GOSPEL MEDITATION

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Families can be very difficult things to negotiate. This is true not only of our families of origin, the current family of which we are a part, the family of our Church, our society, and our global family as well. Everything human can be found in family stories. Those stories speak of wonderful life-giving successes as well as painful spirit-robbing abuses. Our greatest joys and our greatest wounds are usually connected with the experience of family. Our needs, experiences, and unresolved baggage often color what we bring to our familiar relationships. They contribute to our level of defensiveness, how guarded and protected we become, and what prejudices we believe.

In order to break the cycle of dysfunction we have to remember that it is not only by human effort that we negotiate the difficult and challenging events of our lives. There is a Divine Effort at work as well. For sure, the human effort can create quite a mess and easily destroy lives. This is true of

any family with which we are associated. Today's Feast of the Holy Family serves to help us understand that there is a Divine Story being told as well. It is a story of perseverance in the face of hardship, determination in the face of despair, healing when we see nothing but wounds, and light where there is darkness.

Do we believe that God is always working, guiding, restoring, and leading? Unless we do, we will never be free from the imperfections and wounds that bind us and never be able

to understand what it really means to forgive. Pope Francis tells us that the "light which comes from the Holy Family encourages us to offer human warmth to other families." While this is most certainly true, we can only really begin to do this when we realize that we are still works in progress, not anchored to the wounds and sins of our past, and still a leading star in God's continually unfolding story of love. The Holy Family persevered and radiated warmth because they knew they were not alone. We can too.

He went down with them and came to Nazareth, and was obedient to them; and his mother kept all these things in her heart. And Jesus advanced in wisdom and age and favor before God and man.
- Lk 2:51-52

SUPPORT OUR ADVERTISERS

Local businesses and sponsors that advertise on bulletins need you now more than ever before. Please encourage and remind others to show their support during this time.

NEW BIBLE STUDY

Jesus the Way the Truth and the Life, from Ascension Press, begins on Wednesday, January 5, and will take place over ten Wednesdays.

This study filmed, in the Holy Land, includes access to the DVDs for one year, a workbook and a timeline chart of Jesus' life. Cost of the study pack is \$30.00.

More information will be available but mark your calendar for January 5. A great way to start the New Year by learning more about Jesus.

It is necessary to register in advance, so we will have enough study materials. Please call Deacon Wally or Ada Lopez at 336-884-5352 or email whaarsgaard@ihmchurch.com.

ALTAR FLOWERS

Would you like to honor a loved one with altar flowers?

Please contact Judi Maerlender at 425-208-5508 to coordinate dates and to have your gift acknowledged in the bulletin.

Then call Llanes Flower Shop, 336-889-4211, who will provide an appropriate arrangement for the altar. You can speak with them about colors, etc., when you make your payment.

MANY THANKS

The Young at Heart Club would like to thank the IHM Parish Community for helping to make our Bake Sale such a success.

We hope you enjoyed all the delicious baked goods and candy. Later this year, we hope to rent a bus and the proceeds from this Bake Sale will help defray our costs. We are grateful for your continued generous support

REFLECT

First Reading:

Hannah, the mother of Samuel, and Samuel's father are portrayed as parents of deep prayer and great faith. How would you describe the faith of your mother or father?

Second Reading:

John teaches us that if we believe in Jesus and love one another, "we may be called children of God." How do you show gratitude for being part of this holy family?

Gospel:

Luke is the only Evangelist to preserve a story about Jesus from his youth. In this account, Mary and Joseph are filled with "great anxiety" as they searched for Jesus who they thought was lost. How do you seek God's help for the anxious moments in your family?

ALL IN THE FAMILY

At first glance, we can often find the image of the Blessed Mother, St. Joseph and the Christ Child intimidating — who are we to aspire to that level of discipleship? How could we ever hope to conform ourselves to that mold? Sometimes, it can even be painful — perhaps we hail from a broken family or struggle with a broken relationship within our family, or perhaps we long to be a mother or a father ourselves and that state in life has eluded us.

But the image of the Holy Family is, in reality, a beautiful invitation to us all, no matter our vocation or our state in life, and the example of Mary, Joseph and Jesus is rich with the symbolism of stewardship.

You need not be a biological mother who has carried a child in her womb to be a mother

in spirit. Who in your world needs you to love them with the heart of a mother?

The same goes for fatherhood. The Church and the world are crying out for the courageous witness of Christian men like St. Joseph. Who can you love with the steadfast, selfless protection of a father?

Who in your life needs you to love them with the faithful, unconditional love of a son? Who needs your gentle and constant love as a daughter?

We are the Body of Christ, friends. Those of us rejoicing in heaven, those of us suffering in purgatory, and those of us struggling here on earth. We are the great family. Let us love each other well.

—Tracy Earl Welliver, MTS

I HAVE BEEN AWAY FROM THE CHURCH FOR A FEW YEARS AND REALLY WANT TO GET ACTIVE AGAIN, NOT SO MUCH FOR ME, BUT FOR MY CHILDREN. IS THIS A BAD REASON TO COME BACK TO CHURCH?

If you are on your way to the supermarket, and you are forced to detour from your usual route because of road work, does the food you buy taste different? Is the meal less filling? Are the vegetables less tasty? Of course not. In our faith journey, there are many detours called sin. Some are greater than others, some are even a bit longer.

But God's grace comes to us in ways we understand and recognize and need. Your children leading you back to the Church is not as important as the fact that you are back.

This is an opportunity for you to renew, strengthen, and deepen your faith. Regardless of how we get to Church, or what draws us closer to God, the fact is

we are there. Do what you need to do to get right with God and the Church. Go to confession, begin good family religious practices, and be involved in the ministries your parish offers. Be more than a lukewarm parishioner. Be the kind of Catholic you want your children to be.

DID YOU KNOW...

Making Gifts Today

You may also find that your retirement plan can also at times be a convenient "pocket" from which to make charitable gifts to Immaculate Heart of Mary this year.

If you are over the age of 59½, and can make withdrawals from your traditional IRA or other tax-favored retirement plan without triggering an early withdrawal penalty, you may wish to make withdrawals from retirement plans in amounts sufficient to fund all or a portion of your charitable gifts.

Although you may be required to report the income on your tax return, when you itemize your deductions, you could take a corresponding charitable deduction for your gift.

If you are able to deduct the full amount of the gift/withdrawal, this can often result in a "wash" for federal tax purposes and ensure these funds will, in effect, never be subject to gift, income, or estate taxes. Even taxpayers in the highest income tax brackets where itemized deductions may be limited can find this strategy attractive.

Special Tax-Free IRA Gifts

Those aged 70 ½ or older may wish to take advantage of an additional tax benefit by choosing to make their gifts using funds from a traditional or Roth IRA.

It is possible to make charitable gifts directly from IRAs to qualified charities annually in a total amount up to \$100,000 free from federal income taxation. The income tax laws of most states allow tax-free treatment as well. Check with your tax advisor.

This provision applies only to IRAs and not to 401(k)s, 403(b)s and other tax-favored retirement plans. Gifts must be made directly to a qualified charity and may not be made to donor advised funds, private foundations or supporting organizations or to fund trusts and similar life income gift arrangements.

COULD YOU HELP?

IHM live-streams Masses for those who can't physically be present with us at Church but continue to view from home. We are looking for additional volunteers to help operate the camera.

Do you attend weekday Masses? Would you be willing to operate the camera (via the iPad) during Mass? Occasionally? On a holiday? Or even on a regular basis? Some minimal training is required. It is not difficult!

If you would be interested in learning more about this ministry, please contact Kathleen at: stewardship@ihmchurch.org.

Emergency Blood and Platelet Shortage

Fall was typically a time when the blood supply bounced back from summer blood shortages, but this year was different. The Red Cross is experiencing an emergency blood shortage amid the lowest donor turnout in all of 2021.

Hospital demand for blood remains high, so it's critical that blood is always available. One blood donor can make a big impact, and one appointment is all it takes. Your blood donation is essential to maintaining our community's health. Schedule to give this week. www.redcrossblood.org/give.html/find-drive

*"See what love the Father has given us, that we should be called children of God; and so we are."
(1 John 3:1)*

During this season of giving, let us remember a beautiful gift that we have received - being children of God! As God's children, we share and express our love for others. Pray for those people that are different from you, those that you may not like or annoy you. Your prayers may be the start of a new friendship.

LIVE THE LITURGY

INSPIRATION FOR THE WEEK

It was the best of times and it was the worst of times. Our families can bring out the best and the worst in us. This is true of our families of origin, the current family of which we are a part, the family of our church, our society, and the like. In all of our family experiences, what stands out as our most challenging memory? Everything human can be found on the pages of family life. But there is also a Divine story to be discovered as well. When life gets difficult and perplexing, today's Feast of the Holy Family stands to remind us that it is not just by human effort that we tread treacherous waters. We have to remember and learn from the Divine effort too. We need this perspective if our love lessons are going to be learned completely and well. We are all works in progress and we all come from homes that are broken by imperfection. In whatever life brings us and in whatever family we find ourselves, may the promptings we feel toward faith and hope lead us to greater love.

"GOD IS LOVE.
WHOEVER LIVES IN LOVE LIVES IN GOD AND GOD IN HIM."
