge, so that when he or she shows up — whoever he or she is — it's smooth sailing for them to do whatever it is they need to do: sing, speak, pray,

mingle, what-have-you. It's usually a big job full of little things, a gig where attention to detail is key.

God is the guest of honor in our life, the keynote speaker, the main event. And what He wants — what He needs — to do is to change our hearts. Constantly, over, and over, and over again.

We are all His personal assistants in this endeavor. We need to prepare the way of the Lord, to make straight His paths. We need to make everything ready so that when He shows up — however He shows up, whether it's in the form of a neighbor in need or a burning bush right in front of us — everything is ready for Him to do His job.

—Tracy Earl Welliver, MTS

WITH CHRISTMAS FAST APPROACHING, CAN YOU GIVE ME SOME PRACTICAL TIPS TO PREPARE MYSELF AND MY FAMILY THAT WILL HELP US STAY GROUNDED IN WHAT THIS HOLIDAY IS REALLY ABOUT? WITH ALL THE COMMERCIALISM, IT'S EASY TO STRAY.

Happy times and events bring fond memories and a renewed sense of love and kinship with others. The anticipation is half the joy of the event itself. The coming of the Lord is that kind of event that people have been looking forward to for generations with fervent hope and desire. It gave them strength and courage as they waited for the coming of the Lord.

We know that Christmas is rushed. Sales begin in August and carols blare long before the season begins. Everyone laments the commercial aspects of the season, but as Advent begins, do something to help you be more mindful of the Lord's coming. Use an Advent wreath, or enthrone the Bible prominently, or read the readings from the

Bible assigned to each day. Postpone the tree and decorations until closer to Christmas. Establish new family rituals, customs and prayers that help remind everyone that we are preparing to celebrate the birth of Jesus. Fasting, daily Mass, a special celebration of reconciliation, reaching out to those alienated from family or society, and visiting the homebound manifest the love of the Christ Child and the Holy Family. Resist the temptation to rush the season. In his own time and in his own way, God will come. Our task is simply to be watchful and ready.

Emergency Blood and Platelet Shortage

Fall is typically a time when the blood supply bounces back from summer blood shortages, but this year is different. The Red Cross is experiencing an emergency blood shortage amid the lowest donor turnout in all of 2021.

Hospital demand for blood remains high, so it's critical that blood is always available. One blood donor can make a big impact, and one appointment is all it takes. Your blood donation is essential to maintaining our community's health. Schedule to give this week. www.redcrossblood.org/give.html/find-drive

LIVE THE LITURGY

INSPIRATION FOR THE WEEK

Sometimes, especially when life gets overwhelming and difficult, we can find ourselves feeling a bit downhearted and miserable. Wallowing in this uncomfortable darkness seems to be our norm and it's difficult to see a way out of, or through, this experience. If we listen carefully enough, we will hear God's voice calling out deep within, beckoning us to seek out its source and discover the inner calm and peace that can prevail over the darkness of despair. Faith tells us that God has already begun the creation of a good work in us and is with us, bringing it to completion, until Christ Jesus comes again. It is this light of God's glory for which we are asked to pave the way and straighten the paths of our lives so that it can shine. With all that life can ask of us and bring to us, it is our task to constantly discern what is of value. So that we do not get so weighed down by things that we no longer see, or feel, God's salvation.

The angel said to them,
"Do not be afraid; for
behold, I proclaim to you
good news of great joy that
will be for all the people."

GOSPEL MEDITATION

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

St. Ambrose shares some wisdom on our need to prepare the way and open the door for Christ. "You see that when the Word of God knocks hardest on your door, it is when his hair is wet with the dew of the night. In fact, he chooses to visit those who are in tribulation and trial, lest one of them be overwhelmed by distress. So, his head is covered with dew, with drops, when his body is laboring hard. It is important to keep watch so that when the Bridegroom comes, he is not shut out. If you are asleep and your heart is not keeping watch, he will go away without knocking; but if your heart is alert for his coming, he knocks and asks for the door to be opened to him." When life gets overwhelming and difficult and we find ourselves feeling a bit downhearted and miserable, these words can bring great comfort.

We sometimes choose to remain stuck in our uncomfortable darkness and being stuck becomes our norm. In this time of self-focus our hearts are closed to the graces and life God desires to give us. Wrapped in the robe of mourning and misery, we fail to see the mercy, justice, and love the Bridegroom wants to bring. If we take seriously the need to prepare the way for Christ and open our hearts in preparation for his visit, we can hear

God's gentle voice calling us deep within. It beckons us to seek out its source and discover the inner calm and peace that can prevail over the darkness of despair. Sometimes our darkness is so dark that it may seem unsurmountable. Trusting in the spiritual friends who journey with us, and God's promise may bring a glimmer of light even when it is most difficult to keep our hearts' doors open. Sometimes the only light in the darkness is found in trusting the faith of others both past and present.

We have to trust that God has already begun the accomplishment of good work in us and that humanity is on an incredible

journey to something wonderful and awesome. God is not done. When we open the doors of our hearts, straighten the paths of our lives, and prepare the way, Jesus can come with God's simple gifts of peace, grace, and joy. Life throws a great deal at us. It is easy to get tired and confused. We have to train our hearts to keep watch, discern what is of value, and forge ahead. Not allowing ourselves to become so weighed down by things and brought out of focus is a tremendous goal to achieve this Advent season. God is knocking. Answer the door. You will see and understand life in ways you never thought possible before.

"Every valley shall be filled and every mountain and hill shall be made low. The winding roads shall be made straight, and the rough ways made smooth, and all flesh shall see the salvation of God."
- Lk 3:5-6
