STEWARDSHIP REFLECTION

THE BAPTISM OF THE LORD

As we celebrate this feast of the Baptism of the Lord, we can study His actions at the Jordan River as a powerful example of servant leadership. We see in Jesus a type of leadership that is characterized by humility and leading by example.

Certainly, the sinless Savior did not need a baptism of repentance! But Jesus humbly made Himself one with his people to draw us to Him and create a relationship with us so that we would be open to His teachings and influence. As a servant leader, we also see that Jesus leads by example. He doesn't just tell the people they need to be baptized. He shows them how and does it Himself to teach them. To lead like Jesus, we, too, must "walk the walk" and not just "talk the talk." If we want those who we lead to be generous and hard-working, then we must show them how to do this by demonstrating generosity and hard work ourselves.

Immediately after His baptism, we learn of the powerful affirmation of the Father who opens the heavens, sends the Holy Spirit upon Jesus in bodily form, and says audibly, "This is my beloved Son with whom I am well-pleased." Let us be filled with gratitude for our amazing God and be reminded that when we are grateful followers of Jesus and servant-leaders in imitation of Him, the Father will be well-pleased with us, too.

STEWARDSHIP THOUGHT

The Catholic Catechism states that "Jesus' immersion in the water is a sign for all human beings of the need to die to themselves to do God's will." In other words, as baptized Catholics there is only one gift that we need to give to Jesus – the gift of ourselves. Surrender yourself to God, place your trust in Him and allow the Holy Spirit to work through you for the greater glory of God.

Christopher West and Mike Mangione.

As parishes and families try to keep up with a fast-moving world where the definition and purpose of our humanity seem to constantly change, **an eye-opening and breathtakingly beautiful national touring event called Made for More: Visions of the Promised Land is coming to Walsh University, at 7 p.m. on Wednesday, March 23, 2022. St. Paul Parish and Little Flower Parish will be co-hosting with Walsh University.**

"WHERE DO WE COME FROM AND WHERE ARE WE GOING? If we don't have compelling answers to these questions, we have no orientation in our lives." says Christopher West, world-renowned teacher of St. John Paul II's liberating vision of human life and love called "Theology of the Body."

The event, led by West and internationally touring folk/Americana musician Mike Mangione, will dive deeply into life's deepest questions and provide both grounding and great hope.

"This is not just a lecture or a talk," insists West. "It's an evening of beauty and reflection that weaves music, video, images and the spoken word into a message of hope that there really is a banquet of love that corresponds to the deepest hunger of our hearts."

West and Mangione recently spoke to the media about some of these clues and much more, including the transformation they hope takes place in those who attend Made for More.

WHAT IS MADE FOR MORE? WHY IS THIS YOUR FOCUS?

Christopher West: We call it Made for More because we yearn for so much more than what the world is telling us. The world understands that we are creatures of hunger and passion, but they lead us to what I call "the fast food gospel," which is the promise of immediate gratification for that hunger. Many people think Christianity, on the other hand, is an invitation to a "starvation diet." No! That's not the Gospel. Christianity is an invitation to an infinite feast of life-giving love, and that's what this event is all about.

Mike Mangione: It's a presentation meant to meet you where you are and bring you to a place of communion. It is the culmination of Christopher's 25 years in this work, my 15 in music and our friendship. It is a conversation through sight and sound about how God reveals Himself through creation and how our desires are meant to draw us closer to Him. It is a unique opportunity coming to your area.

HOW IS IT DIFFERENT FROM OTHER CATHOLIC PRESENTATIONS?

MM: It is broad and relevant to all types of people. "Catholic talks" tend to be more on a specific element of the Catholic tradition/faith. This talk will be focused on the human heart no matter where it has been before. This presentation uses sight, sound, video, music, and images to reveal, teach and enable us to experience something communally as a group. **CW:** Catholicism is a sensual religion – meaning, we experience the divine in and through our bodies, through our senses. And this event is designed to engage your senses, to wake them up and enable a new way of seeing, of hearing, of experiencing the world.

MIKE, WHAT IS YOUR ROLE IN THE EVENT? WHAT ARE YOU TRYING TO CONVEY THROUGH YOUR MUSIC?

MM: I am a co-creator as well as the musician for the event. My goal is to facilitate an experience that is communal between presenters, recipients and the Holy Spirit. I call it the Holy Campfire experience... where we can all gather around and discuss the deepest mysteries of what it means to be human and be part of the human mystery. It is sometimes easier to achieve this with music because, like most art forms, it is often felt first and understood later.

CHRISTOPHER, WHAT ARE YOU TRYING TO CONVEY THROUGH YOUR PRESENTATION?

CW: We're taking people on a journey through some particular words of Christ. We start with: "They look but do not see." So we've been trained to look at the world, but not see it; to look at the human body, for instance, but not see it. All of creation has a message, and Jesus says, "Come and become one who sees." He's in the business of giving sight to the blind.

The goal of this event is really to help turn the lights on for people, so they can see the mystery of God revealed through all of creation, and especially through our own humanity, our own bodies as male and female. Through that "coming to see," our eyes are opened in stunning new ways to God's plan for creation and for our own lives.

WHAT WOULD YOU LIKE ATTENDEES TO COME AWAY FEELING?

MM: Empathy, affirmation and hope.

CW: That they're not crazy to yearn for more than what this world offers. They're not crazy to want to be loved and affirmed as they are, behind the masks, warts and all. They're not crazy to imagine a world where every tear is wiped from the eye and every cry of the heart is answered. It's called "the promised land," and we want to give people a vision of it.
