THE LIGHT OF THE MOON

If you own a television that has been turned on at any point in the last month or so, chances are you've caught at least a scene or two of the 1946 classic film "It's a Wonderful Life."

If you're not familiar with the movie, it follows the life of George Bailey from childhood through adulthood. A dreamer by nature, George has big plans for himself that involve world exploration and adventure — but family and community obligations keep him tethered to the same spot on the map, leading an altogether ordinary life.

One of the most memorable scenes from that movie is of George dancing with his sweetheart Mary while they sing "Buffalo Gals — Won't you come out tonight/And dance by the light of the moon?"

That lyric always catches my ear. Of course, the moon doesn't have any light of its own. All the moon has is the ability to reflect the light that shines upon it.

The same holds for us, doesn't it? Our stewardship is purely a reflection of the grace granted to us by another. "Upon you the LORD shines," writes Isaiah, "and over you appears his glory." Every good action we will ever take begins in the mind of God. The fact that we have the honor of carrying it out on His behalf is a beautiful gift. It is God that makes our ordinary lives extraordinary.

In the end of the movie, George Bailey realizes that he had a far greater life because, instead of being the hero of his own story, he allowed himself to reflect goodness onto others.

Remember — the magi didn't chart their own course. They merely followed the star.

—Tracy Earl Welliver, MTS

WHAT HAPPENS TO A CONSECRATED HOST IF IT ACCIDENTALLY FALLS TO THE GROUND?

This is a very practical question because, as we all know, accidents happen, even during the most careful celebration of the liturgy. The short answer to this question is that nothing happens to the consecrated host. The Real Presence of Jesus remains in the consecrated host or any consecrated wine that might accidentally be spilled.

Another question we might ask is: How should the ministers respond if the Eucharist is dropped or spilled? If this happens, the priest, deacon, or extraordinary minister of holy Communion should immediately pick up the dropped host and consume it. If it is a case of the Precious Blood being spilled, the minister would use the purificator (and additional purificators if needed) to clean the spill and then the area should be reverently washed as soon as the Mass is over and the water poured into the sacarium (a special sink that is located in church sacristies for reverently disposing of holy water, the water used to clean sacred vessels, etc.).

GOSPEL MEDITATION

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

In his Apostolic Exhortation, *The Joy of the Gospel*, Pope Francis references a thought from Pope Benedict XVI: "Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction." Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, "Thanks solely to this encounter or renewed encounter with God's love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being."

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can

get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of

mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved.

"And you, Bethlehem, land of Judah, are by no means least among the rulers of Judah; since from you shall come a ruler, who is to shepherd my people Israel."

- Mt 2:6

This study filmed, in the Holy Land, includes access to the DVDs for one year, a workbook and a timeline chart of Jesus' life. Cost of the study pack is \$30.00. REFLECT

First Reading:

The prophet Isaiah foresaw a time of great joy for Israel when nations and kings would come to Israel praising the Lord. How do you show gratitude to the Lord for the great joys of your life?

Second Reading:

It was revealed to Paul that God intended to save all people (Jews and Gentiles) through his Son, Jesus Christ. Paul tried to convey the significance of this revelation to the Ephesians by using the language of "coheirs" and "copartners." What does this language signal to you?

Gospel:

The visit of the magi is one of the most well-known stories from the Gospel infancy narratives. It was an event that manifested God's revelation of His newborn Son to the world. It also foreshadowed the threat that some would experience because of Jesus. How does Jesus challenge the status quo even today?

Epifanía

Que tu estrella, Señor, nos guíe y nos ilumine todos los días de nuestras vidas. Que Tu presencia nos sostenga en la salud y en la enfermedad, en la alegría y en la tristeza, y que por medio de ella te manifiestes ante cada circunstancia de la vida cotidiana. Hoy Jesús se manifiesta a los Reyes Magos y por medio de ellos, al mundo entero. Dios invita a personas de diferentes razas y culturas a descubrir que Jesús nos trae el regalo de la integración, no de la desunión. ¿Cómo se ha manifestado Jesús en tu vida? ¿Qué le ofreces tú a Jesús? ¿Qué estrellas buscas? Ojalá la respuesta sea de compromiso y entrega generosa para los desvalidos, los enfermos y los abandonados.

This is serious. The Red Cross is experiencing the worst blood shortage in over a decade. DID YOU KNOW...

Making Gifts Today

You may also find that your retirement plan can also at times be a convenient "pocket" from which to make charitable gifts to Immaculate Heart of Mary this year.

If you are over the age of 59½, and can make withdrawals from your traditional IRA or other tax-favored retirement plan without triggering an early withdrawal penalty, you may wish to make withdrawals from retirement plans in amounts sufficient to fund all or a portion of your charitable gifts.

Although you may be required to report the income on your tax return, when you itemize your deductions, you could take a corresponding charitable deduction for your gift.

If you are able to deduct the full amount of the gift/withdrawal, this can often result in a "wash" for federal tax purposes and ensure these funds will, in effect, never be subject to gift, income, or estate taxes. Even taxpayers in the highest income tax brackets where itemized deductions may be limited can find this strategy attractive.

Special Tax-Free IRA Gifts

Those aged 70 ½ or older may wish to take advantage of an additional tax benefit by choosing to make their gifts using funds from a traditional or Roth IRA.

It is possible to make charitable gifts directly from IRAs to qualified charities annually in a total amount up to \$100,000 free from federal income taxation. The income tax laws of most states allow tax-free treatment as well. Check with your tax advisor.

This provision applies only to IRAs and not to 401(k)s, 403(b)s and other tax-favored retirement plans. Gifts must be made directly to a qualified charity and may not be made to donor advised funds, private foundations or supporting organizations or to fund trusts and similar life income gift arrangements.

LIVE THE LITURGY

INSPIRATION FOR THE WEEK

Human beings easily get bored. Life's routines can become so predictable that there is often little time for excitement or freshness. Today is all about the new and the wonderful. In celebrating the beauty and simplicity of the Epiphany, we see in tangible ways God's creative, redemptive, and restorative power. This refreshment and revitalization is offered not only to a select few but to everyone throughout the world. There is nothing routine or static about God. Surprises, wonders, miracles, opportunities, healings, and joy without measure are available to those who believe. There are never any endings, just beginnings. And, when darkness, boredom, and gloom seem to be the order of the day, a bright new light now shines pointing us to truth and reminding us that we are loved.

They were
overjoyed at
seeing the star.
